Stay Safe in the Water - Watch for Rip Currents

Rip currents are the deadliest and most common hazard people face at the beaches of North and South Carolina, as well as along most of the coastlines of the world. The United States Lifesaving Association (USLA) estimates rip currents are responsible for about 100 drownings each year in the United States and over 80% of lifeguard rescues. Between 2000 and 2022, there were 179 rip current

drownings (~8 per year) in North and South Carolina. This number far exceeds any other weather-related fatalities during that time frame, making rip currents the #1 weather related killer in the coastal Carolinas. With millions of people visiting the beaches of North and South Carolina each year, it is very important rip current awareness and education continues to be promoted to help keep the public safe.

Welcome to Brunswick Beach Communities... Just This Side of Paradise

By Joanne Thompson

Welcome to a season of summer, sand, surf and sunshine! Brunswick County beaches are home to many locals and a haven for visitors. The **North Carolina 4th of July Festival and Parade** officially kicks off a celebration that is pure Americana on June 30th. We who live in this Paradise share the beauty. Increased crowds and traffic ask for patience. Let's smile, relax, and dial back the need to be in a hurry.

There is plenty to do along the Brunswick beaches as this paper lists. Live music is found everywhere. Outdoor markets offer fresh produce and local crafts.

Here is some information to help you find something new this summer.

Sunset Commons Shopping Center, in Ocean Isle Beach, has a change of ownership where Bada Bing Bagels formerly was and will offer a bakery and coffee shop.

Speaking of bagels, the **Original Famous Bagel Dock Cafe of Calabash** is in no way affiliated with any other bagel establishment.

The Joyce, an Irish Pub in Brunswick Forest in Leland celebrates Thursday \$8 Cheeseburgers and \$4 Brews; Pub Trivia Night and Nacho Wednesday; Tuesday \$2 domestic beers and \$.75 wings.

Leland Brewing Co., 2115 Ale Ave., opened with 9,000 feet of space to house brand new brewing equipment and space to enjoy a brewski!

In Leland too, **Pizzetta's** in Brunswick Forest is more than pizzas. Daily dinner specials speak to the

foodie in all of us. The outdoor patio is welcoming, and a popular meeting place.

Looking for a powered place to store your boat or RCV? Look no further than **Powered Storage** in Leland, 9550 Ploof Rd., featuring touchless gate entry, remote condition monitoring; and parking spots from 27ft to 68 ft.

Smoke'd, 4812 Main St. in Shallotte, reportedly is a smokin' hot place to eat... what else, but smoked meats. It features casual dining along the beautiful Shallotte River.

Mimi's Sandwich Shack in Boiling Spring Lakes, on George II Hwy., is busy serving up home cooking style lunches and dinners that are hearty, pleasing, and reasonably priced. Don't cook. Stop and treat yourself. Friday fried flounder plates fly out of there.

Opening is imminent for **Carolina Crab Brewing** on Long beach Rd. between Southport and Oak Island. Permits and personnel issues are the hold up.

Southport Suzie's, 4956 Old Long Beach Rd. has wine, wine tastings, live music, and frozen sorbet and yogurts. It has become a place for families and friends to meet up and enjoy time together. Whether it is a kid's party or an adult's night out, Suzie's accommodates.

In Southport, **Ports of Call** has a bar special from 5 to 8 pm featuring 1/2 priced select tapas for bar seating only. Check out live music nights and the around the world themed full course wine dinners. Each Sunday the Ports of Call Brunch gets cre-

ative with savory and sweet choices.

Fizzy Jane's, near the Southport Marina, is open Thurs.-Sat. 4:30-9:00 pm. Brunch on Saturdays and Sundays sports some mighty fine fizzy drinks and selections.

If you are of the Vegan persuasion or just like eclectic cuisine, head to **Cafe Koa** on Howe St. and you will be delighted. The Vegan and gluten-free choices taste divine!

Haven, 307 N Howe St., is more than a wine bar. Truly a taste of Italy can be experienced here when the authentically made gelato hits your tastebuds. Mamma Mia... mul-to bene! If your taste runs to good Italian wine, craft beers, Italian specialties, and good live music...this is the place to be.

