POLICY

I. Policy Statement

It is the opinion of Portneuf Valley Soccer Club, henceforth referred to as "the club", that athletes playing on teams other than those of their own age is not generally in the best interests of the individual player, the team or the club as a whole.

II. Procedure

With this in mind, it shall be the policy of the club that, when possible, players be placed on teams within their own age group, as defined by the United States Soccer Federation.

- A. The United States Soccer Federation defines player age by the calendar year of the birth of the player.
