

# ST. PETER SCHOOL PARENT NEWSLETTER

## Lenten Breakfast Club

The Lenten Breakfast Club began today. The Breakfast Club will meet on March 1st, 8th, 15th and 22nd. Students should arrive at St. Peter Church to attend Mass at 6:50 AM and sit with the students and teachers in attendance. Please place backpacks on the administration building porch before entering the church.

The teachers will walk the students back to the school cafeteria immediately following Mass. We will sell various pre-packaged breakfast foods, juice, and milk. Breakfast items will be sold for \$1.00 each. Students are welcome to bring their own breakfast items, as well. At 8:00, students will have recess outdoors or in the cafeteria, depending on the weather. Students must attend mass to participate in breakfast and extra recess. Students arriving after Mass will attend Extended Day.

## Rice Bowls

Throughout Lent, we will be collecting donations for the Catholic Relief Services Rice Bowl Program! This program integrates Lenten spirituality and Catholic values by joining with others nationwide to support those battling hunger and poverty, near and far. The students are challenged to donate their own pocket money for the Rice Bowl. Every week, we'll tally up donations per student/ per class. The class with the greatest average per student gets to host the traveling Rice Bowl for the week. The class with the highest donation average per student by the end of Lent gets to keep the rice bowl until Lent 2025! !

## March Calendar Raffle

March has begun along with this year's Calendar Raffle! Winning tickets will be drawn each Friday. Winners will be notified by email or phone. Keep an eye on our Facebook page for the latest updates on weekly winners. To all our adventurous raffle participants, may luck be on your side! We deeply appreciate your continuous support. For those who missed submitting their raffle tickets or know someone who is interested in purchasing a ticket, now is the time to act, as there are still 30 days left to win fantastic prizes!

*The mission of St. Peter Catholic School is to create a caring, mutually respectful and inclusive community where students, faculty, staff, and parents work together to promote spiritual, academic and social growth.*

## Lumen Accreditation

St. Peter School, along with many schools in the Diocese of Providence, will be joining the Diocese as they begin a partnership with The Catholic University of America (CUA) for Lumen Accreditation. Lumen Accreditation advances and promotes the distinctive excellence of K-12 Catholic school education. Accreditation is an important quality assurance process in which a school or diocese voluntarily seeks an external body to help it measure its effectiveness in fulfilling its mission and setting a course for continuous improvement. In this process, an accrediting body and a school mutually agree on a framework and standards of excellence and work together to support the school community in its striving for greater attainment of those standards.

## Sixth Graders Share the Story of Joseph

The sixth graders left a lasting impression on the students who watched their puppet show based on the story of Joseph. Their collaborative efforts in scriptwriting, set programming, and puppet-making added a magical touch to the performance. A special thank you goes out to the sixth-grade students for sharing this wonderful story with the entire St. Peter's school community, and a heartfelt thank you to Mrs. DerManouelian for her guidance throughout this project.

### 25 Week Club