Visit the shops on midtown Howe Street: **StrEAT Side Cafe** now has Ken's homemade cheesecake with fresh lemon curd to complete Ms. Rhonda's lunch specials; Loco Jo's clearly has fresh catch of the day choices with a decidedly Asian accent; **Cat on a Whisk** has everything any foodie could ask for when it comes to cooking or eating or both, from literally soup to nuts; **Uncorked by the Sea** has tasty wines and gift and artwork; **Renee's Jewelry** has a bauble or two to help you celebrate anything; Stop in or order early to get the yummiest cakes and baked creations from **Side Street Bakery**; drop in to **Southport Cheese Shoppe** and you will want to try everything from select cheeses to creative sandwiches, to freshly baked baguettes, bagels and breads, to charcuterie boards to sauces, hon-

ey, and mustards; treat yourself to a fresh bouquet from **Wild by Nature**. Owner, Robin Weir received her Emc European Masters Certification. She can meet your floral heart's desire.

On Oak Island: **Crossroads A Gathering Place** is just that and more. Small local shops and artists are housed here. Wine, craft beer, specialty coffees and teas and sweets and savories can be purchased and enjoyed while sitting on the beautiful wraparound porch, savoring the view of the ICW. Live music and food pop-ups happen here as well.

Shagger Jack's has new owners and will stay a restaurant. Chef Lawrence has moved on to Lonerider at Oak Island taking his Cajun recipes with him.

Paul's OKI sports bar on E. Oak Island Dr. has lunch specials that change weekly. Monthly Skee-ball competitions are held usually in conjunction with a craft brewery.

Looking for some cool gifts? Looking for guitar sales, etc. visit **Dunes Mercantile** on E Oak Island Dr. You can find what you need here.

New to Oak Island, located next door to Publix, **Outer Banks Boil Company** opens in time to provide complete boil dinners for take out or for group catering. Let Outer Banks Boil Company cook and set up a boil for your party and even clean.

Shop local. Support our community businesses. They are there for you please, be there for them.

Have a glorious summer season. Be Safe. Enjoy Brunswick County!

Dosher Memorial Hospital Foundation Establishes Endowment

Dosher Memorial Hospital Foundation announces it has established an Endowment investment fund with the purpose of providing essential, long-term support to Doshier Memorial Hospital. Endowments can be established for a specific purpose or for unrestricted general support for Doshier Hospital. Donors can establish an Endowment fund whereby the capital is invested and the income from the donor's investment is used to support an area of health care. The principal is protected and only the income, or a portion of the income, is expended. There are many ways donors can either contribute to the existing Endowments, or create their own named Endowments. These include giving cash, stock, retirement plan assets, real estate and making pledges or deferred gifts. After the Endowment has been established, additional gifts can be added to the Endowment at any time, either during a donor's lifetime or through their Estate. Income can be designated according to the donors wishes.

Said Lynda Stanley, President and CEO of Doshier, "The Doshier Foundation's Endowment Fund will provide an opportunity for our donors

to make a lasting impact on local healthcare through the steady source of income that an endowment provides. We are grateful for everyone who supports the Doshier Foundation and the difference they make in our community."

Antonette (Toni) McAndrews added "Endowments are powerful because they deliver a dependable, perpetual source of funding. To establish an endowment is an investment in the future and makes a difference in our service area."

The Doshier Memorial Hospital Foundation was established and began operating in March of 2010. The Foundation's primary responsibility is to encourage a steady flow of funds to the hospital from individuals and organization within the hospitals' service area. These funds enable Doshier Hospital to continue providing its patients with the finest healthcare equipment, programs and services possible, as well as provide the resources necessary for construction expansion and remodeling projects.

For more information, call the Doshier Foundation at (910) 457-3936 or visit www.Doshier.org/Foundation.

Brunswick County Association of REALTORS® Donate More than 600 Books to Shallotte Rotary Club's Little Library

The Brunswick County Association of REALTORS® "BCAR Cares" Task Force recently teamed up with Shallotte Rotary Club to collect books for the Rotary Club's Little Library, located in Mulberry Park. BCAR members collected over 600 books for donation in just three weeks, enough to keep the library full throughout the summer.

"Most people know reading is important, but it's easy to forget that not everyone has easy access to quality books. The Little Library is one way we can help make books available at no cost to people in our community who need them," said BCAR CEO Cynthia Walsh. "Many Shallotte Rotarians are also REALTORS®, so this partnership came

very naturally."

The BCAR Cares Task Force is a group of BCAR members working to create programs that all BCAR members can participate in to give back to our community. If you know of an organization that the BCAR Cares Task Force should consider supporting as a part of our Cares Program, please complete the application on our website, <https://bcar-nc.com/home/bcar-cares/>.

