Local expert, part-time preacher.

I GIVE UP

You're here for a sermon 'cause you want to do the right thing to make the Good Lord happy instead of mad for all the ornery shenanigans you probably did—some you kinda sorta know about, some only He knows about. Either way, you know you're a tad rough around the edges, or even worthy of a little trip to the woodshed, so to speak.

So by takin' yer time to sit down and listen to this good Word from the Good Lord you're aimin' for turning over a new leaf. Amen? Hopefully, that will get enough mercy to keep Our Heavenly Father from rolling His eyes and 'shakin'

His head. Then maybe, just maybe—He might could even break into some kind of a little smile. Prayers, of course, that it be so.

Yet when the sermon's over, it's back to the world for another week, which pretty much is waitin' to beat us up even before we get outta the church parkin lot! Pretty tough to make it til next sermon before jumpin' the rails a time or two. One can only pray that the day we leave this ol' world is a day close enough to Sunday church day that we haven't yet gone off the rails—which means we could still get let into to our Heavenly Home. That, instead of bein' left out in outer darkness where there ain't nothin' but “weeping and gnashing of teeth,” as The Good Book sayeth. Friends, that be a thought too dark to even let ourselves think of.

But here's what I'm trying to start preachin what I came here to say. I know I'm the preacher and you

SHOW OF SHOWS!

If you haven't been here before—these pages should give you control of the choices you've got for some mighty good times!

But if you *have* been here before, yet not for awhile—like maybe not even since before winter—*can you believe what they've done with the place?*

Old things have either gone off into the sunset, gotten shiny new facelifts, or have been transforming into new stuff for fun! Not only that—a brand new crop of spectacular eye-poppers and jaw-droppers have already sprung up all over!

What we've got going on here is something like that foreign word from our history books that they taught us back in grade school—a *renaissance*, which translates about the same as that Bible notion “born again!”

But let's not panic. 'Tho much has changed—for the better, we should

add)—the main things many folks have always appreciated about this place remain alive and well today. What we speak of are the values celebrated here—be they celebrated on stage with music, song and dance, or expressed everywhere folks eat, shop, stay or play. Of course it's those Great American values of faith, family and flag that we're referring to here. At times like these, that's the breath of fresh air we all need—that extra boost not even the lovely surrounding mountains, lakes and outdoor fun can provide alone—but the boost that breathes extra life into it *all!*

To summarize—each one of us here have landed in a wonderful place to recharge our human batteries—a place that provides a full buffet of excitement and fun, a setting for relaxation and rejuvenation—and even a heart-stirring boost of *inspiration!*

That all being said, browse these pages. Obviously, there's too much fun here to do all in one trip. You'll have to come back. But for now, just choose your fun, kick back—and *enjoy the show!* ♦

MAGIC'S GLOBAL MAESTRO!

ILLUSIONIST

RICK THOMAS

STUNNING MAGIC. EXTREME COMEDY. EXQUISITE DANCERS. & BREATHTAKING MOMENTS OF PURE INSPIRATION!

MANSION DREAMS

Magicians all over the world know it, so we'll just go ahead and say it here—**Illusionist Rick Thomas** is an absolute master of performing that art and craft we like to call magic!

What is most obvious to all, is Rick's absolutely unique way of combining his mind-blowing illusions with his brilliant performance of dance. Adding to that is his absolutely delightful comedy, his knack for having fun with his audience—and his amazing gift to take his audience on a sweeping journey of heart-stirring, often breathtaking emotions—all which lead to a grand finale of pure inspiration!

After years of world travels and reigning as the top family show in the history of Las Vegas, **Master Illusionist Rick Thomas** premiered **Mansion of Dreams**

at Branson's iconic Andy Williams Moon River Theater. Having labored on Mansion of Dreams for over twenty-five years, it's appropriate that Rick calls the production his "show of a lifetime".

Audience reactions? Pretty much what one Las Vegas critic wrote: "Wow. Wow! WOW!"

PHOTO OPS! MEET RICK, CAST & DOG STARS! BACKSTAGE DURING INTERMISSION! DETAILS AT BOX OFFICE!

The curtain opens. Immediately, things happen. Jaws drop. Reality is suspended. We are stupefied, as one unbelievable event transforms into

another at almost breakneck speed. Special effects are astounding. The music, the dancing and theatrics are spectacular. Rick is a world champion ballroom dancer, and it shows, especially when he takes the hand of the show's lead dancer; **international ballet star Tara**, his dancing (and marriage) partner. The performance is mesmerizing. Then, something happens that is downright shocking.

THE SHOCK!

The music stops. Rick breaks character. He grins. Turns around and looks at the stage, then shrugs, looking almost bewildered. "Wow," he says. "That was pretty cool!"

We laugh. Then we see the other side of

Rick. He's a fun guy. He makes us laugh. He's relaxed. He plays with our heads. He asks for willing volunteers. Every kid's hand goes up. They love this guy!

Then it happens again—Rick the spectacular illusionist reappears, complete with mind-bending illusions, the music, the dancers, the theatrics. Once again, jaws drop, reality blurs, sometimes becoming surreal, sometimes dreamlike, sometimes funny, sometimes eye-popping, astounding—and other times just absolutely beautiful.

We are told by those who know that there is nothing like Mansion of Dreams—not here, not in Vegas, not anywhere else in this world. We believe it, for not only are we being entertained by one of the world's most celebrated magicians of our lifetime—many of us may discover, upon leaving The Mansion of Dreams, something else. Due to the show's theme, and to things said and performed for our entertainment, long-forgotten dreams of the heart can very well be awakened anew—almost as if by magic. ♦

WHO LET THE DOGS OUT?

Answer: Rick—until he makes his 140 lbs. Great Pyrenees celebrities become the incredible shrinking dogs! Trust us, the end result will "wow" the entire family!

IT'S A HAPPY BIRTHDAY SEASON 65 FOR BRANSON'S FIRST SHOW!

BRANSON'S FAMOUS
BALDKNOBBERS

Now Performing At

Way back yonder in 1959 (65 years ago), when them tourist folks were pouring into Branson, Missouri to enjoy the mountains, lakes and fun spots here for swimming,

fishing, boating and mountaineering, there honestly wasn't much to do for fun after the sun went down. That's when this talented Mabe family thought to put a show together and entertain those needy folks with some good ol' mountain music from these Ozarks, some hillbilly comedy, and some of the heart and soul of these parts—that being faith in God, love of family and devotion to our Star Spangled Banner!!

Every 65th season since—this show has clung to all that. But here's the catch: the family values of this entertaining Mabe family have included striving to top themselves every season, and even every performance! That's why generations of us folks have never stopped coming back to this show—well, since many of us even showed up on this earth! Yes, each show satisfies our traditional leanings, yet it never stops dazzling us by raising the bar with the music and comedy of these entertaining times

we live in today!

The fact that a live show performing to audiences almost every night, almost every month, almost every year for an unprecedented **sixty-five years** is an accomplishment that in the world of show business is absolutely, positively and historically—well, like we've already said—it's unprecedented! Not even the legendary **Sons of the Pioneers**, nor **The Rockettes of New York's Radio City Music Hall** have kept

up with The Baldknobbers schedule, even though they too have endured for decades!

