

ST. PETER SCHOOL PARENT NEWSLETTER

MEET the TEACHERS

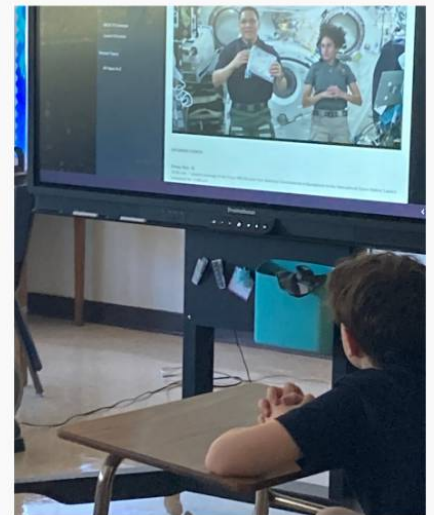

Thank you for joining us for Meet the Teachers Night. If you intend to volunteer but did not have the opportunity to watch the Safe Environment Video or fill out the BCI paperwork, please get in touch with Mrs. Rossi to schedule a time to come in. It takes a while for clearance to be obtained and notification to be sent back to the school.

PARENT/STUDENT HANDBOOK

New updated Parent/Student Handbooks have been sent home with this week's Friday Folder. Please review the contents and save the handbook. After reviewing, please sign the acknowledgment form and return the form to the school next week.

INTERNATIONAL SPACE STATION IN FLIGHT EVENT

Students young and old found Astronauts Frank Rubio and Jasmine Moghbel fascinating as the astronauts responded to questions sent to them by 16 Rhode Island students, which included a question by St. Peter seventh grader, Lily Kelliher. Lily wanted to know what happens when someone at the space station becomes ill. Adding to the excitement of the day, Adam Zangari, from the Warwick Beacon, came to interview Lily and report on the event.

The mission of St. Peter Catholic School is to create a caring, mutually respectful and inclusive community where students, faculty, staff, and parents work together to promote spiritual, academic and social growth.
