Each Unit Owner shall be responsible for the cost of keeping his Limited Common Elements in a clean and orderly condition. Notwithstanding the obligation of the Unit Owners for maintenance, repair and replacement of their Units, the proceeds of all insurance awards or payments under insurance carried by the Association for loss or damage to or within Units shall be applied against repairs and replacements to the extent that such award or payments exceed the deductible provisions of such insurance. If a Unit Owner fails to perform promptly his responsibilities of repair, maintenance and replacement, the Association shall be entitled to seek all remedies available at law, including the right to take legal action to require the Unit Owner to perform the responsibilities. The Association, in addition, shall have the irrevocable right of access to each Unit during reasonable hours, when necessary for the maintenance, repair, or replacement of any Common Elements or of any portion of a Unit to be maintained by the Association pursuant to the Declaration or as necessary to prevent damage to the Common Elements or to a Unit or Units.

B. Owners Association's Responsibility. The Owners Association shall be responsible for and shall assess against and collect from the Owners of all Units in the Condominium the costs of maintaining, repairing, replacing and keeping in clean and orderly condition all of the Common Elements provided, however, that each Unit Owner shall keep his own patio or balcony clean and orderly. The Owners Association shall, at the expense of the Owners of all Units in the Condominium, repair any and all incidental damage to Units resulting from maintenance, repairs and/or replacement of or to Common Elements. The Owners Association shall be responsible for repairing and replacing all Limited Common Elements and shall assess against and collect from the Owner of all Units in the Condominium, the cost of such repair and replacement. The Owners Association shall have a reasonable right of entry into any Unit for the purpose of maintenance, repair or replacement of any Common Elements or any portion of the Unit to be maintained by the Owners Association or as necessary to prevent damage to the Common Elements or to a Unit or Units. The Owners Association shall have the right to grant permits, easements, and licenses over the Common Elements for the proper maintenance or operation of the Condominium. The Owners Association shall be responsible for the maintenance, operation and repair of the Surface Water or Stormwater Management System. Maintenance of the Surface Water or Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted or, if modified, as approved by the St. Johns River Water Management District. The Owners Association shall have a perpetual non-exclusive easement over all areas of the Surface Water or Stormwater Management System for access to operate, maintain or repair the system. By this easement, the Owners Association shall have the right to enter upon any portion of any lot which is a part of the Surface Water or Stormwater Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Surface Water or Stormwater Management System as required by the St. Johns River Water Management District permit. Additionally, the Owners Association shall have a perpetual nonexclusive easement for drainage over the entire Surface Water or Stormwater Management System. No person shall alter the drainage flow of the Surface Water or Stormwater Management System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

C. Maintenance and Repair Necessitated by Negligence of Unit Owners. A Unit Owner shall be responsible for the expense of any maintenance, repair or replacement rendered necessary by the act, neglect or carelessness of such Unit Owner or his guests, employees, agents, lessees or other invitees, but only to the extent that such expense is not met by proceeds of insurance carried by the Association. In addition, the Association shall have all rights and remedies set forth in Section A of this Article XII.

D. Association Right to Perform Remedial Maintenance. The Association shall have the right, but not the obligation to perform remedial and continuing maintenance to Units, the Limited Common Elements and other areas which are the responsibility of the Unit Owner where it has been determined by the Association that the Unit Owner having responsibility for the maintenance of the subject property has failed to properly maintain same in good condition as determined by the Association in its sole discretion. In such event, the Association shall provide written notice to the Unit Owner indicating the failure of maintenance and requesting that such failure be remedied and abated within ten (10) days thereafter. If such failure is not remedied and abated within said time period, in addition to the rights and remedies of the Association set forth in Section A of this Article XII, the Association shall have the right, but not the obligation to perform said maintenance and charge the Unit Owner for the cost of such maintenance and repair performed by the Association, or its designees.

XIII. INSURANCE.

Insurance shall be carried and kept in force at all times in accordance with the following provisions:

A. Duty and Authority to Obtain. The Owners Association shall obtain and keep in force at all times the insurance coverage which it is required hereby to carry and may obtain and keep in force all of such other or additional insurance coverage as it is authorized hereby to carry. All insurance obtained by the Owners Association shall be purchased for the benefit of the Owners Association and the Unit Owners and their Mortgagees and all policies of insurance shall be deposited with and held by the "Insurance Trustee" (as hereinafter described). A certificate evidencing a Mortgagee endorsement shall be issued to the Mortgagee of each Unit. The Owner of each Unit may, at the expense of such Owner, obtain insurance coverage against damage to and loss of the contents of the Unit, including wall coverings, floor coverings and ceiling coverings, personal liability for injury to and death of persons and damage to and loss of personal property of others, and against additional living expenses, provided, that each policy of such insurance purchased by a Unit Owner shall, where such provision is available, provide that the insurer waives its right of subrogation as to any claim or claims against other Unit Owners, the Owners Association, and their respective employees, agents, guests and invitees.

B. Required Coverage. The Owners Association shall purchase and carry casualty insurance covering all of the buildings and other improvements of the Condominium, including, without limitation, Units and Common Elements, in an amount equal to the maximum insurance replacement value thereof, exclusive of excavation and foundation costs, as determined annually by the Board of Directors of the Owners Association; such insurance to include or afford protection against:

- (1) Loss or damage by fire or other hazards covered by standard extended coverage or for other perils by endorsements;
- (2) Such other risks of a similar or dissimilar nature as are or shall be customarily covered with respect to buildings and other improvements similar in construction, location, and use to the buildings and other improvements of the Condominium, including, without limitation, vandalism, malicious mischief, windstorm, water damage, and war risk insurance, if available. The insurance obtained pursuant to this subsection will not provide insurance coverage for wall, floor and ceiling coverings within a Unit.
- (3) Comprehensive general liability insurance in the amount of \$1,000,000 for personal injury and \$500,000 for property damage and an umbrella policy of \$1,000,000.00 for both, insuring the Owners Association, the Board of Directors, any management firm, at the discretion of the Board of Directors, and each Unit Owner for claims arising out of or in connection with the ownership, operation or maintenance of any of the Condominium Property. This coverage shall exclude Unit Owner liability coverage for claims arising in connection with that portion of the property used and occupied exclusively by a particular Unit Owner. Such comprehensive general liability insurance shall also cover cross liability claims of one insured against the other and water damage and fire legal liability coverage. The Board of Directors shall review such limits once a year.
- (4) Workmen's Compensation insurance to meet the requirements of law;
- (5) Loss or damage by flood, to the extent, if any, required or necessitated by law, including, without limitation, the Flood Disaster Protection Act of 1973, or any similar law or regulation; and
- (6) Adequate fidelity bonding of all persons who control or disburse funds of the Owners Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Owners Association or its management at any one time. As used in this section, the term "persons who control or disburse funds of the Association"

includes, but is not limited to, those individuals authorized to sign checks, and the president, secretary, and treasurer of the Association. The Owners Association shall bear the cost of bonding.

C. Optional Coverage. The Owners Association may purchase and carry such other insurance coverage, other than title insurance, as the Board of Directors of the Owners Association, in its sole discretion, may determine from time to time to be in the best interests of the Owners Association and Unit Owners, including Directors' liability insurance coverage, or as an institutional Mortgagee may reasonably require while it holds a mortgage encumbering any Unit.

D. Premiums. Premiums for all insurance obtained and purchased by the Owners Association shall be paid by the Owners Association. The cost of insurance premiums, and other incidental expenses incurred by this Owners Association in administering and carrying out the provisions of this Article, shall be assessed against and collected from Unit Owners as Common Expenses.

E. Additional Provisions. Any policy obtained by the Owners Association must provide for the following, if available:

- (1) Recognition of any Insurance Trust Agreements.
- (2) Waiver of the right of subrogation against Unit Owners individually.
- (3) The insurance will not be prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Owners collectively.
- (4) The policy shall be primary in the event that the Unit Owner has other insurance covering the same loss.
- (5) The policy may not be canceled or substantially modified without at least sixty (60) days prior written notice to the Owners Association and each holder of a first mortgage which is listed as a scheduled holder of a first mortgage in the insurance policy.

F. Assured. All policies of insurance obtained and purchased by the Owners Association shall be for the benefit of the Owners Association, its members and their Mortgagees, as their interests may appear. All proceeds of insurance policies purchased by the Owners Association shall be payable to the Owners Association. The proceeds from insurance against any casualty loss shall be held for the use of the Owners Association, its members and their respective Mortgagees, as their interests may appear, to be applied or distributed in the manner herein provided. The Owners Association is hereby constituted and appointed agent for all Unit Owners, with authority to negotiate and settle the value and extent of any and all losses covered under any policy of casualty insurance, and the Owners Association is granted full right and authority to execute, in favor of any insurer, a release of liability arising out of any occurrence covered by any policy or policies of casualty insurance and resulting in loss of or damage to insured property.

G. Insurer. All persons beneficially interested in the insurance coverage obtained, purchased and maintained by the Owners Association shall be bound by the Owners Association's selection of its insurer(s) and the amount of insurance coverage carried and kept in force by the Owners Association.

