<p>Oh, I'm Em9 sailin' away my own true love I'm sailin' away in the morning Is there something I can send you from across the sea From the place that I'll be landing?</p> <p>No, there's nothin' you can send me, my own true love There's nothin' I wish to be ownin' Just carry yourself back to me unspoiled From across that lonesome ocean</p>	<p>Oh, but I just thought you might want something fine Made of Em C G silver or of golden Em C G Either from the mountains of Madrid or from the Em coast of Barcelona</p> <p>Oh, but if I had the stars from the darkest night And the diamonds from the deepest ocean I'd forsake them all for your sweet kiss For that's all I'm wishin' to be ownin'</p>	<p>That I might be gone a long time And it's only that I'm askin' Is there something I can send you to remember me by To make your time more easy passin'</p> <p>Oh, how can, how can you ask me again It only brings me sorrow The same thing I want from you today I would want again tomorrow</p>
<p>I got a letter on a lonesome day It was from her ship a-sailin' Saying I don't know when I'll be comin' back again It depends on how I'm a-feelin'</p>	<p>Well, if you, my love, must think that-a-way I'm sure your mind is roamin' I'm sure your heart is not with me But with the country to where you're goin'</p>	<p>So take heed, take heed of the western wind Take heed of the stormy weather And yes, there's something you can send back to me Spanish boots of Spanish leather</p>
