Subject: Texas BRAC call

Q - A guy named [REDACTED] called this morning from Texas with what he claims is urgent information that would help Ellsworth. He sounds pretty legit and it has to do with some lawsuits filed and recently won regarding bomber training routes around Deyes. His number is [REDACTED]. Somebody should check in with him, as it might be worth listening to anyway.

Mark Haugen

Field Representative

U.S. Senator John Thune (R-SD)
