Tyler Jackson	Gent u18	Recurve	659	105	21

Weather: Warm sunny start, cloudy later and turning cool. Slight breeze at start increasing slightly from S to SW (cross wind from Right Hand side)

Thank you everybody for taking part in our first shoot of the outdoor season especially members who helped set up the equipment and put it away again. It's your enthusiasm, participation and assistance that makes it worthwhile organising the event.

**Please Note**

All scores have been checked and the corrected scores shown. Remember, always keep your own scores to check addition.

Also, when adding odd number arrow values in an imperial round, you can't have an even number score with an odd number of hits. Nor even hits with an odd score.
