E Emaj7

I've seen love go by my door

Α

It's never been this close before

E Emaj7

Never been so easy or so slow. I've been

E Emaj7

shooting in the dark too long

A

When somethin's not right it's wrong

 $E B E \dots$

You're gonna make me lonesome when you go.

Dragon clouds so high above

I've only known careless love

It's always hit me from below

This time around it's more correct

Right on target so direct

Yer gonna make me lonesome when you go.

Purple clover Queen Anne lace

Crimson hair across your face

You could make me cry if you don't know

Can't remember what I was thinking of

You might be spoiling me too much love

Yer gonna make me lonesome when you go.

A6

Flowers on the hillside, bloomin' crazy,

6 I

Crickets talkin' back and forth in rhyme,

F#

Blue river runnin' slow and lazy,

Α

I could stay with you forever

В

And never realize the time.

Situations have ended sad
Relationship have all been bad
Mine've been like Verlaine's and Rimbaud
But there's no way I can compare
All those scenes to this affair
Yer gonna make me lonesome when you go.

F

Yer gonna make me wonder what I'm doing

6

Staying far behind without you

F# F#/E F# F#/E

Yer gonna make me wonder what I'm saying

A

Yer gonna make me give myself a good talking to.

I'll look for you in old Honolulu

San Francisco, Ashtabula

Yer gonna have to leave me now I know

But I'll see you in the sky above

In the tall grass in the ones I love

Yer gonna make me lonesome when you go.
