NORTH CHANNEL SUPPLY

ABOUT US

Tuff Rope and Tuff Chain are original brands of consumer packaged rope, chain and cable developed and distributed exclusively by North Channel Supply. We created this line to assist our customers in implementing a recognizable, go-to brand that they can install into their retail and wholesale markets. Through the Tuff Brands we provide customers with a ready to sell products in consumer hardware.

Few other suppliers in the hardware industry are as well positioned as Tuff Brands to help their customers succeed. We do this by providing a product with an incredible store shelf presence, which in turn helps increase product turnover and backed by unparalleled levels of customer service which will help drive sales and increase profits for our customers.

With our distribution center, located in Ontario, Canada and manufacturing base in Ningbo, China, The team behind the Tuff Brands line of products is ready to work with you to develop and implement a program that will fit you and your customers' needs perfectly.

ODIN ROPES

宁波奥丁力绳索有限公司

Ningbo Odin Rope Co., Ltd. is a Wholly Foreign Owned Enterprise that was established in 2012. It builds on the founders more than a decade of experience in the rope and industrial fiber purchasing in China. It was started in order to fill a need by many customers that required a higher level of service and quality from their import programs along with the competitive pricing that comes with sourcing their goods from China.

Odin Ropes started as an OEM manufacturer of consumer packaged ropes and twines and our products can be found in many retailers and wholesalers around the world. We continue to expand our OEM capabilities and would be happy to work with you on any OEM projects as well.

We are the only rope manufacturer in China that brings true international business practices and standards to the label of "Made in China"
