

Junction Turning LEFT

Follow the kerb to the left and stay close to avoid crossing centre line or mounting kerb.

Check your mirrors
Before making progress

LADA Look for parked cars, Pedestrians and traffic on the road you turning to.
Check the speed limit.

Look

Gently slow down and change your gear (2nd gear for wide roads - 1st for narrow roads) and gently clutch up to avoid coasting?
Consider Slop of the road?

Speed

Stay half a meter (reasonable distance) away from kerb. WHY?

Position

Indicate Left in a good time.
WHEN? Timing depends your speed
WHAT happens if you indicate Late or Early?

Signal

Ease off the Gas pedal
Check your centre and Left mirrors.
WHY & WHEN?
WHAT hazards you may see?