H. Insurance Trustee. The Owners Association shall have the right, but not the obligation to designate the Insurance Trustee and all persons beneficially interested in such insurance coverage shall be bound by the Owners Association's selection of the Insurance Trustee. If the Owners Association fails or elects not to appoint such Insurance Trustee, the Owners Association will perform all obligations imposed upon such Trustee by this Declaration.

The Insurance Trustee shall be either a bank with trust powers, doing business in the State of Florida, the Board of Directors of the Owners Association or an attorney who is a member of the Florida Bar. The Insurance Trustee, if a bank or attorney, shall not be liable for the payment of premiums, the renewal of any policy or policies of casualty insurance, the sufficiency of coverage, the form or content of policies, nor for the failure to collect any insurance proceeds. The duties of the Insurance Trustee, if a bank or attorney, shall be to hold such insurance policies as may be placed with it pursuant to this Article XIII, Section H and to receive such proceeds of casualty insurance as are paid and to hold the same in trust for the purposes herein stated, and for the benefit of the Owners Association, Unit Owners and their respective mortgagees, to be disbursed as herein provided. The Owners Association shall pay a reasonable fee to the Insurance Trustee, if a bank or attorney, for services rendered hereunder and shall pay such costs and expenses as the Insurance Trustee may incur in the performance of its duties hereunder, such fees and costs to be assessed against and collected from Unit Owners as a Common Expense. The Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then only for such money as may come into the possession of the Insurance Trustee. If and when the Insurance Trustee is required to distribute insurance proceeds to Unit Owners and their mortgagees, as their respective interests may appear, the Insurance Trustee, if a bank or attorney, may rely upon a certificate of the President and Secretary of the Owners Association, executed under oath and provided to the Insurance Trustee upon request to the Owners Association, such certificate to certify the name or names of the Owners of each Unit, the mortgagee(s) thereof, and the respective percentages of any distribution which is to be made to the Unit Owner(s) and mortgagee(s), as their

respective interests may appear. If and when insurance proceeds are paid to the Insurance Trustee for any casualty loss, the holder(s) of any Mortgage or Mortgages encumbering a Unit shall not have the right to determine or participate in the determination of repair or replacement of any loss or damage, and shall not have the right to elect to apply insurance proceeds to the reduction of indebtedness secured by such Mortgage(s), unless the insurance proceeds represent a distribution to the Unit Owners and the mortgagee(s) thereof, after such insurance proceeds have been first applied to repair, replacement or reconstruction of any loss or damage, or unless such casualty insurance proceeds are authorized to be distributed to the Owner(s) of the Unit, and the mortgagee(s) thereof by reason of loss of or damage to personal property constituting a part of the Common Elements and as to which a determination is made not to repair, replace or restore such personal property.

I. Application of Insurance Proceeds. The proceeds of casualty insurance paid to the Insurance Trustee shall be applied and paid as follows:

- (1) **Common Elements Only.** The proceeds paid to the Insurance Trustee for loss of or damage to real property or improvements constituting Common Elements only shall be applied to the repair, replacement or reconstruction of such loss or damage. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements, the excess shall be paid by the Insurance Trustee to the Owners of all Units, and their respective Mortgagees, as their interests may appear, in shares equal to each Unit Owners' percentage interest in the Common Elements. If the insurance proceeds shall be insufficient to pay the cost of the repair, replacement or reconstruction of such Common Elements, the Owners Association shall deposit with the Insurance Trustee, from any Owners Association Reserve Fund which may have been established for such Common Element repair or replacement, the difference between the total cost of repairing, replacing or reconstructing such loss or damage to the Common Elements and the amount of the insurance proceeds. If no such Owners Association Reserve Fund has been established, or if any such Owners Association Reserve Fund has been established and is insufficient to pay said difference, the Owners Association shall assess the amount of the difference against, and collect it from, all Unit Owners, as a Common Expense.
- (2) **Units.** The proceeds paid to the Insurance Trustee for loss of or damage to a building, constituting Common Elements, and one or more Units thereof only, shall be first applied to the repair, replacement or reconstruction of Common Elements, then to the repair, replacement or reconstruction of any Unit or Units in such building which have been destroyed or damaged. If such insurance proceeds exceed the cost of the repair, replacement or reconstruction of such Common Elements and Units, the excess shall be paid by the Insurance Trustee to all Unit Owners and their respective Mortgagees, as their interests may appear, in shares equal to each Unit Owner's percentage interest in the Common Elements. If the insurance proceeds shall be insufficient to pay for the repair, replacement or reconstruction of the Common Elements and all Units which have been damaged or destroyed, the Owners Association shall assess the amount of the difference against, and collect it from all Unit Owners, as a Common Expense and deposit such sum with the Insurance Trustee to be applied by the Insurance Trustee toward the total cost of repairing, replacing or reconstructing all of such damaged or destroyed Common Elements and Units. If and when insurance proceeds are paid to the Owners Association for any casualty loss, the holder(s) of any mortgage or mortgages encumbering a Unit shall not have the right to determine or participate in the determination of repair or replacement of any loss or damage and shall not have the right to elect to apply insurance proceeds to the reduction of indebtedness secured by such mortgage(s), unless the insurance proceeds represent a distribution to the Owner(s) of the Unit and the Mortgagee(s) thereof, after such insurance proceeds have been first applied to repair, replacement or reconstruction of any loss or damage, or unless such casualty insurance proceeds are authorized to be distributed to the Owner(s) of the Unit, and the Mortgagee(s) thereof by reason of loss of or damage to personal property constituting a part of the Common Elements and as to which a determination is made not to repair, replace or restore such personal property.

J. Deposit to Insurance Trustee After Damage. Within sixty (60) days after a loss of or damage to Condominium Property covered by casualty insurance, the Owners Association shall obtain estimates of the cost of repairing, replacing or restoring the same, including the cost of professional fees and any construction bond which the Board of Directors may require. If, from such estimates, it shall appear that the insurance proceeds payable for such loss or damage will be insufficient to pay the total costs thereof, the additional money required to pay the total cost thereof, whether it is to be paid by one or more Unit Owners, shall be deposited with the Insurance Trustee not later than thirty (30) days from (i) the day on which the Insurance Trustee receives the insurance proceeds or (ii) the date of receipt of cost estimates for repair or replacement, whichever last occurs.

XIV. RECONSTRUCTION OR REPAIR AFTER CASUALTY.

Whether, and the manner in which, any or all of the Condominium Property which shall be damaged or destroyed by casualty shall be repaired, reconstructed or replaced shall be determined as follows:

A. Condominium Building.

- (1) **Substantial Destruction of the Building.** If seventy-five (75%) percent or more of the Units within the Condominium are totally destroyed, neither the Building nor any of the improvements comprising Common Elements shall be reconstructed, and the Condominium shall be terminated, unless seventy-five percent (75%) of the Owners of Units agree in writing, within sixty (60) days after the date of such destruction, to reconstruct the same and/or unless any policy or policies of casualty insurance covering the same shall require reconstruction thereof as a condition precedent to the payment of proceeds thereunder, and in either case as long as the then applicable zoning and other regulatory laws and ordinances shall allow the same to be reconstructed.
- (2) **Partial Destruction to the Building.** If less than seventy-five (75%) percent of the Units within the Condominium are wholly or partially damaged and twenty-five (25%) percent of the Units remain habitable, the damaged or destroyed Common Elements and/or Units shall be repaired or reconstructed so that the Building and/or Unit(s) shall be restored to substantially the same condition as existed prior to such damage or destruction, unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere herein provided that the Condominium shall be terminated.

B. Common Elements. Damaged or destroyed improvements constituting part of the Common Elements shall be repaired, reconstructed and/or replaced unless the Condominium is terminated by virtue of substantial destruction to the Units occurring simultaneously therewith, or, by agreement in accordance with this Declaration after partial destruction to the Units.

C. Responsibility. If the damage or destruction shall be limited only to one or more Units for which the responsibility of maintenance, repair and replacement is that of the affected Unit Owners, then such Unit Owners shall be responsible for carrying out the repair or reconstruction thereof. In all other instances of damage or destruction, the Owners Association shall be responsible for carrying out the repair and reconstruction thereof.

D. Plans and Specifications. Repair or reconstruction of Condominium Property shall be substantially in accordance with the plans and specifications pursuant to which the same was originally constructed, provided that the Board of Directors of the Owners Association may authorize reasonable variations from the original plans and specifications as may appear to them to be necessary or desirable.

E. Certificate. The Insurance Trustee may rely upon a certificate executed by the President and Secretary of the Owners Association to determine whether or not damage or destroyed Condominium Property shall be repaired or reconstructed.

