

December Newsletter

Season's Greetings WDC Family:

We did it! We made it through the first part of the dance season and what an experience it has been. New students, new teachers, & new classes. Our dance community is growing steadily, and we are excited with all that is still to come. As we head into the final big holiday of the year, we want you to know just a few things. Please look through our newsletter and read through all we have going on. As you move through these next few weeks take some time to enjoy your family, rest a little and take it all in. Sometimes the holiday season can be overwhelming, busy, stressful, or even depressing. Be kind to those around you, share a smile, and pay it forward when you can. We appreciate all of you and wish you the happiest of holidays!

If Woodland Schools close, then we close. There are some exceptions to that rule sometimes. If the weather is not bad in the morning, but the forecast changes and it will get bad for the evening, then we may decide to close the studio early or all together for that evening. Also, if the school closes because of expected inclement weather but the weather changes its mind, then we may decide to hold classes.</p> <p>If classes are closed due to inclement weather, then we will make up those classes at a later date. Sometimes those make up classes will happen on a Saturday. There will be no refunds for inclement weather closures or if you miss the make up class.</p> <p>Communication on closures of the studio due to inclement weather will be posted on our Social Media pages, emailed out to parents, and texted to your contact phone.</p>
