Short Answer Questions

Please select three topics of discussion from the list below. Provide a short answer response to each of the three topics that you select and submit your three written responses with this application. Please limit each response to 250 words (or 750 words in total).

- A. What are your primary sources of personal motivation/inspiration?
- B. What do you want to do when you grow up and why?
- C. Many great businesses and product inventions have arisen from the recognition of a "problem." Have you recently recognized a "problem" that could be solved with a business solution or product invention?
- D. Is there a particular company or business that you find interesting or compelling?
- E. Have you had a job where you improved the way things were done or started a business of your own?
- F. Have you recently volunteered or helped someone in need? If so, discuss your motivation and the related service or activity.
- G. Have you created something outside of school that you are proud of (art, music, writing, etc.)?
- H. Have you selected a major or area of concentration? If so, discuss the primary drivers for your selection.
- I. Applicant's choice. Tell us about anything you want.