F. Construction Funds. All funds for the payment of repair and reconstruction costs, consisting of insurance proceeds and/or funds collected by the Owners Association from Unit Owners, shall be disbursed toward payment of such costs in the following manner:

- (1) **Owners Association.** If the total funds assessed against and collected from Unit Owners by the Owners Association for payment of repair and reconstruction costs is more than \$100,000.00, then all such sums shall be deposited by the Owners Association with and disbursed by the Insurance Trustee. In all other cases the Owners Association shall hold such sums so assessed and collected and shall disburse the same in payment of the costs of reconstruction and repair.
- (2) **Insurance Trustee.** The proceeds of insurance collected on account of a casualty, and the sums assessed against and collected from Unit Owners by the Owners Association and deposited with the Insurance Trustee shall constitute a construction fund which shall be disbursed in payment of the costs of repair and reconstruction in the following manner:
 - (a) **Unit Owner.** The portion of insurance proceeds representing damage for which the responsibility of repair and reconstruction is upon one or more, but less than all Unit Owners, shall be paid by the Owners Association to the affected Unit Owners and, if any of such Units are mortgaged, to the Unit Owners and their Mortgagees jointly.
 - (b) **Owners Association — Lesser Damage.** If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Owners Association is less than One Hundred Thousand and No/100 Dollars (\$100,000.00), then the Construction fund shall be disbursed in payment of such costs upon the order of the Owners Association; provided, however, that upon request to the Insurance Trustee by a Mortgagee which is a beneficiary of an insurance policy the proceeds of which are included in the Construction fund, such fund shall be disbursed in the manner hereafter provided for the reconstruction and repair of major damage.

- (c) **Owners Association — Major Damage.** If the amount of the estimated costs of reconstruction and repair which is the responsibility of the Owners Association is more than One Hundred Thousand and No/100 Dollars (\$100,000.00), then the construction fund shall be disbursed by the Insurance Trustee in payment of such costs in the manner required by the Board of Directors of the Owners Association and upon approval of an architect registered to practice in Florida and employed by the Owners Association to supervise the work.
- (d) **Surplus.** It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in the construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere herein stated; except, however, that the part of a distribution to a beneficial owner which is not in excess of assessment paid by such owner into the construction fund shall not be made payable to any Mortgagee.
- (e) **Certificate.** Notwithstanding the provisions herein, the Insurance Trustee, if a bank or attorney, shall not be required to determine whether or not assessments paid by Unit Owners shall be deposited by the Owners Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be upon the order of the Owners Association or upon approval of an architect or otherwise, nor whether a disbursement is to be made from the construction fund nor to determine whether surplus funds to be distributed are less than the assessments paid by Owners. Instead, the Insurance Trustee may rely upon a certificate of the Owners Association made by its President and Secretary as to any or all of such matters and stating that the sums to be paid are due and properly payable and stating the name of the payee and the amount to be paid, provided that when a mortgagee is herein required to be named as payee the Insurance Trustee shall also name the mortgagee as payee; and further provided that when the Owners Association, or a mortgagee which is the beneficiary of an insurance policy the proceeds of which are included in the construction fund, so requires, the approval of an architect named by the Owners Association shall be first obtained by the Owners Association.

XV. USE RESTRICTIONS.

Use of the Condominium Property shall be in accordance with and subject to the following provisions so long as the Condominium exists:

A. Units. Each of the Units shall be occupied only by a single family, its servants and guests or lessees, as a residence and for no other purposes. Except as the right to divide and subdivide is permitted under Article XXI of this Declaration, no Unit may be divided or subdivided into a smaller Unit, nor any portion thereof sold or otherwise transferred.

B. Common Elements. The Common Elements and Limited Common Elements shall be used only for the purposes for which they are intended in the furnishing of services and facilities for the enjoyment of the Units.

C. Nuisances. No immoral, noxious, offensive or unlawful activity shall be carried on within the Condominium Property nor shall anything be done therein or thereon which may be or become an annoyance to Unit Owners, their guests or invitees. No nuisance shall be permitted within the Condominium Property nor shall any use or practice be permitted which is or becomes a source of annoyance to Unit Owners or which interferes with the peaceful use and possession thereof by the Unit Owners. Additionally, nothing shall be done or maintained on any Unit, or upon any Common Elements or Limited Common Elements, which will increase the rate of insurance on any Unit, or the Common Elements, Limited Common Elements or other portions of the Condominium Property, or result in the cancellation thereof. Nothing shall be done or maintained in any Unit, upon the Common Elements or Limited Common Elements, which will be in violation of any law, ordinance, statute, regulation, or rule of any governmental authority having jurisdiction over the Condominium Property or portion thereof or in violation of any provision of this Declaration, the Articles or Bylaws as they may be amended from time to time or in violation of any rules and regulations which may be promulgated by the Board of Directors of the Association from time to time, as elsewhere provided herein. No waste shall be committed in any Unit, the Common Elements, the Limited Common Elements or any other portion of the Condominium Property.

Notwithstanding the foregoing, each Unit Owner hereby acknowledges that all activities undertaken by Developer, Developer's affiliates, their respective lessees, licensees and designees shall be deemed as not constituting a nuisance and such activities and the parties performing them shall be specifically exempted from this provision.

D. Leasing. Entire Units, but not less than entire Units, may be leased for minimum term of one (1) month; provided occupancy is only by the tenant and his family, servants and guests. The form of lease is subject to approval by the Association. The Unit Owner and the tenant will be jointly and severally liable to the Association for any damage to Condominium Property and to pay any claim for injury or damage to property caused by the negligence of the tenant.

E. Parking.

- (1) Parking areas are solely for those vehicles authorized by the Declaration and the rules and regulations of the Association, as promulgated and amended from time to time. No vehicle prohibited by any of the aforementioned rules and regulations shall be permitted to be parked or stored at any place on the Condominium Property. No vehicle which cannot operate on its own power shall be permitted to remain on the Condominium Property for more than twenty-four (24) hours.
- (2) No vehicle maintenance or repairs shall be performed on the Condominium Property, except for emergency repairs.
- (3) Vehicles shall only be washed in designated vehicle wash areas, if any.

F. Antennae. No aerial or antenna or satellite dish or disc shall be erected or maintained on or about the exterior of any Unit, without the express written consent of the Developer or the Association.

G. No Signs. No signs of any kind shall be exhibited in any way on the Land other than those placed or erected by the Developer or its successor, or which have been approved, in writing, by the Developer, or by the Owners Association after transfer of control of the Condominium to the Unit Owners as provided in the Articles of Incorporation of the Owners Association.

H. Use of Units. No Unit may be used for commercial purposes, except that, until all Units have been conveyed by Developer, Developer reserves the right to use a Unit as a model and/or sales office.

I. Balconies/Terraces. No carpeting shall be permitted on balconies or terraces and nothing shall be placed on balcony railings. Any screen enclosures shall be of uniform design and subject to the prior approval of the Owners Association.

J. Pets. No pets shall be permitted to reside in any Unit or allowed on the Condominium Property except by prior written consent of the Board of Directors of the Association. No Unit Owner shall have more than two (2) pets in any Unit. Owners maintaining pets on the Condominium Property, or whose guests, lessees or invitees bring any animal upon the Condominium Property, shall be responsible for, and bear the expense of, any damage to persons or property resulting therefrom.

K. Regulations. Reasonable regulations concerning the use of the Condominium Property may be made and amended from time to time by the Board; provided, however, that all such regulations and amendments thereto may be changed or revoked by two-thirds of the Unit Owners, who are present at any meeting at which a quorum exists. The Board shall have the power to grant variances to the rules and regulations from time to time. Copies of such regulations and amendments thereto shall be furnished by the Association to all Unit Owners and residents of the Condominium upon request.

L. Rights of the Developer. Until Developer has completed and sold all of the Units, neither the Unit Owners nor the Owners Association nor the use of the Condominium Property shall interfere with the completion of the proposed improvements and the sale of the Units. Developer may make such use of the unsold Units and common elements as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, the showing of the Land, and the display of signs, provided such rights shall not be exercised in an unreasonable manner; and further provided, that Developer retains the right, so long as it holds fee simple title to any Unit in the Condominium, to establish a plan for leasing any Unit or Units in the Condominium, whether such Unit or Units be owned by it or not which Unit Owners could elect to participate in, at their option, and thereafter to administer such plan for voluntarily participating Unit Owners on such terms as Developer may provide. Notwithstanding the foregoing, the Developer does not reserve the right to sell Units subject to any such lease.

M. Additional Use Restrictions. The use of each Unit shall be further subject to those certain use restrictions contained in the Master Declaration.

XVI. COMPLIANCE AND DEFAULT.

Each Unit Owner shall be governed by and shall comply with the terms of the Declaration of Condominium, the Articles of Incorporation and Bylaws of the Owners Association and Master Association and any and all regulations adopted pursuant thereto, as they may be amended from time to time. Copies of each of these documents, and all other relevant Owners Association documents shall be retained for inspection at the office of the Owners Association, or at such other place in Volusia County, Florida, as Developer may designate from time to

time. Failure of the Unit Owner to comply therewith shall entitle the Owners Association or other Unit Owners to the following relief in addition to the remedies provided by the Condominium Act:

A. Right to Enforce. The Owners Association shall have the primary right to enforce the covenants contained herein, in the Master Declaration and the Rules and Regulations, including the right to impose fines as are authorized by said Rules and Regulations. The right to enforce the covenants contained in herein and in the Master Declaration, Rules and Regulations and the Rules and Regulations of the Master Association shall not preclude enforcement by the Master Association.

B. Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or by that of any member of his family or his or their guests, employees, agents, lessees or other invitees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association.

C. Costs and Attorney's Fees. In any proceeding arising because of an alleged failure of a Unit Owner to comply with the terms of the Declaration, the Articles of Incorporation and Bylaws of the Association, and any and all regulations adopted pursuant thereto, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be awarded by the Court.