The Little Library was built by the Shallotte Rotary Club in 2020 so local children would have easy access to free books. For more information about the Shallotte Rotary Club, visit <https://www.shallotterotaryclub.com/>.

RED LIGHTS on the Beach...Let's Talk About Them!

We have had a lot of questions recently and have been told this discussion has been on several Facebook pages. First, your safety on the beach is the most important! Unfortunately, lots of people dig very big and deep holes on the beach and do not fill them in before leaving. They can be hazardous and walking on the beach at night with no moonlight can be scary for some.

If you need a light to walk the beach, a red light is better for wildlife but, red lights (or white) should never be used to shine on sea tur-

gles when they are emerging from the sea, laying their clutch of eggs, returning, or on hatchlings. Lights can disturb sea turtles and it is a federal offense to disturb them in any way. Please stay back at least 20 feet (behind them), do not get close, take flash photography, and run around them with loud voices.

We are excited you are lucky enough to see them, but please, be respectful and follow the guidelines! Please call us immediately at 910-945-8888.

Seven Graduate from Leadership Brunswick County

After a three-year break due to COVID-19, Leadership Brunswick County celebrated the graduation of seven individuals from the nine-month program. Joe Stanley, Vice President of Joe & Moe's Auto Services and President of Joe's Photography gave an inspiring keynote address during the 2022-2023 Leadership Brunswick County Graduation Ceremony. His message focused on the importance of listening to those with viewpoints other than your own, leading from the trenches and the importance of giving back to your community.

Leadership Brunswick County is a program sponsored by Brunswick Community College and the Brunswick County, North Brunswick and Southport-Oak Island Area Chambers of Commerce to develop corps of informed, committed and qualified individuals capable of providing dynamic leadership for Brunswick County. It is designed to identify highly motivated, emerging leaders and educate them about the needs of our community, as well as the dynamics of social and economic changes.

The 2022-23 Leadership Brunswick County graduates are: Allayna Dail, City of Southport; Dorothy Dutton, City of Southport; Traci Kelly, Ocean Isle Museum Foundation; Donna McMillan-Aiken, First National Bank; Amber Merklinger,

Brunswick County Government; Catherine "Kate" Mohr, Doshier Memorial Hospital and Rita Tatum Corning Credit Union.

To graduate from Leadership Brunswick County, participants were required to attend an orientation retreat, a minimum of 6 sessions from the eight sessions held between October-April, attend one regular municipal or county meeting, attend three enrichment activities provided by a chamber of BCC, attend the All County Chamber Business Networking After Hours Hosted by Brunswick Community College, and volunteer a minimum of 10 hours for a non-profit organization in our community.

Applications to participate in the 2023-24 Leadership Brunswick County program will be available in late July. To receive an application, or for more information, Brunswick County Chamber @ 910.754-6644, North Brunswick Chamber @ 910.383-0553 or Southport Oak Island Area Chamber @ 910.457-6964.

HURRICANE SEASON SAFETY TIPS

Hurricane season runs from **June 1 to November 30**. We cannot control the weather, but we can control our preparation. Follow the tips below to make sure you and your family keep safe this hurricane season.

LISTEN TO WARNINGS

Delays in heeding storm warnings are a contributing factor to casualties. People who linger become trapped. Emergency personnel are then put at risk to save those lives. **Do not wait until the last minute.** When warnings are given to evacuate and seek shelter, take your family and your "to-go" bags and evacuate. **Homes can be rebuilt. Lives cannot.**

PREPARE YOUR FAMILY

It's important to schedule time for yourself and your family to sit down and review your resources and checklists. Give yourself a deadline to have your "to-go" bag, as well as one for each family member, packed and prepared. Then, schedule time together to practice your family's emergency plan.

Know what to do before, during, and after a storm is headed your way. Visit ready.gov/hurricanes to review preparedness tips and more.

DISASTER SUPPLY KIT

- Emergency supply kits:** your "to-go" bags vary depending on your family's needs. Two items to have at the top of your list are water and baby/pet care.
- Water** is the number one item you cannot live without. Have one gallon of water per person per day for at least three days in your home should you lose access to running water. And keep water in your "to-go" bag.
- Baby/pet care:** Don't forget your dependents. Baby care items and food for your pet should be included in your kit.
- Reminder:** Check your supply kit each year for expired food and water and replace when necessary. Also, do not store your batteries in your flashlight or radio to avoid corrosion.

