Tuition and Fee Schedule

Theology Tracks

Tuition for Theology courses is \$40 per credit hour, which equates to \$150 per course. As with any mainstream university, students are able to purchase new or used textbooks through the vendor of their choice. The cost of textbooks is not included in the Theology track tuition.

Ministry Life Experience

Ministry Life Experience credits assessed are charged at the rate of \$10 per credit hour for undergraduate students and \$15 per credit hour for graduate students.

Payments

Payments are due in advance, no later than the first Sunday of every month if paying monthly (with the exception of Christian Counseling). Tuition not paid by the first class will assess late charges of \$20. Non-payment of tuition by the second class will result in the student being downgraded to audit status. Course credit will not be issued to audit students, and the student will be required to retake the course at a later time before receiving a grade. Under special circumstances and with administration approval, some student may qualify for a weekly payment plan. Student may prepay at any time.

Christian Counseling certification tuition is due no later than 2 weeks **before** class begins and must be paid in full in advance, with no exceptions, in order to insure ample time to order textbooks and student curriculum.

Tuition Refund

Students may withdraw from class no later than the first night of class for a tuition refund. There will be no refunds for withdrawals after the first night of class.

There will be no refunds for the Christian Counseling certification courses.

Scholarships

Applications are available upon request and are awarded on an "as needed" and income based status when scholarship funds are available.