D. No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation and Bylaws of the Association, the Covenants, or the regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

XVII. ASSESSMENTS: LIABILITY, LIEN AND ENFORCEMENT.

To provide the funds necessary for proper operation and management of the Condominium, the Owners Association has been granted the right to make, levy and collect assessments against the Owners of all Units. The following provisions shall govern the making, levying and collecting of such assessments; the payment of the costs and expenses of operating and managing the Condominium and the property owned by the Owners Association.

A. Determination of Assessments. Each Unit Owner shall pay to the Owners Association the percentage share of the total assessments as deemed necessary by the Board of Directors for the operation of the Condominium Property and the Common Elements.

B. Time for Payment. The assessment levied against the Owner of each Unit and his Unit shall be payable monthly on the first day of each calendar month or in a manner as shall from time to time be fixed by the Board as permitted by the Condominium Act.

C. Annual Budget of Association.

- (1) **In General.** Subject to the requirements of the Condominium Act and the Bylaws, the Board shall establish an Annual Budget in advance for each fiscal year which shall estimate all expenses for the forthcoming fiscal year required for the proper operation, management and maintenance of the Condominium, including, when deemed necessary or advisable by the Board, a reasonable allowance for contingencies and reserves and shall estimate all income to be collected during the year. The Annual Budget shall also include funds to be used for the maintenance and repair of the Surface Water or Stormwater Management System including but not limited to work within retention areas, drainage structures and drainage easements. Upon adoption of each annual budget by the Board, copies thereof shall be delivered to each Unit Owner, and the assessment for the year shall be based upon such budget. Failure to deliver a copy of the budget to a Unit Owner shall, however, not affect the liability of such Owner for such assessment. Should the Board at any time determine, in the sole discretion of the Board, that the assessments levied are or may prove to be insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board shall have the authority to levy such additional assessment or assessments as it shall deem to be necessary.

D. Reserve Fund. The Board, in establishing each Annual Budget, shall include therein a sum to be collected and maintained as a reserve fund for the capital expenditures, deferred maintenance and replacement of Common Elements and personal property held for the joint use and benefit of the Owners of all Units. Capital expenditures payable from this reserve account shall include, but not be limited to, roof replacement, building painting, and pavement resurfacing, if applicable. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost of each reserve item.

E. Use of Owners Association Funds. All monies collected by the Association, shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles, and Bylaws. Although all funds and other assets of the Association, and any increments thereto or profits derived therefrom, or from the leasing or use of Common

Elements, including, without limitation, Common Surplus, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Unit.

F. Delinquency or Default. The payment of any assessment or installment thereof due to the Owners Association, shall be in default if not paid to the Owners Association on or before the due date thereof. When in default, the delinquent assessments or installments thereof shall bear interest at the highest rate allowed by law until the same, and all interest due thereon, has been paid in full. A late charge may be assessed in such amounts as may be determined from time to time by the Board.

G. Personal Liability of Unit Owner. The Owner(s) of each Unit shall be personally liable, jointly and severally, as the case may be, to the Owners Association for the payment of all assessments, whether the assessment be regular or special; interest and late charges on such delinquent assessments or installments thereof as above provided; and for all cost of collecting the assessments and interest thereon, including reasonable attorney's fees, whether suit be brought or not, levied or otherwise coming due while such person(s) or entity own(s) a Unit.

H. Liability Not Subject to Waiver. No Owner of a Unit may exempt himself from liability for any assessment levied against such Owner and his Unit by waiver of the use or enjoyment of any of the Common Elements, or by abandonment of the Unit, or in any other manner.

I. Lien for Assessment. The Association is hereby granted a lien upon each Unit and its appurtenant undivided interest in Common Elements or Limited Common Elements which lien shall and does secure the monies due for all: (1) assessments levied against the Owner(s) of and each Unit, and (2) interest, if any, which may become due on delinquent assessments owing to the Owners Association, and (3) costs and expenses, including a reasonable attorney's fee, which may be incurred by the Owners Association in enforcing its lien upon the Unit and its appurtenances, including those which may accrue subsequent to the recording of the claim of lien and prior to the entry of a final judgment of foreclosure (4) any and all late fees incurred and unpaid. The lien granted to the Owners Association may be established and foreclosed in the Circuit Court in and for Volusia County, Florida, and in any suit for the foreclosure of said lien, upon approval by the Court, the Owners Association shall be entitled to rental from the Owner of any Unit from the date on which the payment of any assessment or installment thereof became delinquent and shall be entitled to the appointment of a Receiver for said Unit. If the Court requires payment of rent, it is agreed that the rental required to be paid shall be equal to the rental charged on comparable types of Units in Volusia County, Florida.

J. Recording and Priority of Lien. The claim of lien of the Owners Association shall be effective from and relate back to the date of recording of this Declaration, except as to first mortgages of record, in which event the claim of lien shall be effective from and after recording, in the Public Records of Volusia County, Florida, a claim of lien stating the description of the Unit encumbered thereby, the name of the record Owner, the amount and the date when due. All claims of lien shall continue in effect for a period of one (1) year from the date of recording unless, prior to the expiration of such one (1) year period, the Association commences foreclosure proceedings. Such claims of lien shall include assessments which are due and payable when the claim of lien is recorded and assessments coming due subsequent to the date of recording said claim of lien, plus interest, costs, attorney s fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Owners Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The lien of the Owners Association shall be subordinate to the lien of any first mortgage recorded prior to the claim of lien.

K. Effect of Foreclosure or Judicial Sale. In the event that any person, firm, partnership or corporation shall acquire title to any Unit and its appurtenant undivided interest in Common Elements by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, such person, firm or corporation so acquiring title shall be liable and obligated for assessments or common expense which became due prior to the mortgagee's acquisition of title; however, a first mortgagee's liability for assessments or common expense accruing prior to acquisition of title is limited to assessments or common expenses accruing within a period not exceeding six (6) months prior to acquisition of title and; provided, further, the first mortgagee's liability shall not exceed one percent (1.0%) of the original mortgage debt and; further, that the first mortgagee shall be liable and obligated for assessments and common expenses, as shall accrue and become due and payable for the Unit and its appurtenant undivided interest in Common Elements subsequent to the date of acquisition of such title. In the event of the acquisition of title to a Unit by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessment or assessments as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Owners of all Units as a part of the Common Expense, although nothing herein contained shall be construed as releasing the party personally liable for such delinquent assessment from the payment thereof or the enforcement of collections of such payment by means other than foreclosure.

L. Effect of Voluntary Transfer. When the Owner of any Unit proposes to lease, sell, or mortgage the Unit, the Owners Association, upon written request of the Owner of such Unit, shall furnish to the proposed lessee, purchaser or Mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Owners Association by the Owner of such Unit. Such statement shall be executed by any officer of the Owners Association and any lessee, purchaser or Mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Owners Association shall be bound by such statement. The Owners Association shall have the option of imposing such fees as may be allowed by statute for providing such information.

In the event that a Unit is to be leased, sold, or mortgaged at the time when payment of any assessment against the Owner of the Unit and Unit due to the Owners Association shall be in default (whether or not a claim of lien has been recorded by the Owners Association) then the rent, proceeds of such sale, or mortgage proceeds, as the case may be, shall be applied by the lessee, purchaser, or Mortgagee first to payment of any then delinquent assessment or installment thereof due to the Owners Association before payment of the balance of such rent, proceeds of sale or mortgage to the Owner of the Unit responsible for payment of such delinquent assessment. The party acquiring title shall pay the amount owed to the Owners Association within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle the Owners Association to record a claim of lien against the Unit and proceed in the same manner as provided in this section for the collection of unpaid assessments.

M. Liability for Assessments. In any conveyance of a Unit (except for limitations applying in conveyances in lieu of foreclosure and judicial sale, as provided in subparagraph K of this Article XVII), the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor made prior to the time of such conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Owners Association which shall prevent its thereafter seeking enforcement of the collection of any sums remaining owing to it by foreclosure, nor shall proceeding by foreclosure to attempt to effect such collection be deemed to be an election precluding the institution of suit at law to attempt to effect collection of any sum then remaining owing to it.

XVIII. REGISTRY OF OWNERS AND MORTGAGEES.

The Owners Association shall at all times maintain a Register of the names of the Owners and Mortgagees of all Units. Upon the transfer of title to any Unit, the transferee shall notify the Owners Association in writing of his interest in such Unit together with recording information identifying the instrument by which such transferee acquired his interest in the Unit. The Owner of each Unit encumbered by a mortgage shall notify the Owners Association of the name and address of the Mortgagee, the amount of such mortgage, or mortgages, and the recording information identifying the same. The holder of any mortgages encumbering a Unit may notify the Owners Association of any such mortgage(s), and upon receipt of such notice, the Owners Association shall register in its records all pertinent information pertaining to the same.

XIX. ALTERATIONS OF AND IMPROVEMENTS TO UNITS AND COMMON ELEMENTS.

A. Developer's Rights. No amendment may change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the Unit Owner shares the common expenses of the Condominium, and owns the common surplus of the Condominium unless the Owner of the Unit and all record owners of liens on the Unit join in the execution of the amendment and unless all the record Owners of all other Units in the Condominium approve the amendment.