Now we begin to understand why Branson's Famous Baldknobbers were enshrined in an historic display at **The Smithsonian Museum**, the keeper of our national treasures in Washington, DC! (Those treasures include The Wright Brothers' first aeroplane, Lindbergh's *Spirit of St. Louis*, George Washington's uniform and Dorothy's ruby slippers from *The Wizard of Oz*, to name a few!)

THE 2024 PRODUCTION

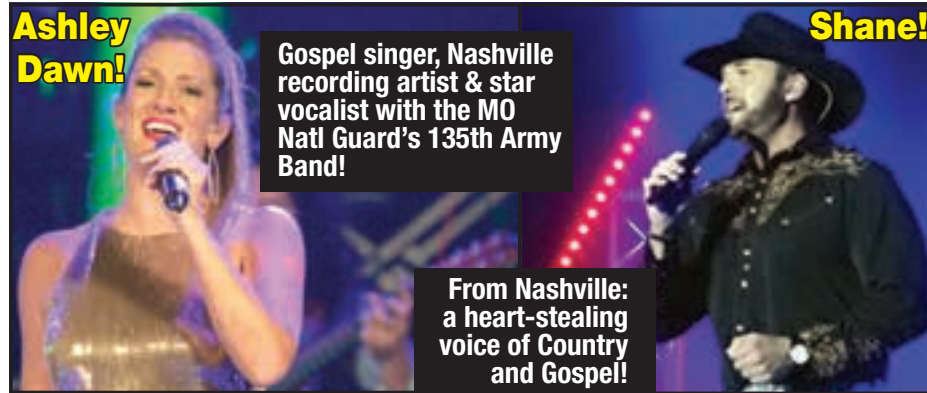

Heading up the show is **Brandon Mabe**, son and grandson of the family that "started it all". At Brandon's side is his lovely wife, leading lady, and **Branson's 2021 Female Vocalist of the Year Megan Mabe!**

Backing up this dynamic duo is a posse of multi-award-winning musicians and vocalists, plus a hilarious country comedian! Topping it all off is the show's huge new production enhancements of sound, lights and whiz-bang special effects!

Expect top country hits, (including some of that "outlaw country" with "attitude"), traditional country favorites, southern rock, soft rock, old time rock n' roll, bluegrass,

Award-winning singing stars: 3rd Generation Baldknobber Brandon Mabe and Brandon's lovely wife and leading lady Megan!

gospel, patriotic salutes, hilarious side-splitting comedy and more—the “more” being about the hottest musicians, vocalists and country comedy in this particular galaxy!

THE TAKE-AWAY

It's unheard of for a show to stay popular for over 60 years. That is an historical fact. But this isn't just a show with a history. Whenever the curtain rises, this show aims to *make* history! ♦

THE VINTAGE BALDKNOBBERS SHOW

WOW! Original songs, music, comedy and even **COSTUMES** and **SETS** from vintage versions of Branson's first show—all the way from the 60s, 70s thru the 90s! We're talkin' sequins, shoulder pads, fringe—the works! Plus of course, the country classics and funny business that sparked the Branson explosion that turned our small Ozarks village into the Showtown we see today!

Here's our big chance to experience the spark that blew up into a national and even international sensation! For The Baldknobbers cast, this show is the joy of their lives. “I grew up with this show,” says Brandon Mabe, fourth generation member of the family that “started it all”. “This is a tribute to my family. I'm doing two

songs from my late Uncle **Dennis (Mabe)** who I adored growing up. Everything in this show is a tribute to all those who came before us. It's what helped shape

us to who and what we are. It's our attempt to pay respects to that. It's what started everything we see in Branson today.”

“Our passion is to carry on what was handed down to us. The history, how it evolved—for us it's paying tribute and honoring all the Baldknobbers performers who came before us. Even though we weren't there in 1959 or 1989, we want to make sure people see how special it is, as we help carry it on and hopefully hand it to someone else to carry on further.” ♦

BACK TO THE FUTURE!

Every Spring, I get a little homesick. I grew up in Pella, Iowa. It's a storybook town, full of Dutch culture and rich tradition. There are bakeries, meat markets, windmills and Dutch architecture lining every brick street. Each Spring, the entire town is painted in the beauty of thousands of tulips and prepares itself for a three day festival—*Tulip Time*—where the entire community dresses in Dutch attire and wooden shoes. As its official tagline describes, Pella is “a touch of Holland.”

I had always been a Pella girl, if I left, what would I be?

I didn't want to leave the town I loved, but I loved my parents more. Furthermore, let's be real, I didn't have a job or a place to live. I had a diploma and a packed-up dorm room. So, I made the tearful drive to Missouri—my English and journalism degree in tow—vowing to hate everything about my new home before I even arrived.

When my parents suggested that I audition for a show in Branson, I rolled my eyes. Branson was full of

“God had to take me out of my storybook town so that I could create a Hallmark movie of my own.”

Pella was always my identity. My family is Dutch. My grandparents spoke Dutch. I was a Pella girl through and through. It was home, and I never envisioned living in any other area code. I grew up in my own version of a Hallmark movie—why would I want to leave?

Well, this is where God took over. After I graduated from Central College—located in the heart of Pella—my parents informed me that the company for which they worked—Pella Windows and Doors—was moving them to Missouri. To say I was not thrilled would be an understatement. I may or may not have momentarily regressed to a high school maturity level with an accompanying toddler-like temper tantrum.

hillbillies, “like the buck teeth guys on those Baldknobbers' billboards.” I remember saying those very words. I was an educated college graduate with a degree, and words like “Baldknobbers” just didn't fit into my sophisticated vocabulary.

God has quite the sense of humor. I ended up auditioning, on a whim, for the Shoji Tabuchi Show, and somehow, with zero experience and complete naivety, I got the job. What a blessing. The minute I started, I knew I was doing what I was meant to do. Music has always been my love. I always wanted to be a singer. But those are dreams, and for an Iowa girl, stages for a singing career don't exist. Had I stayed in Pella, being a singer would have remained

The Latest News From The World's Largest Performing Family!

Season 2024

30TH ANNIVERSARY YEAR IN BRANSON!

THE SHOW YOU NEVER SAW BEFORE!

It's true. This Season 2024 **The Hughes Music Show** is over 50% music, dance, comedy and more that we've never even witnessed before!

In the new mix comes yet more absolutely off-the-charts, full-blown production numbers and show segments—including an all-new Broadway revue of music and dance, an 80s medley of pop and rock, and a pretty much all new extravaganza of every genre of music that has captured the hearts of us all, no matter the age!

UNHEARD OF

Where else can you experience a performance from what **USA Today** calls "the world's largest

performing family"? That newsflash refers to one particular family of four brothers and a cast of their wives, children, their children's spouses and even their children's children! Together, this outfit performs a music and dance extravaganza—over fifty of them being musicians, dancers and singers who have been studying and performing music and dance together the better part of their entire lives! Pretty unheard of, right? One exception—right here at Branson's **Hughes Family Theatre!**

Now about that **Hughes Music Show**, the masterpiece production of Hughes Family Nation which has reigned in Branson for over **30 years** and received just about every award in Showtown! As fans all know, this show is way more than just a show of music! Yes, this huge Hughes entourage of performers spanning the ages from babyhood to adulthood are brilliant music makers—(violins, guitars, drums, woodwinds, keyboards and on and on)—but they are also amazing singers, dancers, acrobats and slapstick comedians!

