 I need a woman 'bout twice my age,
A lady of nobility, gentility and rage
Splendor in the dark, lightning on the draw,
Go through the book and break each and every law
I got a feeling and it won't go away, oh no
Just one thing then I'll be ok, I need a miracle every day.

I need a woman 'bout twice my height,
Statuesque, raven-dressed, a goddess of the night.
Secret incantations, candle burning blue,
We'll consult the spirits maybe they'll know what to do.
And it's real and it won't go away, oh no
I can't run around and I can't run away, I need a miracle every day.

Solo

I need a woman 'bout twice my weight,
A ton of fun who packs a gun with all her other freight
Find her in a sideshow leave her in L.A.,
Ride her like a surfer running on a tidal wave.
And it's real, believe what I say, yeah
Just one thing I got to say "I need a miracle every day."

It takes dynamite to get me up,
Too much of everything is just enough
One more thing I just got to say,
"I need a miracle every day"
