EVENT OVERVIEW

"Golfing for Wishes" invites you to swing for a cause! This event aims to raise funds for granting wishes through Make-A-Wish®. Join us for an exciting day of virtual golf at Tee'd Up Golf in Lexington, where participants can showcase their skills and compete in a friendly yet competitive atmosphere. The event is scheduled for April 8th from 12-3pm, promising a fun-filled afternoon for players of all levels. Following the tournament, engage in the excitement of our Silent Auction, featuring an array of enticing items up for grabs. Your participation not only promises a memorable day on the greens but also contributes towards making dreams come true for children in need. Let's tee off together and make wishes a reality!

WISHES BY THE NUMBERS: Since its founding in 1980, Make-A-Wish has granted more than 360,000 wishes from wishing to dance onstage with ballerinas to spending time with a favorite celebrity or maximizing family time through a backyard makeover, wish children have enjoyed unforgettable, inspirational wish experiences that are as unique and creative as the wishkids themselves.

Last year, Make-A-Wish was still able to grant more than 12,800 wishes throughout the U.S. and its territories, more than 27,000 wishes since the pandemic began, while adhering to health and safety guidelines put forward by the Make-A-Wish National Medical Advisory Council and national and international public health and government organizations.
