Craving Caribbean Cuisine? Well I have just the thing! The best way to satisfy such an appetite, is to come indulge in my spread of traditional delights.

CLUE #4

My cuisine comes from the most famous city in the orient. So don't get me wrong, cause my name rhymes with "a song" but it's not just a little ditty people call me _____ BBQ.

CLUE #5

There are many people who share part of my name, one ends in Chaplin, another is a cartoon but I am the one who can make you swoon. I don't have 3 angels but I do have a heavenly spread...including my famous Jamaican patties and freshly baked coco bread.

CLUE #6

Here a cluck there a cluck everywhere a cluck, cluck....with curly fries, celery and blue cheese. Oh how you're in luck because I have even so much, much more that I know you'll be thoroughly pleased.

CLUE #7

I bring you my regional flavors of Colombian cuisine, foods so special with corn, cassava and beans. Our sausages, soupas, and pastries are nice, and you might even find you'll be ordering twice. Hint: the sound "ah" is in the beginning and ending of my name.

CLUE #8

Oh you are in for a treat so don't be afraid to just take a seat. You'll be feeling quite Irie cause I'm a Jamaican entirely and my my Jerk Chicken Pizza you will want to eat. Hint: They say it's the little tingz in life that matter but come here and I'll be serving up from a big hot platter!

CLUE #9

Fuh Fuh Fuh....is so fun to say but pronouncing my name gets messed up e-v-e-r-y-d-a-y. I am Vietnamese so it is a bit tricky, but once you get it down it's really quite nifty. Practice, practice, then hur-rah! Now you know I am _____.

CLUE #10

They say everything tastes better with butter...but the secret to make any heart flutter...is hidden within my Caribbean flavors. So do yourself a big ole favor, come on in and have a taste, you are going to love me, I'm _____.

CLUE #11

If my chefs and I were rappers, you'd be our hand clappers after tasting my Caribbean flavors...So go and tell all of your neighbors, that I'm named after a fish and they're gonna love the taste of every dish.

CLUE #12

From the island of Haiti comes the delicious cuisine we are plating. Our servings are generous because we make a difference so you will come back without hesitating.

CLUE #13

I'm kind of proud and you will be wowed, cause I can admit that I'm really good at "winging it!" So come on in, I invite you into my house and be sure to bring your friends, your kids and even your spouse.
