Public Comment

Rose Callard Jones-frustrated over comments and changes made at Planning Commission meetings. Have 270-300 signatures supporting changes to ordinance. Questioned why ordinance has few pages compared to other townships. Gave printouts to Board on solar ordinances.

Troy Haughton- discouraged with comments made to Board. Concerned with multiple changes made on amendments, not voted on at meetings. Concerned on actions of Gray and township attorney. Discussed Board cannot be sued, recall is process. Understands job is a difficult one hopes, everyone can work together.
