ABOUT THE SHOW

The **SpongeBob Musical** takes audiences on an unforgettable journey to Bikini Bottom, where our favorite sea sponge and his quirky friends face their greatest challenge yet: a volcano threatening to destroy their beloved home. With time running out, SpongeBob, Patrick, Sandy, Squidward, and the rest of Bikini Bottom must band together to prove that optimism, courage, and teamwork can conquer even the most unexpected challenges.

This high-energy show is packed with heart, humor, and an incredible array of musical styles, featuring songs by artists like David Bowie, Cyndi Lauper, Sara Bareilles, and Panic! At The Disco. With its vibrant characters, colorful sets, and uplifting message, **The SpongeBob Musical** is a celebration of friendship, community, and finding the hero inside us all.

ARTISTIC DIRECTOR'S DESK

Welcome to our underwater adventure in Bikini Bottom! This year, our students have taken on the colorful, quirky, and heartwarming world of **The SpongeBob Musical**. More than just a whimsical tale about a sponge and his friends, this show is a celebration of resilience, friendship, and the power of community in the face of challenge.

What makes **The SpongeBob Musical** so special is its message: *that even in the most dire circumstances, optimism, creativity, and teamwork can save the day*. These are lessons that resonate not only on stage but also in our lives, and I am immensely proud of how our students have embraced these themes in their performances.

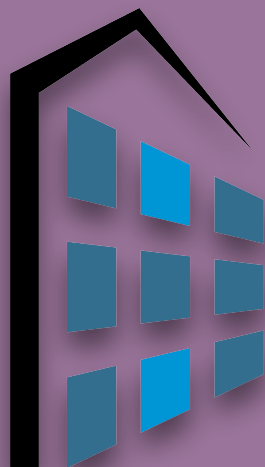

Behind the scenes, this production has been a true team effort. From the vibrant costumes and set design to the incredible range of musical numbers (written by artists as diverse as *David Bowie*, *Cyndi Lauper*, and *Panic! At The Disco*), this show has challenged our students to push their boundaries. They've explored new characters, experimented with bold ideas, and discovered the beauty of collaboration.

To our incredible cast and crew: thank you for bringing so much heart, humor, and dedication to this project. To our families, teachers, and friends: thank you for your unwavering support. And to our audience: thank you for diving into this story with us.

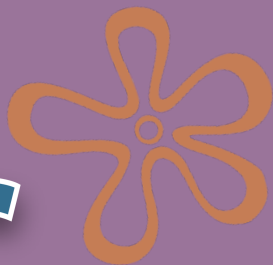

Tonight, let's celebrate the magic of theatre and the boundless creativity of our students. So grab your scuba gear (or maybe just some concessions) and prepare to set sail on a musical journey like no other.

As SpongeBob would say, "I'm ready!"

A handwritten signature in black ink that reads "Jan". The signature is fluid and cursive, with a large, sweeping 'J' and a trailing flourish.
