

Mini Roundabouts

Watch for 'BLOCKERS'

Approaching traffic from your left can stop traffic on your right and making gap for you to Go.

Look for traffic from left and right. Traffic approaching from left can create safe gap for you to emerge.

Give way to traffic approaching from right

MSPSL on approach

Turning Left 1st Exit

Follow the Road ahead

Turning Right 2nd Exit

Maintain Left signal

Consider Left signal

Left signal if you can

Plan to Stop Look to Go

Be prepared

Maintain Right signal

Plan to STOP and look to Go

Use MSPSL on approach