NEW THIS SEASON: Celebrity Dinner Show!

So what can one expect? This: off-the-charts musicianship, dancemanship—and a full assortment of Pop, Country, Hollywood, Broadway, Forties throwback—oh, we give up! Expect anything and everything from this cast of little kids, big kids, Moms & Dads, teens, young adults, babies, and yes, the legendary **Hughes Brothers themselves!** ♦

THE THROWBACK SHOW

We speak of the new **Hughes Brothers Country Show** which has already

kicked up a cyclone of high praises! Yes, it's new, yet only kinda sorta, since Country Music is what originally stole the hearts of Branson audiences back in the day and made this outfit a showbiz legend! Yet with all the changing whims of us audience types, The Hughes boys expanded into all our musical

cravings — but their country roots have always remained.

So here we are, back in the saddle again! Expect Country Music past, present and way cool, plus a whole lotta "horsein' around". In other words, this ain't just no concert—it's a fun fest that's a hoot, helped along by some of the Hughes youngsters singin', pickin' and grinnin'! ♦

CHOW AT THE CHUCKWAGON!

Can you believe it? It's available at every country show, both afternoon or evening! We're talkin' pulled pork sandwich

with pickles and onions, home-made BBQ sauce, fresh coleslaw, baked beans and pork chunks and plenty of cool water! (Other beverages available). Meals can be et at tables before the show, or served during!

But we're saving the best for last, so here it is—The harmonies of this band of brothers, these country crooner Hughes Brothers, is a treasure richer than all the gold in California, for brotherly voices in harmony for a lifetime is an experience to behold. ♦

NASHVILLE ROADHOUSE LIVE

Starring Stevie Lee Woods and The NRL Band

Get ready. If you saw this show last season—or never did, then prepare yourself for—(how shall we say it here?)—maybe for something like an *earthquake!*

Yup. It's that earth-shaking! The music, the dancing, the incredible showmanship, the spectacular lighting, sound, stage sets—this production, trust us here, is about as elaborate as a Hollywood spectacle, a sold-out arena, or a Super Bowl halftime show! Yet we get to experience it *up close and personal!*

In a nutshell, this production, friends, is an overwhelmingly awesome experience NOT to be missed! (Just stating the obvious here.)

Every singer and musician on stage has a boatload of awards—yet they make what they do look so easy! Not only are they fluently brilliant—they are completely

into entertaining us! Every second all are absolutely *dialed* in to having fun with us audience types!

And now for our take on the powerhouse stage performance of the show's front and center star—**Mr. Stevie Lee Woods!** Yes, he channels the music with everything he's got—his voice, his moves, his ownership of the stage, yet here's the thing—it never looks exaggerated or "put on". This man's *got the music in'em!* He's relaxed, he flows with the music, makes it visual, yet it never looks like an act—it just looks like music that's a delight to watch while we listen and actually feel the moves and grooves ourselves out here in Audience-land!

As for the music, yes it's Country meeting Rock 'N Roll—but it's also mind-blowing musicianship, incredible vocals and a visual feast of dance that includes boot-scootin-cowgirls, poodle-skirt Rock 'N Rollers and stunning ballet that literally takes the breath away!

Honestly, this show doesn't skip a beat! It gets us laughing, it gets us inspired, and, well, there's this guitar solo that is so powerful it can even make a feller *tear up!* (Just reporting the news, here.)

ABOUT STEVIE LEE WOODS

His career in both Country and Rock n' Roll music charted hits all the way to #1 (*Is there anything left?*) for example—and for years had him on the road opening for the likes

of **Lorrie Morgan, Martina McBride, Brooks & Dunn, Diamond Rio** and just about everyone in-between. On stage, he's explosive—consuming it like a hybrid of **Mick Jagger, Garth Brooks** and maybe even **Brooks & Dunn**.

Much of this comes from the fact that Stevie's showbiz roots run deep. His Dad played guitar with the legendary **Lester Flatt and Earl Scruggs**, then later with fellow legend **Eddy Arnold**. In fact, Stevie's whole family is in the music world. Besides charting country hits, Stevie also hosted **Today's Hot Country** on TV's **Nashville Network**.

Looks like the wheel is coming full circle. ♦

WARNING! NEW GANG MEMBERS

New gang members have joined up with that **Branson's Famous Baldknobbers** outfit on Page 8. And just so you know, as you see here, every last one of them outlaw country pickers and grinners got a reputation!

For starters, there's been some serious funny business going on ever since that wild and crazy **MAYHEM** fell in with this bunch. As most of us Branson Insiders know, **MAYHEM** has been a wanted man in these parts ever since he got this town in stitches on that notorious **Redneck Comedy Bus Tour**, which we all recognize as that funny-lookin' green bus we see bumpin' around Branson! That character's country boy jokin' around and his constant "goin' off the rails" so to speak—is an absolute hoot! Trust us, here—this ol' boy is guaranteed to tickle our gizzards and make our funny bones giddy! Since he causes **MAYHEM**, this **Paul May** outfit goes by that name, which makes sense. To us, at least!

MAYHEM

As for fiddlin' around these parts, amazing country fiddler **Tina Sibley** has fiddled in some of the most star-studded country music shows out there! But before she even got started fiddling for us Branson audiences, this Springfield, Missouri native achieved a **Master's Degree** in Music Education at **Missouri State University!** As a teacher/conductor, Tina then went on to influence

the lives of many a young musician. But *that ain't all, folks!* As a vocalist pianist and violinist, Tina has also been active in symphony orchestras, musical theater and studio work! As for her entertainment resume—here we go: She's worked with **Ray Price, Wayne Newton, Bobby Vinton, The Welk Reunion Show, Mannheim Steamroller, Silver Dollar City**—and the list goes on! But there's more! As an avid songwriter, Tina's song **Welcome Home** was selected to be performed at the **Vietnam Veterans touring Memorial Wall!** And that right there even deserves a standing ovation!

Tina Sibley

Finally, let's investigate the background of that new Baldknobbers gang member who seems to absolutely "*kill it*" (as they say) on guitar! Word on these Branson streets is this—he's been *around!* According to our

Kevin Allen

investigation this **Kevin Allen** fellow has been playing music since the age of *five!* Yes. *Five!* But there's *more* to this story! He plays *multiple instruments*—some including banjo, dobro, piano and even drums! And wow, our investigation has also revealed he has performed at **President Ronald Reagan's Inauguration, The Grand Ole Opry**, and countless concert venues, TV shows and Radio shows! *But that ain't all, folks!* He's also played for music stars such as **Marty Robbins, Johnny Lee, Mickey Gilley, Donna Fargo** and with a ton of **Grand Ole Opry road shows** starring a whole galaxy of country music stars! ♦

Folks, these Baldknobbers stars got some serious reputations!

