GUARANTEE All bulls selling for \$3,500 or more will carry a first breeding season guarantee. If a problem arises, please call us as soon as possible. If for some reason the bull dies within the first breeding season, we will credit you 50% of the purchase price.

HERD HEALTH All bulls have been footrot vaccinated, fertility tested, and scrotal measured.

BULL BOARD Free board on all bulls until March 15th. Feeding arrangements are available until May 1st @ \$3.00 per day. We offer free delivery within a 200-mile radius on bull purchases of \$5,000 or more. We will assist with delivery on all purchases. Delivery will start in mid-March.

SEMEN INTEREST Swanson Cattle Company is going to retain 50% semen interest in all bulls selling. This means that if semen sales develop on a bull, the buyer and seller would split revenue equally. Also if the seller would want to use the bull for in-herd use, the seller would collect the bull at the seller's expense and the buyer's convenience. The buyer would have all possession rights.

TERMS OF SALE Cash, unless other arrangements are made prior to the sale.

BIDDING All animals sell to the highest bidder. Any disputes or challenges regarding bids shall be settled by the auctioneer and his decision shall be final. Mailed or telephoned bids may be forwarded to the auctioneer, representatives, or ring men and will be handled with strictest confidence. Prior arrangements for telephone bids at sale time must be made.

LIABILITY All precautions possible will be taken to protect the safety of the buyers and others attending the sale. Nevertheless, no responsibility will be assumed by the auctioneer or the host ranch in the event of accidents or of loss or damage of property.

VOLUME DISCOUNTS Purchase 5 or more bulls for a 5% discount.

ONLINE BIDDING

The sale will be broadcast live on DV Auction. Please register a few days in advance of the sale. Call 402-316-5460 for assistance getting signed up to bid.

Welcome TO THE SALE!

Welcome to our 36th Annual Production Sale. We are happy to announce that we have moved our sale date to March 1st. This move is to put our sale back to back with Warner Beef Genetic's Sale on March 2nd. This change will allow you, our customers an opportunity to see 250 bulls in two days. As valuable as time is these days, we hope it is more convenient. Also this year we will have a short program preceding our sale at approximately 11:15 am. The speaker will be Mr. Tanner Aherin from Cattlefax in Denver and will be discussing strategies and marketing. Please plan to join us.

For 39 years, we have worked on building our cow herd. Although we feel like we have an outstanding set of bulls offered for sale each year, we never give up trying to improve on our herd. Our goal is to produce the most efficient breeding stock on the market today and share these genetics with other Gelbvieh, Balancer, Angus, Red Angus, and SimAngus breeders. This year we will have approx. 65 Balancer and SimAngus Bulls, also featuring 20 stout Fall and 2 year old Red Angus Bulls, and 25 Yearling and Fall Angus Bulls.

We feed these bulls a total mixed ration to develop these cattle towards their potential in a more consistent manner to better preserve the integrity of their longevity.

We have another strong set of Bulls to offer you in 2022. Every year we feed some home raised calves. We consistently have closeouts with A.D.G.'s of 3.5 to 3.8, cattle that grade 90 -100% choice or better with a high percentage of 1's and 2's and convert from 5.1 to 6.1. This past year we shipped a pen of raised calves that brought a \$149 PREMIUM. In a tough market this is the kind of thing that turns red to black. In a good market premiums really add up. If you don't retain ownership these calves will make replacements for your herd or be sought after as feeders. Cattle like these make MONEY and TASTE good. The foundation of this cow herd is calving ease, maternal instincts, performance, and proven carcass merit.

Our sale this year will be broadcasted live on the internet by DV Auction (www.dvauction.com). Visit this website prior to the sale to create a log in and register as an online bidder. The customer service phone number is 402- 316-5460. All bulls will be available for you to see prior to the sale at our ranch. We would like to thank you for supporting our operation. We are pleased to be partners with you.

We look forward to seeing you on March 1, 2022 at the ranch. If you cannot attend, please contact Jeff, Seth or one of the field representatives, ring men, or the auctioneer with any questions.

Thank you for considering Swanson Cattle Company for your production needs. Our Promise to you is, "NO BULL", just the REAL DEAL.

Jeff Swanson

TWO PROGRAMS. TWO SALES. Unbelievable Opportunity.

JOIN US FOR AN EDUCATIONAL TALK FROM CATTLEFAX - MARCH 1 - 11:15 AM

Listen to Tanner Aherin discuss strategies and marketing just before the sale.

ABOUT TANNER: Tanner Aherin grew up in Phillipsburg, Kansas, where he was involved in the commercial cow-calf sector and remains active in the seedstock cattle business. Tanner attended Kansas State University, where he received a bachelor's and master's degree in Agricultural Economics. His research focused on risk management in the cattle markets, with an emphasis on cash settlement in the futures complex. While at Kansas State, he was a member of the Reserve National Champion Livestock Judging team. Tanner joined CattleFax in August 2018 as an analyst. His primary responsibilities include research and analysis for all sectors of the cattle industry. Tanner also covers the Nebraska fed market and works with cow-calf and stocker members in the southeast.