B. Rights of Unit Owners and Owners Association. Except for the rights of the Developer reserved in Section A of this Article XIX above and except for the right of the Unit Owner to construct the interior finishing of that portion of the Unit which is not visible from the Common Elements, neither a Unit Owner nor the Owners Association shall make any alterations, improvements or additions to Units, Common Elements, Limited Common Elements, or the Condominium Building unless all required approvals, as hereinafter provided, are first obtained.

- (1) **Interior Alterations.** With regard to any alterations, improvements, or additions of any kind or nature, to a Unit or Limited Common Element, which affects or is visible, from the common elements, including, but not limited to, removing, in whole or in part, replacing, rerouting, or otherwise affecting any column, bearing wall or partition, pipe, duct, wire or conduit, or obstructing any easement herein provided for, the Unit Owner shall be required to submit plans for such alteration, improvements or additions to the Owners Association Board for prior approval. The Owners Association Board may request additional information from the Unit Owner prior to issuing its approval or disapproval of the submitted plans. The Owners Association Board shall be required to approve or disapprove the proposed plans within thirty (30) days of submission of the same by the Unit Owner. In the event the Owners Association fails to approve or disapprove said plans within said thirty (30) day period, the Board shall be deemed to have approved the plans.
- (2) **Exterior Alterations.** With regard to any alterations, modification, improvements or additions which shall: (1) remove or change the style, pattern, material, texture or outside color of any door, window, screen, fixture, equipment, or appliance in or on an exterior Unit or building wall, or (2) cover, from the inside or outside, the glass or other transparent and/or translucent material in any exterior door or window with, or apply or affix thereto, any material or substance which shall render the same opaque or change the exterior color thereof, except interior draperies, curtains, shades or shutters, which are lined, backed, covered or painted on the side visible from the exterior with a neutral color material, or (3) affix to or over any exterior door or window, or otherwise install on the exterior, of any Unit or building, any storm or hurricane shutter or awning or any

protective or decorative panel, paneling, trim, enclosure, fixture, or appliance, (4) otherwise change, modify, or alter the exterior of any Unit or building so that it thereby differs in appearance from any other Units or buildings, of the same type, or (5) otherwise affect or be visible from the exterior of the Condominium Building, the Unit Owner or Owners Association, whichever is applicable, shall be required to obtain approval from the Owners Association as more fully set forth below:

- (a) **Owners Association.** The Unit Owner shall be required to submit plans for such alteration, improvements or additions to the Board of Directors of the Owners Association for prior approval. The Owners Association Board may request additional information from the Unit Owner prior to issuing its approval or disapproval of the submitted plans. The Owners Association Board shall be required to approve or disapprove the proposed plans within thirty (30) days of submission of the same by the Unit Owner. In the event the Owners Association fails to approve or disapprove said plans within said thirty (30) day period, the Board shall be deemed to have approved the plans.
- (b) **Hurricane Shutters.** The Owners Association Board shall adopt hurricane shutter specifications for the Condominium which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the Volusia County building code. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board.

In any litigation or other dispute arising out of this Article and if the Owners Association shall be the prevailing party, it shall be entitled to reimbursement of its costs incurred in the litigation or dispute, including, without limitation, reasonable attorneys' fees.

XX. TERMINATION.

The Condominium may be terminated in the following manner in addition to the manner provided by the Condominium Act.

A. Destruction. In the event it is determined in the manner elsewhere herein provided that the improvements shall not be reconstructed because of total destruction or major damage, the Condominium plan of ownership will be thereby terminated without agreement.

B. Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Unit Owners of the Condominium, and by all record owners of mortgages upon Units therein owned by Institutional Mortgagees and other Mortgagees approved by the Owners Association. If the proposed termination is submitted to a meeting of the members of the Owners Association, the notice of which meeting gives notice of the proposed termination, and if the approval of 75% of the Owners of Units, and of the record owners of all mortgages upon Units in the Condominium are obtained not later than thirty (30) days from the date of such meeting, then the approving Owners shall have an option to buy all of the Units of the dissenting Owners for the period ending on the sixtieth (60th) day from the date of such meeting. Such option shall be upon the following terms:

- (1) **Exercise of Option.** The option shall be exercised by delivery or mailing by certified mail to each of the record Owners of the Units to be purchased of an agreement to purchase signed by the record Owners of Units who will participate in the purchase. Such agreement shall indicate which Units will be purchased by each participating Owner and shall agree to purchase all of the Units owned by Owners not approving the termination, but the agreement shall effect a separate contract between each seller and his purchaser.
- (2) **Price.** The sales price for each Unit shall be the fair market value determined by agreement between the seller and purchaser within thirty (30) days from the delivery or mailing of such agreement, and in the absence of agreement as to price, it shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Owners Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Owners Association who shall base their determination upon an average of their appraisals of the Unit; and a judgment of specific performance of the sale upon the award rendered by the arbitrators may be entered in any court of competent jurisdiction. The expense of the arbitration shall be paid by the purchaser.
- (3) **Payment.** The purchase price shall be paid in full in cash or shall include assumption of any existing mortgage financing plus cash.
- (4) **Closing.** The sale shall be closed within ten (10) days following the determination of the sales price.

C. Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Owners Association executed by its President and Secretary certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the Public Records of Volusia County, Florida.

D. Shares of Owners After Termination. After termination of the Condominium the Unit Owners shall own the Condominium Property and all assets of the Owners Association as tenants in Common in undivided shares, and their respective Mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Unit Owners. Such undivided shares of the Unit Owners shall be the same as the undivided shares in the Common Elements appurtenant to the Owner's Units prior to the termination as set forth elsewhere herein.

E. Amendment. Except as to those matters addressed in Sections 718.110(4) and (8), Florida Statutes, amendment to this Declaration must be approved by the Owners of not less than two-thirds of the Units.

XXI. CONDEMNATION.

A. General. Whenever all or any part of the Condominium Property shall be taken by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof and to participate in the proceedings incident thereto unless otherwise prohibited by law. The award made for such taking shall be payable to the Owners Association. Unless otherwise provided by law at the time of such taking, any award made therefor shall be disbursed by the Owners Association, as hereinafter provided in this Article XXI.

B. Units. If the taking includes one or more Units, or any part or parts thereof, whether or not there is included in the taking any part of the Common Elements, then the award shall be disbursed as provided by law. All related matters, including, without limitation, alteration of the percentage shares of undivided interest of the Owners in the Common Elements, shall be handled pursuant to and in accordance with the consent of all Owners (or such lesser number of Owners as may then be prescribed by the Condominium Act for the purpose of altering the percentage shares of undivided interest of the Owners in the Common Elements) expressed in a duly recorded amendment to this Declaration. In the event that such an amendment shall not be recorded within 90 days after such taking, then such taking shall be deemed to be and shall be treated as damage or destruction which shall not be repaired or reconstructed as provided elsewhere herein whereupon the development may be terminated in the manner herein prescribed.

C. Common Elements. If part of the Common Elements is acquired by eminent domain, the award shall be paid to the Owners Association. The Owners Association shall divide any portion of the award not used for any restoration or repair of the remaining Common Elements among the Unit Owners in proportion to their respective Common Element interests before the taking, but the portion of the award attributable to the acquisition of a Limited Common Element shall be equally divided among the Owners of the Units to which that Limited Common Element was allocated at the time of acquisition.

XXII. RIGHTS OF DEVELOPER TO SELL OR LEASE UNITS.

A. Lease. So long as Developer, or any Mortgagee succeeding Developer in title, shall own any Unit, it shall have the absolute right to lease or sell any such Unit to any person, firm or corporation, upon any terms and conditions as it shall deem to be in its own best interests, provided, however, that any such Unit may be leased for minimum term of one (1) month; that occupancy is only by the tenant and his family, servants and guests; and that the form of lease is subject to approval by the Association.

B. Resale. So long as the Developer or its designee maintains a sales office for Developer's unsold Units:

- (1) No Unit Owner shall permit to be erected on his/her Unit any sign advertising any unit or dwelling for sale;
- (2) No Unit Owner may sell or resell any Unit unless he/she shall first offers to sell such Unit to the Developer or its designee at the same price and on the same terms and conditions at which said Unit Owner is willing to sell; and
- (3) Such Unit Owner shall offer to grant the Developer or a licensed broker designated by Developer a six (6) month exclusive brokerage listing for such Unit.

This Paragraph shall not apply to a bank or lending institution sale in foreclosure, arising as a result of and in compliance with the terms or order of the Court by reason of a judgment of foreclosure, but shall apply to any subsequent sale by the successful bidder therein, other than the foreclosing bank or lending institution, which shall not be bound by said restriction on resale.

XXIII. RIGHTS OF MORTGAGEES.

Any Mortgagee of a Condominium Unit who makes a request in writing to the Owners Association for the items provided in this section shall have the following rights:

- (1) To be furnished with at least one (1) copy of the annual financial statement and report of the Owners Association, including a detailed statement of annual carrying charges or income collected and operating expenses, such financial statement and report to be furnished within sixty (60) days following the end of each fiscal year.
- (2) To be given written notice by the Owners Association of the call of a meeting of the membership to be held for the purpose of considering any proposed amendment to this Declaration of Condominium, or the Articles of Incorporation and Bylaws of Owners Association, which notices shall state the nature of the amendment being proposed.
- (3) To be given notice of default by any member owning any Unit encumbered by a mortgage held by such Mortgagee of the Unit Owner's obligations under this Declaration which is not cured within thirty (30) days, such notice to be given in writing and to be sent to the principal office of such Mortgagee or to the place which it or they may designate in writing to the Owners Association.
- (4) To be given an endorsement to the insurance policies covering the Common Elements requiring that such Mortgagee be given any notice of cancellation provided for in such policy.
- (5) Mortgagees shall have the right to examine the books and records of the Owners Association upon reasonable notice during ordinary working hours.