MUSIC, AND A LIFE, THAT CHANGED EVERYTHING! CARPENTERS ONCE MORE

If we stop and listen to the music serenading us these days, whether it be on the radio, at the shopping mall, the hair salon or on earphones plugged into whatever they're plugged into—we will no doubt hear an awful lot of **The Carpenters** once more. Bringing to life these musical treasures that generations of us all love is multi-award winning singing star **Diana Lynn**. We have much to say about Diana, but first, let's address the shocking Carpenters story.

About The Carpenters

Unusually, **Karen Carpenter** was both a singer and a drummer. She and her brother **Richard**, (**The Carpenters**) used their own voices to create multi-track masterpieces that dominate the airwaves even to this day.

THE AMAZING CAST!

WES LARSON - (aka **Richard Carpenter**) *Keyboard & Vocals* Wes has been an actor, musician and a well-rounded entertainer for many years. He has also produced several stage productions—**Two from Galilee**, **Passion plays**, **patriotic productions** and many more. He also loves to teach vocal, keyboard, guitar and bass guitar lessons. Check out **WES LARSON VOCAL COACH** to get started today!

JAY DAVERSA *Music Director, Trumpet* Jay has performed on several legendary TV shows — **The Mary Tyler Moore Show** and **The Bob Newhart Show**, to name a few. But WOW, Jay has also played with such music icons as **Barbara Streisand** and **Elvis!** **THE Elvis!** As a studio musician, he is featured on numerous albums, including several tunes

A few examples: (**They Long To Be**) **Close to You**, **We've Only Just Begun**, **Top of the World**, **Hurting Each Other**, **Merry Christmas Darling**, and so many more.

The Shock!

When Karen's young life succumbed to the effects of **anorexia nervosa** at the tender age of 33, the world was shocked. Until then, the eating disorder, (**anorexic**) was largely unheard of among the general public. But that was then and this is now. It was the tragic loss of Karen Carpenter that educated us all. It literally changed the world.

We've Only Just Begun!

The show begins with a gentleman taking a seat at the piano to portray

of **The Carpenters!** Yes, **THE Carpenters!** But one of Jay's most memorable performances is in the theme song of the legendary TV show **The Waltons!**

MARY ANNE DAVERSA *Vocalist* Mary Anne performed with **Andy Williams** for 15 years! She also has performed with **The Texas Tenors**, **The Lennon Sisters**, **Marvin Hamlisch** and **Mary Wilson** besides serving as **Music Coordinator for 6 PBS Specials!**

JAMES MCCALL *Master Percussionist* His storied musical career includes playing with rock legend **Leon Russell**. Currently, James plays for **A Neil Diamond Tribute**, **Chicago Tribute** and several rock bands.

TIM POPE *Music Director, Arranger & Drummer* The Compton, California native originally played with the legendary **Ray Charles!** (He is also featured in Ray's Coke commercials! Check them out on **youtube!**) Tim

Karen's brother **Richard Carpenter**. He begins to play. Then we hear the real **Karen Carpenter** begin to sing. Diana suddenly appears and Karen's voice becomes hers. It's seamless. Does Diana look like Karen? Well, somewhat, for her clothing style could definitely have parachuted in from Karen's 1970s wardrobe closet, but it's the voice, the stage presence and the captivating personality that draws us into the amazing talent of Karen Carpenter channeled by the amazing talent of Diana Lynn!

The Dream

Diana grew up in a family of entertainers and has been an entertainer all her life. Her showbiz experience comes across the

has played with many greats— including over 20 years with the great **Tony Orlando!**

JAY PARKS *Trombone* Jay began his career in the **Army Band at West Point!** He went on to play in **several Army Bands** for over 20 years, as well as with **Bobby Vinton** and the **Glenn Miller Orchestra!**

BOGIE BOHINC *Lead Guitar* Bogie came to us from California with **Tony Orlando** and later joined **Andy Williams** at Andy's **Moon River Theater**. He also plays for **A Neil Diamond Tribute** and several traveling shows.

SHANNON KNUDSON *Background Vocals & Percussion* Shannon hails from California and Vegas where she performed with the **Sweet Adeline's** and **The Merry Ole Carolers**. Mother of 5 children and 2 grandchildren, she is married to **Kevin**

moment she takes the stage, for her sunny personality, both warm and upbeat, is literally contagious. Audiences love her.

Throughout her life, Diana has performed in shows of every kind. But her lifelong inspiration, was Karen Carpenter. She and Karen both share the same vocal range. Says Diana, "I always say, I was taught by Karen Carpenter. And I've always dreamed of doing a show of her music."

It's obvious, Karen was taught good. And some dreams do come true. ♦

Knudson, who previously performed with his brothers in **SIX** and currently with **Pierce Arrow**.

TERRY LAIRD *Lead Guitar* Performing in Branson for over 39 years, Terry has been music director for such shows as **The Rankin Brothers** and **The Chicago Tribute** and has worked with **The Plummer Family**, **The Lawrence Welk Show**, **Silver Dollar City**, and **Mike Walker**.

ROBERT TERRY *Bass Guitar* Robert has played with **The Osmonds**, **The Lennon Sisters** and currently with **A Neil Diamond Tribute** and **The Hughes Brothers**.

BILL REDER *Flute & Saxophone* Bill was famously a resident musician at Las Vegas's famous **Caesars Palace!** He has played with **Tony Bennet**, **James Brown**, **Lynyrd Skynyrd**, **Johnny Mathis**, **Glen Campbell**, **Liberace**, **Chuck Berry** and many more!

A HEARTFELT EMOTIONAL TRIBUTE

11 PIECE ALL-STAR BAND!

417-46-4TIXS

HIT SHOW RETURNS WITH BAND OF ALL-STARS!

As might be guessed by all genuine Branson Insiders, Keith's return is in the company of his lovely wife **Diana Lynn**, who opens her own award-winning **Carpenters Once More** show at the same power-packed performance venue as her husband—namely, **Jerry Presley's God & Country Theatre!** (More about Diana's show on the previous page)

After packing out performance venues throughout North America for the past two years, **world renown Neil Diamond tribute artist Keith Allyn** has landed once again in the town where adoring fans flocked to his show (**A Neil Diamond Tribute**) for a whopping *ten years straight!*

But wait—*this time*, the fans are in for a surprise, for now Keith is backed up by a band of all-star musicians who, like Keith, are legendary performers in their own right! (More on that a tad later.) But as we probably too often like to say—“folks, that’s not all!”

10 PIECE ALL-STAR BAND!

Some in Keith's backup band have played with **Andy Williams**, some with **Ray Charles**, **Tony Orlando**—and the list just goes on and on. In conclusion: these backup A-listers have SO got Keith's back!

WHO'S NEIL DIAMOND?

When you hear the songs he wrote and sang—our guess is that you'll find yourself singing along and knowing the words that you never even knew you knew! Prediction: at the end of this show, you'll be on your feet singing your heart out. And at this particular time in our world, you may have to fight to hold back tears. More on that later. Here are some of Neil's songs which create the soundtrack of our lives: **Cherry, Cherry, Sweet Caroline, I am, I said, Solitary Man, Cracklin' Rosie, Holy, Holy, Shilo, Soolaimon, Brother Love's Traveling Salvation Show, Hello Again, Forever in Bluejeans, Song Sung blue, Pretty Amazing Grace**, and one we are saving for the end of this story. Stay tuned.

