

Hereditary Cancer Foundation

FINANCIAL ASSISTANCE

Providing Patients Assistance in paying the testing lab for Hereditary Cancer Testing.

At The Hereditary Cancer Foundation, we know the importance of getting tested and **KNOWING YOUR RISK** of a hereditary cancer mutation. Our organization does not want costs to be a barrier for people getting tested if they meet criteria.

If you have been tested and need assistance in paying for the cost of your testing, our guidelines are below. You can apply by submitting a written or electronic application, found on our website.

NOTES ABOUT APPLYING:

- The form must be completed in its entirety to be considered.
- The form must be completed by the **PATIENT**.
- We may need to obtain additional information from the Testing Provider to proceed.
- The form must be completed **PRIOR** to or the initial stage of getting tested.
- Patients **CAN NOT** get personally reimbursed for testing costs.
- Payments for testing will be sent **DIRECTLY** to the testing lab.
- You may be asked for copies of your bill from the testing lab.
- You may be asked to complete Financial Assistance through the testing lab.