For a list of recommended supplies, visit ready.gov/kit

Go Jump in the Lake 5K and 1.5 Mile Fun Run/Walk

Don't miss the 14th running of the Go Jump in the Lake 5K and 1.5 Mile Fun Run/Walk, held in Boiling Spring Lakes, NC, on Labor Day, Monday September 4th.

Organized by the Southport Rotary and Brunswick Wellness Coalition, this family friendly event promotes health and wellness in our community, while raising funds for New Hope Clinic's charitable health-care programs, as well as other Rotary funded organizations. Help us have even more impact by becoming an event sponsor, with sponsor levels starting at \$50. Contact Rick Pearce at 910-612-2748 to learn more.

Participants of all fitness levels are invited to run, walk, or roll on the flat courses with start and finish lines at Spring Lake Park in Boiling Spring Lakes. Races start at 9:00am. Enjoy refreshments, prizes for fastest 5K male & female and for age group winners, for fastest 1.5mi male & female, for best splash by an adult and child, and for teams! Race t-shirt sizes are guaranteed for registration before August 4th.

For online registration, go to SouthportRotary.com or find us on Facebook and follow the links to RunSignup.com. It will probably be a hot weekend, but when you finish the race, you can go jump in the lake.

Office of the Sheriff
BRUNSWICK COUNTY, NORTH CAROLINA

BOLIVIA 910-253-2777
NC 800-672-6379
FAX 910-253-2705

Welcome to the New Brunswick County Sheriff Brian Chism

Sheriff Brian Michael Chism began his law enforcement career in 2005 with the Brunswick County Sheriff's Office. Over the course of those eighteen years, Sheriff Chism was afforded the opportunity to work in many divisions, beginning in the Patrol Unit. He later served in specialized units such as the K9 Unit, and a special operations unit that focused on street level drug interdiction. As his career progressed, Sheriff Chism was promoted through the supervisory ranks and in time, to the command staff level. In those roles, Sheriff Chism oversaw School Resource Officers, civil process and warrants, criminal investigations, narcotics, Animal Protective Services, and 911 communications. In August 2022, Sheriff Chism was promoted to Chief Deputy, the highest rank to which one can be appointed in the Sheriff's Office. In this role, Sheriff Chism was responsible for the overall operations of the Sheriff's Office, to include the Sheriff's Office's budget. Over the course of his career, Sheriff Chism has worked in or supervised every division of the Sheriff's Office.

During Sheriff Chism's career, he has earned numerous awards and certifications including the North Carolina Sheriff's Education and Training Standards Commission's Basic Law Enforcement Certificate, Intermediate Law Enforcement Certificate, and Advanced Law Enforcement Certificate. He completed the Leadership Trilogy training, which includes Supervisor Leadership,

Command Institute and Executive Leadership, Sheriff Brian Chism through the FBI's Law Enforcement Executive Development Association. Sheriff Chism also received many internal commendations to include Supervisor of the Year, the Brunswick County Sheriff's Office Life

Saving Medal, Humanitarian Service Medal, and Achievement Medal. In June 2023, Sheriff Chism was appointed to serve on both the Activities Committee and Sergeant At Arms Committee with the North Carolina Sheriffs' Association.

Sheriff Chism is a Brunswick County native and a graduate of South Brunswick High School. He is also a graduate of the prestigious FBI National Academy, Session 274. The son of a loving, doting mom and dad, a US Navy veteran, Sheriff Chism comes from a very close knit family with three brothers and one sister. His parents still reside in the Oak Island area of Brunswick County. Sheriff Chism's youngest brother serves with the Johnston County Sheriff's Office, while his two other brothers serve with the United States Air Force. His sister works with two local Brunswick County businesses that have supported the community and the Sheriff's Office over the years. Sheriff Chism and his wife, Serena, have been married since 2005 and together since 1999. They reside in the Bolivia area with their rescued fur baby "Amara."

Happy Birthday America - Get Out & Celebrate!

The history of Southport's Fourth of July Festival celebration was first recorded in a newspaper in 1795. When ships lying at anchor in the harbor would discharge salutes from their cannons at daybreak and throughout the day, with the ships officers and town officials sharing companionship toasting the young nations independence. In 1972 we were incorporated as the N.C. 4th of July Festival.

