The dew is hanging diamonds on the clover The moon is list'n'ing to the nightingale And

while we're lost in dreams the world around us seems like a Lou'siana Fairy Tale

The wind is softly singing thru the willows As hand in hand we stroll along the trail And

love is at its height enchanting us tonight Like a Lou'siana Fairy Tale

Could this be real, this fascination? Are my dreams holding you fast? Are we here on a plantation or could this be heaven at last?

**Verse 3** Keep dreaming with your head upon my shoulder and Don't awake until the stars grow pale The world is at our feet the picture is complete Like a Lou'siana Fairy Tale