WHO'S KEITH ALLYNN?

Besides being an amazing Neil Diamond tribute artist, Keith Allyn is one of the most captivating entertainers you are likely to ever experience. Entertaining is not just his vocation—it's his lifelong passion. He's brilliant, he's warm, he's funny, he's full of mesmerizing Neil Diamond stories, and he literally “owns” not only the stage, but the hearts of most all of us audience types. Example: He recently performed a one-nighter for 5,000 people. No band. Just him and a guitar. The audience was so overwhelmed, the venue pleaded that Keith would stay for another show. Then another. 5,000 packed out each one. That says it all.

END OF STORY

At the show's finale, drums begin pounding. On screen is a flag waving. Keith begins singing—“*Far, we've been traveling far, without a home, but now without a star. Free, only want to be free, we huddle close, hang on to a dream. On the boats and on the planes, they're coming to America. Never looking back again, they're coming to America. Home, don't it seem so far away, Oh, we're traveling light today, in the eye of the storm, in the eye of the storm. Freedom's light burning warm. Got a dream to take them there, they're coming to America. Got a dream they've come to share, they're coming to America.*”

My Country 'tis of thee, Sweet land of liberty, of thee I sing—”

During these times in which we live, the words, the music, of Neil Diamond's **America**—resonates deep in our heart of hearts. The drums are pounding as the music swells, the audience rising to their feet. Many are wiping away tears. There is scarcely a dry eye in the house. End of story. ♦

REVOLUTIONARY PRODUCTIONS!

**“Liberty or Death!”
—Patrick Henry**

**Firebrand
reenactor
Rick Hinton.**

Homecoming Week in seasons past, then be advised: you are about to witness a never-before-seen production this Season 2024 at **The Freedom Encounter Theatre!** Briefly described, The Freedom Journey Show is a combination of live music, storytelling, laughs, and multi-media. But folks, that's not all! Appearing live, on stage and in person—are thrilling performances by legendary patriots **Patrick Henry, Benjamin Franklin,** and more!

EXPERIENCE NUMBER 2

This Season 2024 is yet *another* riveting production: this one being called **The Freedom Journey Experience!** This all takes place in an area soon to be visible while entering the grand, (and *inspiring*) theater lobby, where all eyes will immediately see a new one-room schoolhouse, the scene of a colonial church and a smaller theater. Here, a new show will include interactive experiences and living history performers in person. This shorter production will be performed during the day and can even be scheduled for groups. (Both shows can be purchased in a discounted combo ticket).

Sometimes, there are just no words. Before you read any further, see if you can pull out that smart phone of yours and take 2 minutes and 39 seconds of your valuable time to watch a short video that we predict, could very well inspire your Great American heart to the point of tears. Be prepared. Within seconds, you may find yourself awakened, challenged, moved, thankful and energized with a renewed hope—almost all at once! Here goes: freedomfocus.us When you get to the website, scroll down for the video.

LIVE ON STAGE!

That video should give you a glimpse of **The Freedom Journey Show**—a live stage production that for many seasons has roared into towns across America like a modern day Paul Revere! If you've seen the show during Branson's Veterans

A musical retelling of the classic book **The Pilgrim's Progress** by John Bunyan! Follow Christian on his journey from the City of Destruction to the Celestial city, encountering life's trials along the way with the King always by his side. The physical world and the spiritual world collide on the stage through music and dance as this captivating show draws audiences to think about the deeper questions of life!

ELVIS: GI BLUES!

When the music sensation crowned the "King of Rock and Roll" all of a sudden received his draft notice and was yanked off the stage and railroaded off to Army Boot Camp, then off to the lonesome and forlorn Cold War outpost of West Germany... , the music world,

if not the entire world was literally pretty much "all shook up!" But eventually, something historic happened: a whole generation of fans in mourning one day received the news that not only was music's reigning king going to come out with a record conveying his **GI Blues**, they were actually making a movie about it, the very first Elvis movie ever! Experience the music that brought Elvis's GI Blues to the whole world!

I can't Get Next To You, Aint Too Proud to Beg, Get Ready, ("Cause Here I Come)—and of course, *My Girl*. That list is enough to make a body wanna move and groove!

ELVIS!

Folks, you can feel it, that showbiz earthquake the moment this recreated performance of The Legend of Legends hits the stage! Yes it's Elvis himself, not just some of Elvis,

but glimpses of all of Elvis—Elvis from the 50s, from the movies, from Vegas—all leading up to the ultimate Elvis—from *Dixie, The Battle Hymn of the Republic* to Gospel and beyond—it's all here. And for the grand finale, we can almost guarantee, Elvis will thank you, *thank you very much!*

ELVIS LIVE! Starring Elvis' Cousin JERRY PRESLEY & THE TCB GROUP*!

(*Elvis Translation: Takin' Care of Business!)

Wow! Three full-blown productions of authentic Elvis shows—complete with the Elvis entourage of keyboards, horns, electrics, percussion—and of course his legendary Gospel backup group! Anyone of any generation who never knew how insanely awesome an Elvis concert was—here's your ticket to rock 'n roll heaven! The most common reaction (and quote) from fans "in the know" is this: "It's the most authentic Elvis show I've ever seen!"

What other Elvis performer is related to Elvis three ways, hung out with Elvis, was encouraged by Elvis, attended over a dozen Elvis concerts and even served in the Army

like Elvis? But folks, that's not all! Like Elvis—Cousin Jerry even has a twin brother!

Says Jerry, "I'm not an impersonator. I'm a family member doing the songs of Elvis and I try to keep it as authentic as I can. You will never see me do things that Elvis didn't do."

Elvis couldn't have found a better guy to carry on his legacy. A devout Christian, Jerry's life hasn't suffered the turbulence that befell Elvis—yet the kindness, respect, generosity and even heart for God that Elvis was known for—is alive and well in cousin Jerry Presley—the one we believe to be very much the keeper of flame. ♦

Elvis & Jerry

- Jerry is related to Elvis 3 ways • He was one of the first Elvis tribute artists out there • Elvis's Manager Colonel Parker disapproved of Jerry • Elvis came to Jerry's rescue, encouraging him • Jerry attended over 13 Elvis

- concerts • He met Elvis at Graceland • He treasures several gifts Elvis gave him • He met briefly with Elvis backstage in June of '77 • In August, he received a note from Elvis apologizing for the short meeting and inviting him back to Graceland • Days later, Elvis died • At Graceland after the funeral, Jerry ran into Elvis's Dad Vester sitting on the stairs. "I

guess it will never be the same around here anymore," said Jerry. With tears in his eyes, Vester answered, "No, Son, I guess it never will be." • "Elvis was a humble guy," says Jerry. "He didn't put himself up on a pedestal. He loved people. He was such a giving person. There will never be another Elvis."

Tribute Shows APPEARING LIVE AT GOD & COUNTRY!

