

THE OFFICIAL'FRIENDS ROUND LONDON 2024 SPONSOR FORM

At midnight on Saturday 17th February 2024 a mix of convertible cars will be driving the circumference of the M25 motorway with their roofs down to raise funds for 'UK Homes 4 Heroes' - a charity that helps ex-service personnel who have fallen on hard times to establish a new life with a new home.

We need your donations so please sponsor a driver and together we can all make a difference.
