Happy March from room 101!

Our circle time has improved since last month. As a result, some of the children have learned numbers 1-10 in English and in Spanish!! I am excited to share how much they are retaining!

Happy March from room 102!

We are excited for the sun and outdoors! We cannot wait to run around, play, exercise, and enjoy the fresh air! We are super excited that our potty training is going so well!

Happy March from room 103!

March is going to be a busy month in Pre-K Counts. We will be rhyming with Dr. Seuss, sharing our pets with a virtual pet show, trapping leprechauns, and welcoming spring. The month will close with an egg hunt and spring break!

Happy March from room 204B!

This month our class will be learning about Dr. Seuss. We will be making Dr. Seuss hats and celebrating his birthday. We will be talking about our pets, and planting flowers and vegetables.

Happy March from room 108!

We will be creating lots of rainbow paintings, along with rainbow beaded bracelets to enhance our fine motor skills. Be sure to ask the children to name all the colors of the rainbow!

Happy March from room 106!

As the weather gets warmer, the infants will start to take stroller rides outside and take in the nature around them. We will talk about the plants we see and the sounds we hear.
