Join us for a comprehensive five-day training program designed to equip participants with the essential skills required to execute close protection procedures, whether operating as a single protection officer or as part of a full team.

Throughout the course, participants will delve into core topics such as attack on principal drills, formation and tasks coordination, arrival and departure protocols, meticulous planning and surveys, and specialized motorcade driving techniques. The training culminates with a dynamic Full Scale Training Exercise (FTX) conducted in a public setting, providing invaluable real-world experience.

Led by a seasoned instructor, the techniques and procedures presented in this training program are derived from end-user courses tailored for operational teams, ensuring relevance and practical application in the field. Don't miss this opportunity to enhance your close protection capabilities and advance your career in security operations.

Directions:

From Rt. 316 (West State Street in Charleston). Turn South on Decker Springs Road. Take second right hand turn and follow the road around the curve. The training center is on your left.

From Rt. 16 (Reynolds Drive, This intersection will have a Marathon Station on the south side of the street and Lincoln Gardens Family Restaurant on the north) Turn north onto Reynolds Drive and follow that to the bottom of the hill where the road comes to a T. <-> Turn left and follow the road. It will take you under the railroad tracks. The road curves to the right, around a large building in the middle of the road. The training center will be just past it on the right.
