If Woodland Schools close, then we close. There are some exceptions to that rule sometimes. If the weather is not bad in the morning, but the forecast changes and it will get bad for the evening, then we may decide to close the studio early or all together for that evening. Also, if the school closes because of expected inclement weather but the weather changes its mind, then we may decide to hold classes.</p> <p>If classes are closed due to inclement weather, then we will make up those classes at a later date. Sometimes those make up classes will happen on a Saturday. There will be no refunds for inclement weather closures or if you miss the make up class.</p> <p>Communication on closures of the studio due to inclement weather will be posted on our Social Media pages, emailed out to parents, and texted to your contact phone.</p>

Happy New Year ~ 2024!

More Reminders

Absences

As your students are starting to learn their routines for the Recital, it is important to limit the number of absences.

We understand your dancers get sick and will be unable to make it. Please make sure if your student will not make it to class, to either call or email us!

Dress Code

Please make sure that your student comes to class prepared in appropriate dance attire. This includes hair being pulled back from the face.

The reason for a dress code is to ensure your student is not distracted and can get the most out of class.

For any questions, feel free to email us, or refer to our website:

Parking Lot

PLEASE NOTE:

The WDC Parking Lot is a **ONE-WAY** drive through lot. Please make sure when you are exiting you go all the way down and to the left.

If your car is too big to park in the lot, feel free to park across the street in the Church Parking Lot, or along the street.

This is to ensure the safety of everyone.

Also - if you are parked and are sitting in your car while your dancer is in class. Please make sure to turn off your headlights. When it gets dark outside, we don't want the neighbors to be blinded.

Thank you!