Here are some of this year's festivals highlights:

Shift and Save with BEMC's Time-of-Use Rate Option!

The Time-of-Use (TOU) rate option offers you a lower rate for electricity when demand on our system is low, balanced with a higher rate when demand on our system is high. You save money by shifting your energy consumption to times when our membership is using less. You're also helping us reduce peak demand, which reduces our wholesale power costs and benefits us all. Here's one member household's experience.

"On average, we've been saving about 20% on our electric bill each year. When I first told my neighbors they could hardly believe it, they thought I was kidding them! But it really is working for us. It's not for everybody, but if you can consistently do some simple but important

things, you might save money."

"Start by knowing when rates are the highest, which, in the summer, are weekdays from 2 pm-6 pm. Then, install a programmable thermostat, and program it to adjust the temperature by three to four degrees during that time frame. Next, put a timer on your hot water heater, and set it not to cycle during peak hours as well. Finally, put off doing laundry and running the dishwasher until after 10 pm, when rates are the very cheapest. We also put off cooking until after 6 pm." Dale Hall

#GiveHealthy Summer Food Drive!

Doshier Memorial Hospital, in partnership with the Brunswick Wellness Coalition (BWC), will host a drive through food donation event to benefit identified high need areas within Brunswick County. Donors may drive up to the hospital front entrance on Thursday July 13th between the hours of 9:00 am and 1:00 pm to drop off healthy, non-perishable food items to members of hospital and BWC staff, who will coordinate distribution to local food pantries through South Brunswick PORCH and other non-profit organizations that promote access in nutritious foods.

- Canned tuna and chicken packed in water/low sodium
- Natural applesauce
- Oatmeal
- Rice (Brown or whole grain)
- Gatorade (low/no sugar)
- Pudding (Sugar Free)
- Bottled water
- Cereals (whole grain/low sugar)
- BOOST drinks
- Jelly (low/no sugar)
- Nut butters/no added sugar & low salt (no glass jars, please)
- Healthy snacks for children (low sodium chips, veggie chips, fruit cups)

Items of particular need are:

- 1 lb. boxes of whole grain pasta
- Canned fruits no sugar/packed in water
- Fruit & vegetable juices, no added sugar
- Low sugar granola bars and fruit snacks
- Low sodium canned beans or soups

BWC Executive Director, Dr. Leigh Lane, said, "There is a high need for food pantry supplies during the summer due to pantries compensating for meals children receive at school. Not only will the donation drive at Doshier fill a need in food insecure communities, but it will also promote access to healthy foods, including the daily recommendation of 5 servings of fruits and vegetables."

Play Ball! NC Dixie Youth Tournaments to be Held in Winnabow July 8-12

Where's Your Sunset is Back!

Starting Memorial Day weekend, we resumed our #whereisyoursunset community program. Officers will be engaging with people in the community to find out more about them and what brought them to Sunset Beach. Whether this is their first trip, or they have been a life-long resident, we want to find out where your sun sets. Each week we will highlight a person, a family, or even an entire family reunion who all have one thing in common: their love for Sunset Beach. Stay tuned!!!

New Hope Clinic Earned a 2023 Gold Rating from the NAFC Quality Standards Program

New Hope Clinic earned a 2023 Gold Rating from the National Association of Free and Charitable Clinics (NAFC) Quality Standards Program. By self-attesting that the organization has certain policies and procedures in place, it is able to highlight its commitment to providing quality care to patients. The NAFC's mission is to ensure the medically underserved have access to affordable healthcare and its members are dedicated to ensuring that patients receive quality healthcare. NAFC Quality Standards elements include

policies and procedures related to the following areas: Administrative, Clinic/Pharmacy Responsibilities, Credentialing and Privileging Systems, Patient Care, and Risk Management Systems.

New Hope Clinic is a volunteer driven 501c3 non-profit organization that provides free medical, dental and pharmacy services for low income, uninsured residents of Brunswick County. To learn more about New Hope Clinic, visit our website newhopeclinicfree.org or call 910.845.5333.

Pledge the Pink is Coming to Oak Island

A phenomenon which has swept the southeast, drawing thousands from all points of the globe, Pledge the Pink is the second largest multi-day cancer event in the country. And from October 19-22 they are coming to Oak Island with all the fun, flair and festivities that have made it a must-attend for “FlockStars” everywhere.