XXIV. MISCELLANEOUS.

**BYLAWS
OF
OCEANS GRAND OWNERS ASSOCIATION, INC.**

A Florida Corporation Not-For-Profit

As amended on November 4, 2013

1. IDENTITY.

1.1 **Applicability.** These are the Bylaws of **OCEANS GRAND OWNERS ASSOCIATION, INC.** (the "Association"), a Florida corporation organized pursuant to the provisions of Chapters 617 and 718, Florida Statutes, as amended, to the date of filing of the Articles of Incorporation (the "Articles"). The purpose and object of the Association shall be to administer the operation and management of Oceans Grand, A Condominium (the "Condominium") to be established in accordance with the Florida Condominium Act, Chapter 718, Florida Statutes ("Act"), upon certain real property in Volusia County, Florida, as set forth in the Articles of Incorporation of the Association. The provisions of these Bylaws are applicable to the Condominium and are subject to the provisions of the Articles. All Members of the Association, as defined in the Articles, and their invitees, including, without limitation, all present or future owners and tenants of Units in the Condominium and other persons using the Condominium or any of the facilities thereof in any manner, are subject to these Bylaws, the Articles and the Declaration.

1.2 **Office.** The office of the Association shall be at 2 Oceans West Boulevard, Daytona Beach Shores, Florida 32118.

1.3 **Fiscal Year.** The fiscal year of the Association shall be the first day of January through the last day of December.

1.4 **Seal.** The seal of the Association shall bear the name of Oceans Grand Owners Association, Inc., the word "Florida", the words "Corporation Not For Profit", and the year of incorporation.

2. MEMBERSHIP, VOTING, QUORUM, PROXIES.

2.1 **Membership.** The qualification of members of the Association (the "Members"), the manner of their admission to membership and termination of such membership, and voting by Members, shall be as set forth in Article IV of the Articles, the provisions of which are incorporated herein by reference.

2.2 **Quorum.** A quorum at meetings of Members shall consist of persons entitled to cast one third (1/3) of the membership entitled to vote upon any matter or matters arising at said meeting.

2.3 Voting.

(a) Each Unit shall be assigned the right to cast one vote at any meeting of Members.

(b) If a Unit is owned by one person, his right to vote shall be established by the record title to his Unit.

(c) If any Unit is owned by more than one person or a partnership, corporation, trust, or any other association or entity, the person entitled to cast the vote for the Unit shall be designated by a certificate signed by all of the record owners of the Unit or by the President, general partner or other chief executive officer of the respective entity and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until ownership of the Unit is changed. A certificate designating the person entitled to cast the vote of a Unit may be revoked by any owner of the Unit. If such a certificate is not on file, the vote of such owners shall not be considered in determining the requirement for a quorum nor for any other purpose.

2.4 Vote Required. Except as otherwise required under the provisions of the Articles, these Bylaws or the Declaration, or where the same otherwise may be required by law, at any meeting of the general membership of the Association, duly called and at which a quorum is present, the acts approved by the affirmative vote of a majority of the votes present at such meeting shall be binding upon the Members.

2.5 Proxies. Except as specifically otherwise provided herein or in the Condominium Act, Unit owners may not vote by general proxy, but may vote by limited proxies substantially conforming to a limited proxy form adopted by the State of Florida Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes (hereinafter referred to as the "Division"). Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes taken to waive or reduce reserves in accordance with Florida Statutes, Section 718.112(2)(f)2; for votes taken to amend the declaration pursuant to Florida Statutes, Section 718.110; for votes taken to amend the articles of incorporation or Bylaws; and for any other matter for which the Act requires or permits a vote of the Unit owners. No proxy, limited or general, shall be used in the election of Board Members. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. Notwithstanding the provisions of this subparagraph, Unit owners may vote in person at Unit owner meetings.

Any proxy given shall be effective only for the specific meeting for which originally given and any lawfully adjourned meetings thereof. All such proxies shall be filed with the Secretary prior to or during the roll call of such meeting. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the Unit owner executing it.

2.6 Unit Owner Written Inquiries. When a Unit owner files a written inquiry by certified mail with the Board of Directors, the Board shall respond in writing to the Unit owner within thirty (30) days of receipt of the inquiry. The Board's response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the State of Florida, Department of Business and Professional Regulation, Division of Florida Condominiums, Timeshares, and Mobile Homes ("Division"). If the Board requests advice from the division, the Board shall, within ten (10) days of its receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days after the receipt of the inquiry, provide in writing a substantive response to the inquiry. The failure to provide a substantive response to the inquiry as provided herein precludes the Board from recovering attorney's fees and costs in any subsequent litigation, administrative procedure, or arbitration arising out of the inquiry. The Association may, through its Board of Directors, adopt reasonable rules and regulations regarding the frequency and manner of responding to Unit owner inquiries, one of which may be that the Association is only obligated to respond to one written inquiry per Unit in any given thirty (30) day period. In such case, any additional inquiry or inquiries must be responded to in the subsequent thirty (30) day period, or periods, as applicable.

3. MEMBERS' MEETINGS.

3.1 Annual Meeting. The annual meeting of the Members shall be held at the office of the Association or such other place in Volusia County, and at such time as may be specified in the notice of the meeting, on the first Monday in November of each year for the purpose of electing Directors and of transacting any other business authorized to be transacted by the Members; provided, however, that if that day is a legal holiday, the meeting shall be held on the next succeeding Monday, or such day as the Directors shall determine and include in the notice of meeting.

3.2 Special Meeting. Special meetings of the entire membership of the Association shall be held whenever called by the President or Vice President or by a majority of the Board of Directors, and must be called by such officers upon receipt of a written request from Members entitled to cast a majority of the votes of the entire membership.

3.3 Notice of Meetings.

(a) **Generally.** Written notice of all meetings of Members shall be given by the Secretary or, in the absence of the Secretary, another officer of the Association, to each member or class of Members, if any, unless waived in writing. Each notice shall state the time and place of and purpose for which the meeting is called and shall include an agenda and shall be mailed or delivered to each Unit owner at least fourteen (14) days prior to the meeting. The Notice shall be posted at a conspicuous place on the Condominium property at least fourteen (14) continuous days preceding the meeting, except in the case of an emergency. Upon notice to the Unit owners, the Board shall by duly adopted rule designate a specific location on the Condominium property upon which all notices of Unit owner meetings shall be posted. Unless a Unit owner waives in writing the right to receive notice of the annual meeting by mail, the notice of the annual meeting shall be sent by mail to each Unit owner. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes requiring mailed notice, to that one address which the developer initially identified for that purpose and thereafter as one or more of the owners of the Unit shall so advise the Association in writing, or if no address is given or the owners of the Unit do not agree, to the address provided on the deed of record. An officer of the Association, or the manager or other person providing notice of the Association meeting, shall provide an affidavit or United States Postal Service certificate of mailing, to be included in the official records of the Association affirming that the notice was mailed or hand delivered, in accordance with this provision, to each Unit owner at the address last furnished to the Association.

(b) **Annual.** Notice of the Annual Meeting shall be given to each Member not less than fourteen (14) days nor more than sixty (60) days prior to the date set for the meeting, and shall be mailed by certified mail or delivered personally to each Member. If delivered personally, receipt of notice shall be signed by the Member, indicating the date received and shall constitute the Member's waiver of his right to receive notice by mail. If mailed, such notice shall be deemed properly given when deposited in the United States Mail addressed to the Member at his Post Office address as it appears on the records of the Association, and the post office certificate of mailing shall be retained as proof of such mailing.

(c) **Special.** Notice of Special Meetings shall be given to each Member not less than fourteen (14) days prior to the date set for the meeting and shall be mailed by regular mail or delivered personally to the Member and shall be posted conspicuously on the Condominium property.

(d) **Waiver.** Any Member may, in writing signed by such Member, waive such notice, and such waiver, when filed in the records of the Association, whether before, at or after the holding of the meeting, shall constitute notice to such Member.

(e) **Adjourned Meetings.** If any meeting of Members cannot be held because a quorum is not present, or because a greater percentage of the membership required to constitute a quorum for a particular purpose is not present, wherever the latter percentage of attendance may be required as set forth in the Articles, the Bylaws or the Declaration, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum, or the required percentage of attendance, if greater than a quorum, is present.

(f) **Electronic / E-Mail Notice of Meetings.** As prescribed in Florida Statutes, electronic means or e-mail may be used to transmit meeting notices and meeting agenda item listings to Unit owners and will be considered as "written notice." This method may only be used when a Unit owner provides his or her written authorization to receive meeting notices and other such Association communications via electronic / e-mail transmission.

