Optimize space and improve accessibility

FOOD SAFETY INNOVATION

Accessible GN 1/1 containers are designed with the FIFO (first in - first out) with top loading and unloading.

Easy accessibility: You can access the contents of any of the stacked containers without unstacking. The lid is raised in the open position without having to hold it.

Permanent traceability label: Allows the origin of the food, its preparation date, expiration date etc. to be recorded.

Transparent: the front window, integrated label and transparency of the piece allow quick identification of the food and its contents.

Tough polyamide wheels.

New Improved Lids

Item	Cap	Dim
09146	1 Gal	15 ^{1/2} " x 7 ^{7/8} " x h8"

GN 1/3

Item	Cap	Dim