Comprising three days of celebrations, with walking and running courses set up across Oak Island, Pledge the Pink will draw more than 1,500 registrants and hundreds of volunteers to Oak Island. As of this writing, with six months until the event, more than 1,200 participants have signed up, representing 48 states and 11 countries. They will come to test themselves on 33.1 miles of pathways, but there’s far more to Pledge the Pink than just getting some steps in.

“The fun definitely does not stop at the finish line,” said event founder Laura Morgan. “Those 10 or 13 miles are just the daily primer for what’s in store. After-parties, food trucks, dancing, costumes, golf cart parades, house decorating contests, bingo, PJ karaoke, big beautiful bling... the weekend is just jammed-packed with activities and shenanigans.”

Most of the registrants will stay on Oak Island for four nights, but around 20% of them historically will extend their stay for an entire week. That translates to packed restaurants, tons of shoppers, and a lot of “heads in beds” for local businesses.

Setting A New World Record

While Pledge the Pink is all about fun, it’s also all about fundraising, as evidenced by The Flocks of Love which will be on display at Middleton Park all weekend long. With each flamingo standing for \$100 in funds raised, these rows upon rows of vibrant pink flamingos represent a sizable financial impact for cancer treatment and research. All told, 7,500 plastic garden flamingos will cover the ballpark in what Morgan hopes will set the Guinness World Record for largest flock (again).

“We set the first record back in 2016 only to have Buffalo, NY steal it

last year with 4,280 flamingos,” said Morgan. “But we’re taking it back on Oak Island with 7,500 birds.”

Oak Island residents Cheryl Sherman and Dolores Kirwin have participated in Pledge the Pink for many years and were thrilled to hear it was coming to their hometown. “We look forward to this weekend all year long. It is that magical. And now we get to showcase our little OKI to the world. It’s going to be epic,” said Kirwin.

Getting Involved

Those looking to continue Oak Island’s outstanding support for Pledge the Pink are invited to come flock along and participate or volunteer. Assistance is needed with directing registrants along the courses, helping to set up The Flocks of Love flamingo display, passing out water and snacks, awarding medals to winners and more.

You can even show your support by placing a sign or a pink flamingo at your home or business. So far local businesses and organizations like Intercoastal Roofing, the Elks Lodge, Lazy Turtle, Margaret Rudd & Associates, Edward Jones, Coastal Vacations, Shine Strong, and Fixins have joined the cause, but there’s always room for more.

“The amount of support we’ve received from the Oak Island community is more than we have ever received anywhere else,” said Morgan. “From sponsors, to volunteers, to organizations offering their facilities, the excitement and appreciation from the community is unmatched.”

Check out all the ways you can get involved at <https://pledgethepink.com/oki>

About Pledge The Pink

Pledge the Pink was founded in 2010 and has raised over \$2,500,000 for breast cancer screening, treatment, and research. The funds are donated around the country but they tend to give a hefty amount to the community that’s hosting them.

JENNY MOYER
 SINCERE SYMPATHY AND SUPPORT

FUNDS TO GO TOWARDS JENNIFER MOYER FAMILY TRUST

Such an incredible response so far, we cant thank you enough!!! Please share Jenny Moyer story and join us in showing the kids some love.

Jenny was a Keller Williams Innovate associate with the Hank Troszaniec and team and she was taken from us too soon.

Jenny was struck in Southport on foot and the driver fled.

The driver has since been arrested but sadly Jenny did not survive.

Jenny has 15 yr old twins that have currently been placed in Hank Troszaniec and wife's care. Hanks family, Jenny's kiddos AND the whole team for sure need our love, support and prayers at this time.

A GO FUND ME has been launched as the "Jenny Moyer family trust fund" for Grayson and Finley.

Any amount you can share would be much appreciated

Jennifer "Jenny" Moyer of Southport, NC passed away very suddenly and much too young. She was a friend to many. She was a very passionate woman that loved dearly. She

could light up a room with her smile and never met a stranger. She would always help those in need and made sure that everyone she loved felt special. As a Mom, she did everything she could to help her children excel. As such they were accepted to an early college program where they are doing exceptionally well. Times could be tough for Jenny, but she never stopped plowing forward and never took the route of self-pity. She had such an appreciation for art, jewelry and mid-century furniture. She had a green thumb as evidenced by the flourishing plants that thrived in her care, much like her children.