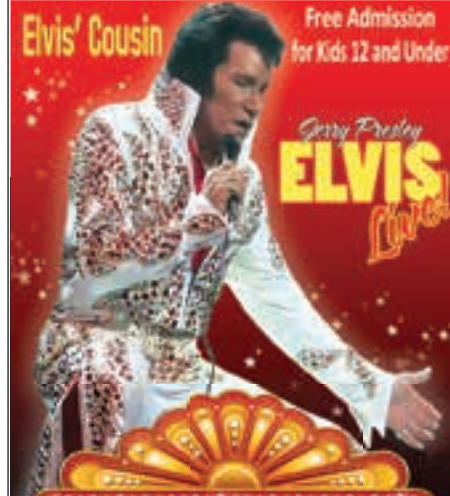

Jerry and Elvis

- Jerry is the only authentic relative of Elvis, (2nd Cousin) who is performing Elvis shows.
- Jerry launched Branson's first Elvis show in 1984, building his own theater and naming it "The King's Mansion", designing the front of the building to look like Elvis's home Graceland.
- Jerry is the only Elvis performer who, in a period of over 26 years, has traveled and performed with Elvis' original backup singers **The Jordanaires, The Stamps Quartet and The Blackwoods!**
- After the untimely passing of Elvis, Jerry, being part of Elvis' extended family, acquired a vast collection of Elvis's personal possessions, some of which appear on display in Jerry Presley's God & Country Theater. Among those possessions are personal letters to Jerry from Elvis.
- Jerry is the only Elvis performer who has been with Elvis, had conversations with Elvis, received personal letters from Elvis—and, well—is *family!*

The Show of Their Lifetimes!

MORACE FAMILY LISTEN TO THE MUSIC!

NOW AT JERRY PRESLEY'S GOD & COUNTRY THEATER!

Good News: Now Branson gets a family show that has been captivating audiences of all ages ever since the show's founders became a family—or technically, since the founders found each other, got married, started a family and became a traveling family show!

For years, this family who hails from South Louisiana—would pack up their reportedly “gigantic” family van and hit the road to perform in churches, public events, recording studios, TV programs, music festivals and more. Then on Sunday nights, the fam would head for home to be back in time for the daughters to wake up and head to school after a good night's sleep in their cozy van home! But a few years back, this performing family discovered Branson, which they fell in love with on day one. And the rest is history.

Now we get to experience what much of America has been treated to for decades—an entire season of **The Morace Family's Listen to the Music Show**—live and in person right here at **Jerry Presley's God and Country Theater!**

SHOW STOPPERS!

When it comes to what “the biz” calls “show stoppers”, well, about every piece of music this production performs

qualifies. No matter the age, (child, teen, young adult, older adult, or even way older adult) music here is going to tap into “the music of your life” as they say. And wow, what a performance!

For starters, the voices of a family singing in harmony sound amazingly angelic. But wait—it gets even better, for this group fluently switches their parts, alternating between soprano, alto, and both high and low tenor! The results are pretty much this:

ALL IN THE FAMILY!

Left to right are Morace Family stars Bethany, Leisa (a.k.a. “Mom”), Tristan, Robert, (a.k.a. “Dad”) and Somer.

they can sing anything and make it sound heavenly.

Then come the instruments, (a live band), the accompanying performers, the comedy, (hilarious) the veterans tribute, and a show segment of pure inspiration.

To help paint a musical picture you can almost hear (if not see) we can drop a few hints by drawing from the show's song list: There's *Dream* by the Everly Brothers, *Love Can Build a Bridge* by the Judds, there are instrumentals from the likes of John Tesh, There's *Danny's Song*, *Walkin' on*

Sunshine, *Boondocks*—or simply put, it's a show that includes music we all love, plus a heart stirring patriotic segment and an inspirational Gospel finale. Audience reactions? A pretty much unanimous “thumbs up”!

THEIR STORY

Music in the Morace family began, well, pretty much at the *beginning*. **Robert**, the husband and Dad of the group, started playing piano in church at the age of 3. Since then, his talent has never stopped growing.

Leisa, Robert's wife (and the Mom in the group), also began her career as a child singing in church, (located in a small Louisiana town just a few miles from young Robert's.)

Like Robert, Leisa's talent and her love for singing never stopped.

The two met when a group Robert was performing in was in need of a female vocalist. Since the girl trying out for that role lived in a small town that was

on Robert's way to his rehearsal, he was charged with picking up the applicant for her audition. The two immediately hit it off. The girl, (Leisa) got the job (of course). Then came love, then came marriage, then came children—and the music never stopped.

Tristan gets double-smooched.

Variety of
**COUNTRY • GOSPEL
POP • PATRIOTIC
& MORE!**

Both of the Morace daughters, without any pressure from the parents, wanted to sing with their family from the very “git-go” (as they say in Louisiana). What fast became apparent, was the amazing vocal gifts both girls had. It wasn't long before the family became a family singing group. They began in church, travelled to other churches, then performed at events, festivals, shows, and on TV. In-between, they would hit the recording studios in Nashville to produce their latest album.

Then comes the show's superstar, (a title every parent and grandparent would likewise declare of their own.) He's the Morace grandson **Tristan**, (ten year-old son of Bethany.) Tristan sings, plays keyboards and—well, as seen here, can even endure kisses! (*Tough gig!*)

Finally, this family story (and show) has a happy ending. It comes when the show's Gospel music finale sings us the good news that today, even today—can be a new beginning. ♦

THE BECK MUSEUMS OF BRANSON PRESENT THE WORLD'S LARGEST TOY MUSEUM PLUS:

If you haven't been there lately, then you haven't been there. Giant new add-ons to this mega attraction have been rolling out over the last few months faster than a 1925 Lionel freight train!

Let's get one thing straight—yes it truly is the **World's Largest Toy Museum**, (over 1 million toys), but don't get stuck on that word "museum". This isn't just some relic show. For most folks, a trip here turns into one of the funnest experiences ever—whether the folks be Moms and Dads with the kids in tow, the grandfolks—or even (no kidding) newlyweds! Yes, you heard right—*newlyweds!* Seems toys spark memories that the newbies begin to vocalize—pretty much a giant leap in their new life of getting to know each other!

Fun Stuff Galore!

The minute you step inside this monster attraction comprised of six different inside pavilions, you'll feel more like you've walked into a lively theme park than some still-life-of-a museum!

Miniature Towns,

a circus!

The family of Doug and Andrea Fritz from Lakeland, Florida gazes excitedly at the attraction's 37 foot long HO gauge train complex. Four year-old Julia looks particularly fascinated, while little one-year-old Olivia appears borderline mesmerized! The exciting "show" includes switchyards running three main lines, freight loading, tunnels through mountains and valleys, and of course the sounds of those chugging locomotives and those "lonesome" whistles!

Among all the pleasant background noises of toys and games both mechanical and electronic, you are likely to hear shrieks

of delight, giggling kiddos—and the unmistakable soundtrack of voices telling the stories this place so magically inspires!

Just Go!

