

## **BIO**

**Feelin' Alright – The Joe Cocker Connection** was formed in 2018 and quickly drew the attention of Seattle's premier venues with their high energy shows and faithful renditions of Cocker's soulful and gritty blues.

Channeling Joe Cocker is the adaptable ED TISSUE, a staple in the Northwest music scene, bringing the dynamics and gravel of Mr. Cocker to life. Supporting Ed is talented guitarist SCOTT DONALDSON, a veteran musician, and with a top-notch band of pro musicians.

Be sure to catch an upcoming show and witness the inspiring and infectious energy of this showband.
