You're not the only oyster in the stew	
G Gdim7 D7 C#7/D7	There's seven million people in New York,
Not the only tea leaf in the tea	Fifty million Frenchmen in Paree,
D9 D7	Not to mention such
However, I'm con-vinced,	as English, Irish, Italians, and Dutch,
G F#7 F7 E7	But you're the only one for me!
completely, fully, firmly con-vinced	
A D7 G	Seven million people in New York,
You're the only one for me!	Fifty million Frenchmen in Paree,
Tours use only one for sale.	Not to mention English, Irish, Dutch,
You're not the only wriggle in the brew,	You're the only one for me!
You're not the only apple on the tree,	
Still in all the facts, perfectly logical positive facts,	
You're the only one for me!	
C C#dim7 Dm7 G7	
So well sup-plied, the very things I seek,	
Oh, mercy, baby,	[Spoken]
C C#dim7 Dm7 G7	Look here, babe!
your smile is refreshing,	Huh!
kisses so unique;	You're not the only oyster in the stew!
D# Edim7 Fm7 B	Look out, now!
When I'm around you, I'm sus-ceptible and weak,