Just so you know, this is not just old stuff from flea markets or garage sales. These are enormous collections gathered from all over. We'll explain that later. First, a little name-dropping here to help paint a picture of what you can expect to see—a giant Star Wars Collection, Star Trek, Marvel, Barbie, TV Westerns from the 1950s, GI-Joes wearing just about every uniform in history, the most spectacular model train set up ever, courtesy of The Roark Valley Modular Railroad Club, model circuses (created by The Circus Model Builders Association), sports memorabilia, Native American artifacts, bicycles, cap guns, car toys, (probably more than you'll see in your lifetime,) planes toys, pedal toys, models, farm toys, firemen toys, police toys, Care

The Inside Scoop

Let's take a look around. To orient ourselves in this huge toyland, know that there are six distinct areas located in three adjoined buildings on three levels, each with amazing gift shops that you're going to love. (A set of chattering teeth, anyone? How about some **Pez? Hot Wheels? Yo-yos? Tinker Toys? Retro Barbies? Lincoln Logs?** Some **magic tricks** the store hosts will be glad to demonstrate for you? Perhaps a set of **ball and jacks**, or a **Daisy BB gun?**

Says longtime museum host Ron Howard, (not the Opie guy), "We've got lots of nostalgia items you won't find anywhere else. Some don't have buttons or screens or batteries," he laughs,—"so kids today sometimes don't know what to do with them!"

RETRO FUN!

Neil and Karen Bruner of Little Rock, Arkansas help the kiddos discover the fascinating world of tinker toys and legos at one of the museum's interactive play areas. 8 year-old Gavin seems to be building upwards while 4 yr. old Gabby works on a new set of wheels.

two, and even into fightin' words with my dear, sweet Better Half. But come a day, like most of you know, I gave up on myself, threw my life before the Lord, and asked Him to take this ornery piece of work and give it a new life.

I hear them "Amens" from you all and I thank you for 'em. But I ain't finished.

Now it's true, friends, that I did throw my whole ornery life before the Lord and that I did ask Him into my heart. Then from then on, I asked Him to make me a new person. And He did. I knew that I knew that I knew that He was my Heavenly Father and I was His son forever.

Then I went to work turnin' over a new leaf. I started reading that big ol' dusty Bible on the coffee table. I went to church to hear preachers. I prayed to Our Heavenly Father about ever'thing. I talked to Him all day long. And He was changin' me. The wife saw it. Folks like you saw it. But I knew and He knew that somethin' wasn't quite right. No matter what I prayed, I'd bumble and stumble over some silly thing that seemed over some silly thing that seemed to knock me out of the saddle.

After many weeks and months of this never-ending battle, I couldn't go on. It came to the point where I just ended up telling Our Good Lord the truth of the matter. What I told

Him was this: "I give up. No matter how I try, I just can't be right. All I end up doin' is keep comin' back begging for forgiveness. Why can't I ever get things right?"

That's when I heard the voice of The Lord speak so loudly in the inside of me that I could almost hear Him with my ears when He said, "Did you love your children?"

Friends, that voice broke me. I couldn't even answer with my own voice. All I could do was nod as my eyes started filling with tears.

"Were they perfect?" He asked me. I shook my head "no."

"Are they perfect now?"

And them questions kept comin'. "Are your Grandchildren perfect? Do you love them? Is your wife perfect? Do you love Her?"

And that friends, was the day that I truly began to know that God loves me. Nothing, and I mean nothing—has ever made me love Him more.

It was also the day I began to see you the way He sees me. And yes, that's when I started, just started—to truly have His kind of love for you ornery outfits!

You want a perfect preacher? Well, then I'm here to tell you, I give up. The Good Lord's perfect. I ain't. But I do aim to not stop tryin' to be like Him—*so help me God!*

We're all in this together. But we're growing, and our Good Lord ain't ashamed to use each and ever one of us to help us all grow to be like Him. Amen?

All right. Here's your scriptures to help you make sense of all this. ♦

If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins and cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar and His word is not in us.

—1 John 1: 6-10 (MEV)

So now abide faith, hope and love, these three.

But the greatest of these is love.

—1 Corinthians 13:13 (MEV)

(*totally*), *righteously rad* stuff to see, *bodacious* stuff to eat, and *stellar* 80s stuff to shop through! But people, even *that ain't* all! The attraction's new *bad-to-the-bone* eatery, (**New Wave Café**) will be featuring not only karaoke fun, but **incredible live bands** playing nothing but classic 80s jams! *Woah, dude! That is so fly!*

STUFF TO SEE

Hollywood memorabilia—(like **Mel Gibson's** actual motorcycle from *Lethal Weapon 3*, or that car out front from *RoboCop 2*), boatloads of signed *boss* movie posters and *rad* record albums (**Madonna, Cyndi Lauper, Michael Jackson**—and ka-gillions more—corridors of movie scenes, movie characters and iconic pop stars that, interestingly, are the *exact same size* as the celebs in *real life!* *Dude*, we thought those stars were so *humongous*, but *woah*, they're like regular, or even smaller, like *us!* Trust us, get a picture of you beside some! It's *wicked* true! As for 80s memory triggers, should we name names? Okay. **Top Gun, Flash Dance, Teenage Mutant Ninja Turtles, Batman, Star Wars, Indiana Jones, Terminator, Bill & Ted's Excellent Adventure, Footloose, Beetlejuice**,—oh, let's go on to music—**Bon Jovi, Van Halen, Blondie, ACDC, U2, Prince, MC Hammer, Bruce Springsteen, Whitney Houston**, oh *duh*, this list could go on forever! It's fun walking into Hollywood movie scenes, as long as you can walk out at any time! We promise, hand on the Bible—you *can*, unless you prefer to just enjoy the creepy stuff as long as you want!

A WHOLE NEW WORLD! AT BRANSON'S WILD WORLD!

Whether you've been there before, or never before—Season 2024 is a whole new world at **Branson's Wild World!**

Expect new adventures, stunning new attractions, amazing background music that makes us feel like we're in an epic wildlife adventure, (which, of course actually we *are!*)—and once again, experience a **transformed shopping area** whose specialty gifts, toys and education items fulfill us animal lovers' wildest dreams!

Oh, and one more thing—expect new wildlife. *Much* new wildlife!

HANDS ON

Feed sharks. Real sharks. Get eyeball to eyeball with howling wolves, mountain lions, living dinosaurs—all returning stares mere inches away! Hold a boa. Pet dingos. Enter an undersea world and try a round of mini-golf, while sea creatures swim among you. Or just watch you.

ANOTHER WORLD!

As you will quickly discover during your website investigation, Branson's Wild World is no typical zoo and aquarium attraction. Here, wild animals are not hiding under rocks or snoozing in the dark shadows of some faraway corner. Instead, they inhabit beautifully crafted habitat that keeps them comfortable, active and happy while you visit their spaces—up close. Very up close.

NEW STUFF!

The Abyss: The Search for The Lost City of Atlantis! More crazy-looking sea creatures, like that 20' giant eel, or those 16' manta rays, or that "gulp" monster croc! Lots of new wild and crazy wildlife. Lots of new giant animatronics. Sort of a Disney gone wild. (Our words, not theirs.)

YeeeeEEESH!

SHARK TANK!

Mini-golf the Wild Abyss under the sea, as real creatures swim among you, (real and unreal)—or just watch.

