FALL 2023 | WINTER 2023-2024 | SPRING 2024

Our mission at C3 Custom Golf is to spread excitement and enthusiasm for the game of golf. We began in a Wilmington, North Carolina residential garage in 2018 customizing and restoring golf clubs. Our passion for golf, craftsmanship and learning prompted a desire to create and customize other products centered on the game. Our new workshop at C3 Custom Golf now offers a wide variety of golf accessories that serve as golf shop inventory with keystone+ margins as well as unique tournament tee gifts. We've provided accessories for PGA and USGA events and have served three continents, thus far. At C3 Custom Golf, we are always striving to exceed expectations and provide a customer experience driven by ingenuity and creativity.
