SPONSORSHIP OPPORTUNITIES

Reno Huskies Lacrosse

FUNDING PRIORITIES

"Reno Huskies Lacrosse" is comprised of the JV and Varsity teams for girl's and boy's lacrosse at Reno High School, where it is an unsanctioned, school-recognized club sport. The program receives no funding from the Washoe County School District and must rely entirely on player dues and fundraising to support the program's over 70 student-athletes.

Student-athlete dues cover 65% of the program's meager budget, therefore the remaining expenses must be met by fundraising efforts. Annual budget expenditures include **field usage and preparation, rented bathroom facilities, referees, uniforms, equipment, coaching stipends and more**. There are no extravagances or unnecessary line items in the teams' budget, only what is necessary to fund each season.

High Sierra Huskies Lacrosse is the organizing entity for Reno Huskies Lacrosse a registered 501c 3. Your contribution is tax-deductible as allowed by law. Tax id # 20-4097038.
