Again I want to thank you and your firm for an excellent job in representing me with the lemon law issue that I had with [REDACTED]. From my very first call to your office to the final exchange into the new car, you were always most responsive and timely. I'm personally pleased that I chose your firm to represent me.

The car exchange was much more pleasing than I anticipated. When we finally got to the right people, thanks to you, everything went very smoothly.

I don't know if you ever need a supportive endorsement but I would be more than willing to do so.

Thanks again for all your help.

Hi Shalev, Sorry this took me so long to do!

My experience with [REDACTED] Amar was awesome!!! Shalev Amar took the time to hear everything that was going wrong with my new vehicle and he explained everything in full detail as to what to expect and about how long it would take. He was always very friendly as well as the secretary that I spoke with. My case was settled in two months and to my satisfaction. I don't know the law when it comes to filing a claim under the Lemon Law but Shalev Amar answered all of my questions and gave his opinion and that was super important to me. Thank you Shalev Amar and all the attorneys at [REDACTED] Amar for all of your help when I needed it. Sincerely, Barri.

Hi Shalev,

I met with you on or around November 9, 2012 about problems I was having with my 2010 [REDACTED]. I was very naive about the lemon law and the process and wasn't even sure if I had a valid claim. I never had a car that I had in the shop as much as I did with my Mini. So, I took a chance and contacted you. You explained everything to me verbally and written and gave me a time frame as to how things might work out.

Well, everything happened so fast and sooner than your expected time frame. By January 2013, I was looking for a new vehicle to replace my beloved [REDACTED]. I couldn't be happier.

You and your staff were so professional and courtesy. You never missed a beat, whether it was a phone call or email, you were available, to me.

So, I just want to thank you, and your staff, again, for everything. I am very happy with the way everything worked out for me. I am very satisfied.

Sincerely,

Shalev:

I would like to express my appreciation to you personally and your firm for the representation applicable to the warranty nonconformities of the new vehicle I recently purchased.

I initially "naively" believed that the auto manufacturer would treat me fair and reasonably (and there was little advantage or need for legal representation). The check in my hand right now proves i was wrong!

In a matter of a few weeks with your representation, [REDACTED] had increased its settlement offer almost ten fold. It is abundantly clear to me that it is foolish to believe that an individual can do this on their own. When i tried to "work" with the dealer and manufacture they repeatedly told me my expectations were unrealistic and that a few oil changes and an accessory coupon was more than fair compensation. I knew this was wrong and requested a nominal amount to compensate me for the 34 days and multiple attempts that [REDACTED] tried to fix the problem. They denied my request and said it was their best and final offer.

Once [REDACTED] Amar managed the communication, the auto manufacture became more flexible and fair. Its unfortunate that it takes potential litigation for the auto manufacture to treat its consumers fairly, but that is what was required in my case and frankly what appears to be the norm.

Thanks again.

Dear Mr Amar,

I received my check yesterday afternoon.

Thank you so much for all of your firm's your hard work and effort in getting the settlement with [REDACTED] regarding my [REDACTED]. I found your firm on the Internet and filled out the questionnaire. Within one day, I was contacted by you, Mr Amar, regarding my case. From that time on, everything became much easier.

I appreciate your letter in the beginning detailing your guidelines (6 rules) for handling my case. You were very exact and up front on what your fees were and how the fees would be handled when the case was resolved. I also appreciate your opinions on what a good and fair amount to expect would be as I had no idea what to expect. In other words, your thoroughness, your confidence and honesty, and your knowledgeable handling of my warranty claim was excellent and very professional. You were very pleasant to talk with by phone and email. I am so thankful for how quickly it was handled and that we did not have to go to court to get a settlement.

I will be very happy to recommend you and your firm to anyone who may have similar problems with their vehicles.

Sincerely,

He was diligent and pursued the [REDACTED] claims department with fervor. Initially [REDACTED] provided a low-ball offer which was unacceptable and Mr. Amar through his excellent negotiating skills was able to secure an acceptable offer. Thank you again for all that you did. It's been a very long time that I have felt helpless and frustrated.

These car salesmen definitely kept their stereotype. Not an ounce of decency, which is not that difficult to begin with.

The funds will help when I decide to trade it in, but call me old school in wanting them to come through with what they promised even before the car had issues!

Your help and expertise is greatly appreciated.
I have a bit of peace now thanks to you!

Hope you have a Wonderful Day, and continue to help others.

RE: Representation for 2009 [REDACTED]

Dear Mr. Amar:

Thank you for your thorough and professional legal counsel. You were able to negotiate a fair settlement of our issues.