3.4 Presiding Officer and Minutes. At meetings of Members, the President, or in his absence, the Vice President shall preside, or in the absence of both, the Members present shall select a chairman of the meeting. Minutes shall be kept in a business like manner and available for inspection by Directors, Unit owners and their authorized representatives during normal business hours at the principal office of the Association. The Association shall retain these minutes for a period of not less than seven years.

3.5 Order of Business. The order of business at annual meetings of Members, and, as far as practical, at other meetings of Members, shall be:

- (a) Collection of ballots not yet cast;
- (b) Calling of the roll and certifying of proxies;
- (c) Proof of notice of meeting or waiver of notice;
- (d) Reading or waiver of reading of minutes of previous meeting of Members;
- (e) Reports of officers;
- (f) Reports of committees;
- (g) Appointment by Chairman of inspectors of election;
- (h) Election of Directors;
- (i) Unfinished business;
- (j) New business;
- (k) Adjournment

4. **BOARD OF DIRECTORS.**

4.1 **Board Authority and Responsibility.** The affairs of the Association shall be managed by a five (5) member Board of Directors elected by the Association membership.

4.2 **Election of Directors.** Directors shall be elected, by secret ballot, in the following manner:

(a) Directors shall be elected to two (2) year staggered terms by written ballot. The terms expire at the date of an annual meeting two (2) years after the director was elected at an annual meeting of the Association membership. Proxies may not be used in electing the board in general elections or in elections to fill vacancies caused by recall, resignation, or otherwise. In the event of a vacancy caused by recall, resignation, or otherwise, the vacancy may be filled by an affirmative vote of the majority of the remaining directors, even if the remaining directors constitute less than a quorum, or by the sole remaining director. Directors selected to fill a vacancy caused by recall, resignation or otherwise will serve the unexpired term of the director originally elected to the Board.

(b) Directors shall be elected at large by a plurality of votes cast at the annual meeting of the Association membership. There shall be no quorum requirement for the election of Directors, however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election.

(c) In the election of Directors, there shall be appurtenant to each Unit one (1) vote for each Director to be elected provided, however, that no Member or Owner of any Unit may cast more than one vote for any person nominated as a Director, it being the intent hereof that voting for Directors shall be non-cumulative. No Unit owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A Unit owner who needs assistance in casting the ballot for the reasons stated in Florida Statutes, Section 101.051 may obtain such assistance. Any Unit owner violating this provision may be fined by the Association in accordance with Florida Statutes, Section 718.303. The regular election shall occur on the date of the annual meeting.

(d) At least sixty (60) days before a scheduled election, the Association shall mail, deliver, or electronically transmit, by separate Association mailing, or included in another Association mailing, delivery, or electronic transmission to each Unit owner entitled to a vote, a first notice of the date of the election. Any Unit owner desiring to be a candidate for the Board must give written notice of his or her intent to be a candidate to the Association at least forty (40) days before the scheduled election. Together with the written notice of the election and the meeting agenda, the Association shall mail, deliver, or electronically transmit a second notice of the election to all Unit owners entitled to vote, together with a ballot that lists all candidates. Upon request of a candidate, an information sheet, no larger than eight and one-half (8-1/2) inches by eleven (11) inches, which must be furnished by the candidate at least

thirty-five (35) days before the election, must be included with the mailing, delivery, or electronic transmission of the ballot, with the costs of mailing, delivery, or electronic transmission and copying to be borne by the Association. The Association is not liable for the contents of the information sheets prepared by the candidates. In order to reduce costs, the Association may print or duplicate the information sheets on both sides of the paper. An election is not required unless more Unit owners file notices of intent to be a candidate than Board vacancies exist.

(e) Within ninety (90) days after being elected or appointed to the Board, each newly elected or appointed Director shall certify in writing to the Secretary of the Association that he or she has read the Association's Declaration of Condominium, Articles of Incorporation, Bylaws, and other current written policies; that he or she will work to uphold such documents and policies to the best of his or her ability; and that he or she will faithfully discharge his or her fiduciary responsibility to the Association's members. The written certification or educational certificate is valid and does not have to be resubmitted as long as the Director serves on the Board without interruption. A Director who fails to timely file this written certification or educational certificate is suspended from service on the Board until he or she complies with this sub-paragraph. The Board may temporarily fill the vacancy during the period of suspension. The Board Secretary shall cause the Association to retain a Director's written certification or educational certificate for inspection by Unit owners for five (5) years after a Director's election or appointment. Failure to have such written certification or educational certificate on file does not affect the validity of any Board action.

The organizational meeting of a newly elected or designated Board shall be held within fifteen (15) days of their election or designation, at such time and place as shall be fixed at the meeting at which they were elected. The Notice shall contain a list of agenda items to be considered at the meeting.

Such emergency action shall be noticed and ratified at the next regular meeting of the Board. Any Unit owner may tape record or videotape meetings of the Board of Directors. The right to attend such meetings includes the right to speak at such meetings with reference to all designated agenda items. The Association shall adopt reasonable rules governing the tape recording and videotaping of the meeting. The Association may adopt reasonable rules governing the frequency, duration and manner of Unit owner statements. Notwithstanding the foregoing, written notice of any meeting at which nonemergency special assessments, or at which amendment to rules regarding Unit use, will be proposed, discussed or approved shall be mailed or delivered to Unit owners and posted conspicuously on the Condominium property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice shall be made by an affidavit executed by the Secretary and filed among the official records of the Association. Notice of any meeting where assessments against Unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments. Notwithstanding any other law, the requirement that Board meetings and committee meetings be open to Unit owners does not apply to meetings between the Board or a committee and the Association's attorney, with respect to proposed or pending litigation, if the meeting is held for the purpose of seeking or rendering legal advice; or Board meetings held for the purpose of discussing personnel issues.

4.5 Regular Board Meeting. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least seven (7) days prior to the day named for such meeting, unless notice is waived.

4.7 Board Minutes. Minutes of all meetings of the Board shall be kept in a businesslike manner and available for inspection by all Unit owners and Directors during normal business hours at the principal office of the Association. The Association shall retain these minutes for a period of not less than seven years.

4.8 Waiver of Notice. Any Director may waive notice of a meeting before, at or after the meeting, and such waiver shall be deemed equivalent to the giving of notice.

4.9 Quorum. A quorum at meetings of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of the votes present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except as may be specifically provided otherwise in the Articles, these Bylaws or the Declaration. If any meeting of the Board cannot be held because a quorum is not present, or because the greater percentage of the Directors required to constitute a quorum for particular purposes is not present, wherever the latter percentage of attendance may be required as set forth in the Articles, these Bylaws or the Declaration, the Directors who are present may adjourn the meeting from time to time until a quorum, or the required percentage of attendance, if greater than a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

4.10 Recall of Board Members. Directors may be recalled and removed from office with or without cause by the vote or agreement in writing by a majority of all the voting interests as prescribed in paragraph 9 of these Bylaws and Florida Statutes, Section 718.112(2)(j). While such Director or officer has criminal charges pending, he or she may not be appointed or elected to a position as a Director or officer. Within ninety (90) days after the end of each fiscal year, the Association shall prepare and complete, or contract for the preparation and completion of, a financial report for the preceding fiscal year. 6.3 Annual Budget. The Board shall adopt, for, and in advance of, each fiscal year, a detailed budget showing the estimated cost of performing all of the functions of the Association for the year showing amounts budgeted by accounts and expense classification. Each budget shall show the total estimated expenses of the Association for that year and shall contain an itemized breakdown of the common expenses, which shall include without limitation, expenses listed in Florida Statutes, Section 718.504(21), the cost of operating and maintaining the Common Elements, taxes on Association property, wages and salaries of Association employees, management, legal and accounting fees, office supplies, public utility services not metered or charged separately to Units, premiums for insurance carried by the Association and any reserve accounts and/or funds which may be established from time to time by the Board. Each budget shall also show the proportionate share of the total estimated expenses to be assessed against and collected from the owner(s) of each Unit and due date(s) and amounts of installments thereof.

In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but are not limited to, roof replacement, building painting, and pavement resurfacing, if applicable, regardless of the amount of deferred maintenance expense or replacement cost, and for any other item for which the deferred maintenance expense or replacement costs exceed ten thousand dollars (\$10,000). The amount to be reserved shall be computed by means of a formula which is based upon remaining life and estimated replacement cost or deferred maintenance expense of each reserve item. The Association may adjust replacement reserve

assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance. This subsection does not apply to budgets in which the Members of the Association have, by a vote of the majority of the Members present at a duly called meeting of the Association, determined for a fiscal year to provide no reserves or reserves less adequate than required by this subsection. If a meeting of the Unit owners has been called to determine to provide no reserves or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves as included in the budget shall go into effect.

Reserve funds and any interest accruing thereon shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the voting interests present at a duly called meeting of the Association.

Copies of the proposed budget and proposed assessments shall be transmitted to each Member at least fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of the time and place of said meeting, which shall be open to Unit owners. Evidence of compliance with this fourteen (14) day notice must be made by an affidavit executed by an officer of the Association or a manager or other person providing notice of the meeting and filed among the official records of the Association. If any budget is subsequently amended, a copy shall be furnished each affected Member. Delivery of a copy of any budget or amended budget to a Member shall not affect the liability of any Member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of the budget and assessments levied pursuant thereto. Nothing herein contained shall be construed as a limitation upon the additional assessments in the event that any budget originally adopted shall appear to be insufficient to pay costs and expenses of operation and management, or in the event of emergencies.

