Article 1: *Agreement to Arbitrate*: It is understood that any dispute as to professional malpractice, that is as to whether any professional services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, a violation of informed consent, wrongful death, or of emotional distress or punitive damages will be determined by submission to arbitration as provided by Virginia law, and not by a lawsuit or resort to court process except as Virginia law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

Article 2: *All Claims Must Be Arbitrated*: It is the intention of the parties that this agreement shall cover all claims or controversies whether in tort, contract or otherwise, and shall bind all parties whose claims may arise out of or in any way relate to treatment or services provided or not provided by Dr. Mathur and by any practitioner or staff person, their partners, associates, associations, employees, agents and/or providers (hereinafter collectively referred to as "Practitioner") to a patient/client, including any spouse or heirs and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" or “client” herein shall mean both the mother and the mother's expected child or children. All claims based upon the same incident, transaction or related circumstances shall be arbitrated in one proceeding. A claim shall be waived and forever barred if (a) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable Virginia statute of limitations, or (b) the Patient or claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. Filing by Practitioner of any action in any court by the Practitioner to collect any fee from the patient/client shall not waive the right to compel arbitration of any malpractice claim. However, following the assertion of any claim against Practitioner, any fee dispute, whether or not the subject of any existing court action, shall also be resolved by arbitration.

Article 3: *Procedures and Applicable Law:* A demand for arbitration must be communicated in writing by U.S. mail, postage prepaid, to all parties, describing the claim against Practitioner, the amount of damages sought, and the names, addresses and telephone numbers of the patient/client, and (if applicable) his/her attorney. Within fifteen days after a party to this Agreement has given written notice to the other of demand for arbitration, the parties shall either determine a mutually acceptable arbitrator, or each appoint an arbitrator and give notice of such appointment to the other. Within a reasonable time after such notices have been given, the two arbitrators so selected shall select a neutral arbitrator and give notice of the selection thereof to the parties. The arbitrators shall hold a hearing within a reasonable time from the date of notice of selection of the arbitrator. Expenses of the arbitration shall be shared equally by the parties to this Agreement. Both parties shall have the absolute right to arbitrate separately the issues of liability and damages upon written request to the arbitrator. Patient/client shall pursue his/her claims with reasonable diligence, and the arbitration shall be governed pursuant to the Virginia Uniform Arbitration Act (Va. Code Ann. § 8.01-581.01 et. seq.) and applicable arbitration requirements therein and the Federal Arbitration Act (9 U.S.C. §§ 1-4). The parties shall bear their own costs, fees and expenses, along with a pro rata share of the neutral arbitrator's fees and expenses.

Article 4: *Retroactive Effect*: The patient/client intends this agreement to cover all services rendered by Practitioner not only after the date it is signed (including, but not limited to, emergency treatment), but also before it was signed as well.

Article 5: *Revocation*: This agreement may be revoked by written notice delivered to Practitioner within 30 days of signature and if not revoked will govern all professional services received by the patient/client.

Article 6: *Severability Provision*: In the event any provision(s) of this Agreement is declared void and/or unenforceable, such provision(s) shall be deemed severed therefrom and the remainder of the Agreement enforced in accordance with Virginia law.

I understand that I have the right to receive a copy of this agreement. By my signature below, I enter into this Agreement and I acknowledge that I have received a copy.

NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF PROFESSIONAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND <u>YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL</u>. SEE ARTICLE 1 OF THIS CONTRACT.