NEW!

Have some hands-on fun with our rare and exotic Lemours! **Lemurs** (from Latin *lemures* – ghosts or spirits) are mammals native only to the island of Madagascar. They chiefly live in trees and are active at night.

Until shortly after humans arrived on the island around 2,000 years ago, there were lemurs as large as a male gorilla.

Modern studies of lemurs did not begin in earnest until the 1950s and 1960s. Initially hindered by political issues on Madagascar during the mid-1970s, field studies resumed in the 1980s.

Many lemur species have already gone extinct in the last 2000 years due to human activity. Because of these threats and their declining numbers, environmentalist groups consider lemurs to be the world's most endangered mammals, noting that as of 2013 up to 90% of all lemur species confront the threat of extinction in the wild within the next 20 to 25 years. Many efforts try to preserve lemur habitats as well as promote public awareness and appreciation for lemurs.

LEMUR LOVE!

WORLD CHANGERS

All winter long Branson's Wild World transformed the environment of this amazing attraction into an all-encompassing, immersive experience. As far as the scenery and theatrical effects, you might at first feel like you've entered a Disney creation. That notion soon evaporates, as the sights, sounds, and atmospheres transport you beyond the realm of fantasy and imagination and into the very worlds where those wild things dwell — a world you can feel, and even touch.

Snake Hugs!

CREATING ATTRACTIONS WORLDWIDE

The designer, owner and operator of Branson's Wild World is known throughout our wild world as a leading expert in the design of tourist attractions. After creating over 300 different attractions in over thirty countries, St. Louis native **James Kelly and his wife Lisa** have decided to call Branson home and make Branson's Wild World their labor of love.

A creative visionary much like **Disney**, James seems to be constantly adding new animals and new attractions to Branson's Wild World. As we studiously observed, he seems very "hands on" and "24-7". We couldn't resist asking him—what's the motivation? More visitors? More money? More fame? More *anything*?

GLOBETROTTERS!

World renown attractions designer James Kelly & his wife Lisa.

To that, James shook his head "no."

"I do it 'cause it's fun."

And there you have it: the very reason why this place is so fun! ♦

IT'S GOTTEN WAY WILDER AT BRANSON'S WILD WORLD!

Thanks to Wild Valley

**NEW Outside Foot Safari!
Wildier Animals. No Extra Charge!**

**UP CLOSE
& PERSONAL!**

Yes, all of us can get as close to lions and tigers as caretaker Efrain Malagon, who is seen here offering free head massages to two takers—yet alas, a see-through protective shield now keeps the rest of us from offering that service. But we still get to cozy up.

Shocking news: Just now, for no extra charge, we can step into a lovely new outdoor safari at **Branson's Wild World**,—and get face to face and eyeball to eyeball with some lovable lions, tigers, wolves, cougars, jackals, dingoes, arctic foxes and more! **Goosebump alert:** These animals are adorable—until it suddenly dawns on one's self that folks like us, to them, could look kinda delicious!

Welcome to **Wild Valley**—the outdoor world of the indoor **Branson's Wild World!**

Follow us as we step outside of Branson's Wild World and enter a wild valley where we can get inches away from some magnificent beasts. By the time we read this, however, a beast-resistant see-thru super shield will keep our flesh from their paws, claws and jaws. So now we can safely charm them with sweet talk and stare admiringly into their deep, alluring eyes. And watch them stare back. Lock eyes. Lick teeth. Roar. (*Gulp.*)

This place was already one of the price friendliest animal attractions out there. So—with all these exciting new add-ons—are we ready to take a walk on the outdoor *wild side*?

Oh yeah! ♦

A young adventurer poses for his Mom, (plus our paparazzi) while on safari at Branson's Wild World. (Note the curious passenger in the back of the SUV. Yikes.) But fear not, visitors can safely pose for this "money shot" with their ferocious hitchhikers thanks to a sturdy glass barrier. *Whew!*

A STAR IS BORN!

And that pretty much happened on his birthday, (date of birth, to be precise), when his parents gave him the name **Bobby Darin**—one of those names written in the stars, so to speak.!

Born into a showbiz family, it seems to be no surprise that 19 year-old **Bobby Darin Allynn** is performing as a tribute artist in three Branson shows, (unless we've lost count and he's in more).

For starters, Bobby makes a special guest appearance as the legendary **Roy Orbison** in the **Carpenters Once More Show** starring **Diana Allynn**, who of course happens to also be Bobby's superstar Mom! (We thought we'd gotten the inside scoop about Diana back on page 14, but now we're learning about Bobby!) Drawing from Roy Orbison's amazing repertoire, we may hear amazing Bobby as amazing Roy sing us legendary hits such as *Oh, Pretty Woman*, *Blue Bayou*, *Cryin' (over you)*, *Only the Lonely* or who knows what else? We just gotta come expecting!

That all being said, we haven't even touched on what young Bobby is best known for in Branson Showbiz world! As all Branson Insiders well know, **Bobby is Elvis**. Yes, he is and he always has been—just about ever since he was even old enough to sing his first song! Some of that gift, no doubt, comes directly from Bobby's

Roy Orbison

Dad, legendary tribute artist **Keith Allynn**, who stars in the **Neil Diamond Tribute**, (which we read about back on p. 15), but for many a year starred all over the country (and even in cinema) as a legendary **Elvis** tribute artist!

Elvis fans will be lucky to catch Elvis, (er, make that "Bobby as Elvis")—every Saturday night from 9pm to 11pm at Branson's 4 Seasons Jazz Lounge. But here's the extra surprise: Bobby also does songs and impressions of a whole host of other legendary superstars, which

of course makes sense, since he not only grew up in a showbiz family, but performs his amazing tributes all over America, as he goes on tour every winter with Mom and Dad! So—to catch a rising star—those are your inside scoops! ♦

My Voice Continued from page 9

just that, a dream. I needed a nudge.

God had to take me out of my storybook town so that I could create a Hallmark movie of my own.

My days with Shoji helped to fade the green off my inexperienced resume and give me the confidence to continue singing. It was those days that opened the door for me to audition for the Baldknobbers. The rest is history. I fell in love with my husband, gained four beautiful kiddos and I am now blessed to help carry on a tradition that started Branson sixty-five years ago.

That college grad who thought she was oozing with sophistication was, in hindsight, quite dense. The culture and tradition that I grew up with in Pella is exactly what I stepped into when I joined the Baldknobbers. It just wears cowboy boots instead of wooden shoes.

The pride I feel for my hometown

is what my husband feels for his rich family tradition. I think maybe that's why I understand his deep passion to preserve his family's legacy. For him, Baldknobbers is home. Baldknobbers is his Pella. Perhaps God brought us together for just this reason—a shared understanding that the heart never leaves it's true love, it's home. Perhaps this shared understanding is why each Spring, Brandon comes home with an arrangement of tulips. He has never forgotten that a piece of my heart will always remain in Pella.

Someday, when the glitter and rhinestones are gone and the stage is dark, I believe you may just catch me tiptoeing through the tulips once more, thanking them for painting their beautiful colors on my heart—colors that never fade and are always waiting there, each and every Spring. ♦