In the end, we received an 8 year, 85,000 mile service agreement, which essentially functions as an extended warranty. While we continue to experience issues with the car, at least we will be able to take it in for inspection and repairs, with little or no out-of-pocket costs.

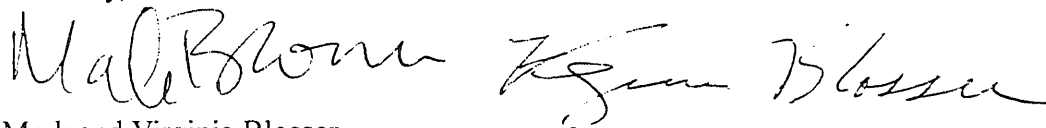

We want to compliment you as a "different kind" of attorney. Like many folks, we have a general contempt for members of the legal profession, similar to our opinion of law enforcement personnel. The only time we want to have anything to do with a lawyer (or a cop) is when we need one.

In your case, it was clear that you are a good person, and that you cared about us and our issues. In fact, you acted, to your financial detriment, in our defense. You agreed to reduce your fee in order for us to be able to settle the lawsuit. I can't imagine many attorneys being willing to take a big cut in pay, in order to benefit their client.

I would certainly recommend you to others, and thank you for helping us with our little red problem.

Best wishes in your future endeavors.

Sincerely,

Hello Shalev:

I received my settlement check today, many thanks.

I think that you've concluded my lawsuit in a very equitable manner - something I would never have been able to accomplish with [REDACTED] - even by my writing endless letters to them pleading my very REAL frustrations with my [REDACTED] BMW simply had no interest in being fair with me, or even simply listening to me for that matter.

But, you obviously did have the know-how to get [REDACTED]'s attention, and to get them to pay attention to my very serious issues with my car. Right from the start, you proceeded to handle my case in a very professional, no-nonsense manner. And, within a very few months you were able to settle my case against them in a very equitable manner.

Thanks again for your good work; never again will I worry about "how to handle" any future lemon-law related issues with any of my future vehicles.

I very sincerely appreciate your good work.

I want to take a moment to thank you for your professionalism and expediency in helping me get a settlement on my claim. As you know, purchasing a new automobile is an exciting time only to be diminished when it goes back to the dealership time and time again because it has defects.

After finding you online and presenting my information, you and your associates immediately took action and began working to help me. Having never filed a claim against a car manufacturer and given the fact that I don't live in your state, I was very hesitant to sign an agreement to proceed forward. Now in hindsight, I am so happy that I did. I found your agreement obligation-free unless there was a settlement, easy to understand and your fees upon settlement were honest and reasonable and, in fact, I have already recommended you to a co-worker!

Shalev,

From our first call to your office seeking assistance with our ongoing recreational vehicle issues, we have been treated very professionally by yourself and your associates. You patiently explained our options at the start and throughout the process. Your aggressive pursuit of a fair settlement was instrumental in reaching a satisfactory resolution. Additionally, your personal contact and assistance allowed us to make knowledgeable decisions along the way and in our opinion reach a fair resolution with adequate compensation from the manufacturer. We can say unequivocally that your help was responsible for the successful result and we would recommend your firm's services to anyone experiencing unsatisfactory service or repairs by a recreational vehicle dealership or manufacturer.

Thank you.

Good afternoon Shalev

My review:

I was referred to Shalev Amar from a very sought after business attorney out of Tucson. I was a bit skeptical about my case and going forward with it being a boat case. I had a series questions in which Shavel was very patient, took the time to answer them all in detail. He expertise gave me the confidence to have Shalev represent my case. I am very pleased with the outcome and recently received my settlement. I honestly believe had I not retained Shalev, I wouldn't have received nearly as close of a settlement or one at all. I would highly recommend Shalev and his firm. In an event I do need legal help in the future I know who to call. Thank you again Shalev Amar.

Mr. Amar,

Thank you for all your help with my settlement with [REDACTED]. I received the settlement in the mail on February 26th and deposited it on the 27th. I would gladly recommend your service to anyone who purchased a new car and has had extensive warranty issues. I am sorry I did not write sooner. Good luck in your future endeavors.

Thank you,

Chris

Subject: Settlement Check Received

Good morning,

I hope you're enjoying your Arizona weather right now, I'm sure we're about 100 degrees below where you're at - haha.

I just wanted to let you know that I received [REDACTED] settlement check of \$4,500 from your law office. Thank you again for all of your help. I was so hesitant to pursue this in the beginning, but you made this process so easy and simple and helped me receive adequate compensation for my situation that I can now see what a huge mistake it would've been if I hadn't called you. I'll be sure to leave feedback to show just how thankful I am.

Thank you again. I truly appreciate all your help.
