ORANGE COUNTY REGISTER

SARMIENTO FOR SANTA ANA COUNCIL

OCTOBER 27, 2016

"In Ward 1, Councilman Vicente Sarmiento faces off against attorney Jessica Cha. Sarmiento has generally been pro-business and pro-development, and, along with the rest of the council, has helped usher the city from the brink of bankruptcy to sounder financial footing, even establishing a pension stabilization fund. Moreover, in a meeting with the candidates, Cha's criticisms were rather vague and generally rang hollow."

"Vicente Sarmiento brings the rare combination of fiscal responsibility with a compassion to help families struggling to make ends meet. He has a record of understanding the challenges facing Santa Ana and delivering the change we need to improve our lives and our neighborhoods."

— MICHELE MARTINEZ, SANTA ANA CITY COUNCIL MEMBER

**VICENTE** grew up in Santa Ana and now raises his three children with his wife Eva. He runs a local law practice helping clients regain their financial footing from the recession and protect their homes from bank foreclosures. Vicente received his Bachelor of Arts in Economics from UC Berkeley and his Law Degree (JD) from UCLA.