6.4 Amount of Budget. If a budget is adopted by the Board which requires assessment of the Unit owners in any budget year exceeding 115% of such assessments for the preceding budget year, upon written application of ten percent (10%) of the Unit owners, a special meeting of the Unit owners shall be held upon not less than ten (10) days written notice to each Unit owner, but within thirty (30) days of the delivery of such application to the Board or any Member thereof, at which special meeting Unit owners may consider only and enact only a revision of the budget, or recall any and all Members of the Board and elect their successors. Any such revision of the budget shall require a vote of not less than two-thirds (2/3) of the votes of all Unit owners. The Board may, in any event, first propose a budget to the Unit owners at any such meeting of Members or by writing, and if such budget or proposed budget be approved by a majority of the votes of all Unit owners either at such meeting or by writing, such budget shall not thereafter be reexamined by the Unit owners in the manner herein above set forth. If a meeting of the Unit owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

In determining whether assessments exceed 115% of similar assessments in the prior budget year, there shall be excluded from the computation reasonable reserves made by the Board in respect of repair and replacement of Condominium or Association property, or in respect of anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis; and there shall be excluded from such computation assessments for betterments to the Condominium or Association property.

6.5 Notice of Adopted Budgets. Upon adoption of budgets, the Board shall cause written copies thereof to be delivered to all Unit owners. Assessments shall be made against Unit owners pursuant to procedures established by the Board, and in accordance with terms of the Declaration and Articles. Provided, however, that the lien or lien rights of the Association shall not be impaired by failure to comply with procedures established pursuant to these Bylaws.

6.6 Assessments. Unless otherwise determined by the Board of Directors, assessments shall be payable monthly on the first day of each calendar month. Assessments shall be made not less frequently than quarterly in an amount which is not less than that required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. Nothing in this paragraph shall preclude the right of the Association to accelerate assessments of an owner delinquent in payment of common expenses. Accelerated assessments shall be due and payable on the date the claim of lien is filed. Such accelerated assessments shall include the amounts due for the remainder of the budget year in which the claim of lien was filed. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment, and installments on such assessment shall be due upon each installment payment date until changed by an amended assessment. In the event the annual assessment proves to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the fiscal year for which an amended assessment is made shall be payable in equal installments through the end of the fiscal year; provided, nothing herein shall serve to prohibit or prevent the Board of Directors from imposing a lump sum assessment in case of any immediate need or emergency.

6.7 Special Assessments. Special assessments, other than special assessments to meet shortages or emergencies, shall be approved by the Members at a duly convened meeting and shall be levied and paid in the same manner as heretofore provided for regular assessments. Special assessments to meet shortages or emergencies can be adopted by the Board of Directors and written notice thereof given to the Member or Members affected thereby. Special assessments can be of two kinds: (i) those chargeable to all Members of the Condominium in the same proportions as regular assessments to meet shortages or emergencies, to construct, reconstruct, repair or replace all or any part of the Common Elements (including fixtures and personal property related thereto); and (ii) and for such other purposes as shall have been approved by the Members at a duly convened meeting.

6.8 The Depository. The depository of the Association shall be such bank or banks or savings and loan association or associations as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks or withdrawals signed by such persons as are authorized by the Directors, provided that any management agreement may include in its provisions authority for the Manager to sign checks on behalf of the Association for payment of the obligations of the Association.

6.9 Audit. An audit of the accounts of the Association may be made from time to time as directed by the Board of Directors.

6.10 Fidelity Bonds. The Association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management at any one time. As used in this section, the term "persons who control or disburse funds of the Association" includes, but is not limited to, those individuals authorized to sign checks, and the president, secretary, and treasurer of the Association. The Association shall bear the cost of bonding.

6.11 Transfer Fees. No charge shall be made by the Association or anybody thereof with in connection with the sale, mortgage, lease, sublease, or other transfer of a Unit.

8. AMENDMENTS TO BYLAWS.

Amendments to these Bylaws shall be proposed and adopted in the following manner:

8.1 Proposal. Amendments to these Bylaws may be proposed by the Board, acting upon a vote of a majority of the Directors, or by Members owing a majority of the Units in the Condominium, whether meeting as Members or by instrument in writing signed by them.

8.2 Notice. Upon any amendment or amendments to these Bylaws being proposed by the Board or Members, such proposed amendment or amendments shall be transmitted to the President of the Association, or acting chief executive officer in the absence of the President, who shall thereupon call a special meeting of the Members for a date not sooner than fourteen (14) days nor later than sixty (60) days from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary to give each Member written or printed notice of such meeting in the same form and in the same manner as notice of the call of

a special meeting of the Members is required as herein set forth; provided, that proposed amendments to the Bylaws may be considered and voted upon at annual meetings of the Members.

8.3 Content of Amendment. No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text underlined and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that the procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of bylaw. See bylaw . . . for present text." Nonmaterial errors or omissions in the bylaw process shall not invalidate an otherwise properly promulgated amendment.

8.4 Voting. In order for such amendment or amendments to become effective, the same must be approved by an affirmative vote of two-thirds of the votes present at a regular or special meeting at which a quorum is present. Thereupon, such amendment or amendments to these Bylaws shall be transcribed, certified by the President and Secretary of the Association, and a copy thereof shall be recorded in the public records of Volusia County, Florida, within fifteen (15) days from the date on which any amendment or amendments have been affirmatively approved by the Members.

8.5 Written Vote. At any meeting held to consider such amendment or amendments to these Bylaws, the written vote of any Member shall be recognized if such Member is not present at such meeting in person or by proxy, provided such written vote is delivered to the Secretary at or prior to such meeting.

8.6 Proviso. Provided, however, that no amendment shall discriminate against any Condominium Unit owner nor against any Condominium Unit or class or group of Units unless the Condominium Unit owners so affected shall consent. Non amendment shall be made that is in conflict with the Condominium Act, the Declaration of Condominium, or the Articles of Incorporation.

8.7 Arbitration. In the event of internal disputes arising from the operation of the Condominium among Unit owners, Associations, and their agents and assigns, the parties must comply with mandatory non-binding arbitration in accordance with Florida Statutes, Section

9.1 If the recall is approved by a majority of all voting interests by a vote at a meeting, the recall will be effective as provided herein. The Board shall duly notice and hold a Board meeting with five (5) full business days of the adjournment of the Unit owner meeting to recall one or more Board Members. 9.3 If the Board determines not to certify the written agreement to recall a Member or Members of the Board, or does not certify the recall by a vote at a meeting, the Board shall, within five (5) full business days after the meeting, file with the Division a petition for arbitration pursuant to the procedures in Florida Statutes, Section [REDACTED]. For the purpose of this section, the Unit owners who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any Member or Members of the Board, the recall will be effective upon mailing of the final order of arbitration to the Association. If the Association fails to comply with the order of the arbitrator, the Division may take action pursuant to Florida Statutes, Section 718.501. Any Member or Members so recalled shall deliver to the Board any and all records of the Association in their possession within five (5) full business days of the effective date of the recall.

If vacancies occur on the Board as a result of a recall and a majority or more of the Board Members are removed, the vacancies shall be filled in accordance with procedural rules to be adopted by the Division, which rules need not be consistent with this subsection. The rules must provide procedures governing the conduct of the recall election as well as the operation of the Association during the period after a recall but prior to the recall election.

10. CERTIFICATE OF COMPLIANCE.

A certificate of compliance from a licensed electrical contractor or electrician may be accepted by the Association's Board as evidence of compliance of the Condominium Units to the applicable fire and life safety code.

11. POWER TO CONVEY COMMON ELEMENTS.

11.1 The Association shall have a limited power to convey a portion of the common elements to a condemning authority for the purpose of providing utility easements, right-of-way expansion, or other public purposes, whether negotiated or as a result of eminent domain proceedings.

11.2 In any case where the Bylaws are silent as to the Association's power to convey common elements as described in paragraph 11.1, the Bylaws shall be deemed to include the provision described in subparagraph 11.1.

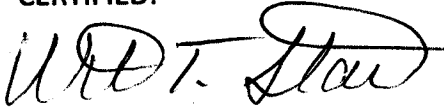

12. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

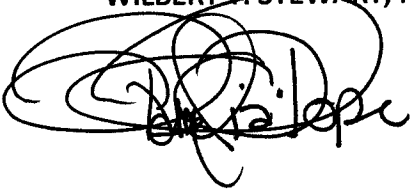

The Association shall indemnify any and all persons who may serve or who have served at any time as Directors or officers, and their respective heirs, administrators, successors and assigns, against any and all expenses, including amounts paid upon judgments, counsel fees, and amounts paid in settlements (before or after suit is commenced), actually and necessarily incurred by such persons in connection with the defense or settlement of any claim, action, suit or proceeding in which they, or any of them, are made parties, or a party, or which may be asserted against them, or any of them, by reason of having been Directors or officers, or a director or officer of the Association, except in such cases wherein the director or officer is adjudged guilty of willful misfeasance, or malfeasance, in the performance of his duties.