She is survived by her 15year-old twins, Grayson and Finley Moyer. They were her pride and joy. Born premature Jenny had to make some difficult educational decisions that left her feeling like she was failing them. Quite the opposite happened. Grayson aspires to be an Aerospace Engineer and Finley an artist. The dreams and hopes they have will be theirs. Achieving them will be the best way to honor the woman that gave all of herself for them.

Badges & Books

A sincere THANK YOU to everyone who came out Veterans Park today to participate on the first ever Badges & Books event.

Working directly with Children of Fallen Heroes, we were able to make this event possible, and provide lots of free books, stuffed animals, and other fun prizes to help promote summer reading!

Special thanks to Town of Oak Island Mayor Elizabeth White, Brunswick County Sheriff Brian Chism, and the Ryan Gordon of the Oak Island Recreation Department for being our special readers.

Rescue Squad Poker Run a Success

Southport Rescue Squad Auxiliary held it's first ever Poker Run today. It was a great success. \$1140.00 was raised to help purchase our power load stretcher system. Thank you to all of our supporters and organizers. Special thanks to firefighter Robert Willis for all his efforts with the ride.

Meet the New Recruit

During a special visit in May, Police Chief Charlie Morris was honored to swear in Mr. Colton James ("CJ") Berry as our newest Honorary Officer.

CJ is a happy, fun-loving teen, with a contagiously positive outlook on life despite the daily challenges faced from #DuchenneMuscularDystrophy.

He greatly appreciates the first responder community and takes every chance he can to visit police departments and fire houses; using these visits to help inspire others on his YouTube channel <https://youtube.com/@cjshappyworld5696>

CJ's visit is a great reminder of the heart behind why we serve our community. No matter the challenges you face, always remember that a little perseverance, positivity, and some good partners can make a big difference!

Brunswick County Swears In Newest Sheriff

Congratulations to Sheriff Brian M. Chism on officially being sworn in this afternoon as the new Sheriff of Brunswick County! Sheriff Chism was sworn in this afternoon, following his appointment by the Brunswick County Board of Commissioners. The Oath of Office was administered by Resident Superior Court Judge Jason C. Disbrow in front of the Board of Commissioners and a packed room of supporters. Sheriff Chism took his oath with his wife, Serena, by his side, along with other members of his family. The commissioner's chambers was filled with members of the Brunswick County Sheriff's Office, as well as other dignitaries and law enforcement professionals from Brunswick County and surrounding counties. Newly retired Sheriff John Ingram and his wife, Michelle, were also there in support of Sheriff Chism. We are so excited for this new chapter in Brunswick County Sheriff's Office history with Sheriff Chism at the helm! Congratulations Sheriff Chism!

Have You Heard About the Brunswick County Sheriff's Office Anchor Initiative Program?

We have found the three biggest obstacles for those suffering from addiction for not seeking IMMEDIATE treatment assistance is lack of knowledge, lack of money and lack of transportation.

How The Program Works:

- Individuals with addictions can contact the Sheriff's Office through self-referral, social referral or officer interaction.
- Once contact is made, the person requesting assistance declares they are addicted and request assistance.
- Participants will not be charged with drugs or paraphernalia found in their possession if socially or self-referred. Participants are not asked where the drugs came from during these encounters. Those encountered by law enforcement while in the criminal element are subject to arrest, however the arrest does not disqualify them from Anchor assis-

tance.

- The individual will be put in immediate contact with an Anchor coordinator, who will respond and do an assessment.
- The coordinator will contact RHA Mobile Crisis or a like entity to start the process of finding availability for detox facilities.
- If the individual is in need of medical treatment, the coordinator will transport then to the local ER to be checked out.
- During this process the Anchor Coordinator will be working to find the individual with a treatment option, first seeking inpatient, comprehensive outpatient or intensive outpatient.
- The Anchor coordinator will be working with the volunteer group to provide transportation to and from the ER, Detox and Treatment as needed.
- The Initiative will strive to keep

the cost for these individuals as low as possible, paying for the transportation, Detox (if necessary) and initial entrance fees to treatment providers (if necessary).

The BCSO Anchor Initiative Foundation is funded solely by donations. Donations can be made through the Brunswick Sheriff's Charitable Foundation by visiting their website at <http://www.sheriffscharity.com/anchor/>.

An Anchor Initiative team member can be reached at 910-363-7880 or by calling 911. If you know someone who is suffering from addiction, we ask that you please pass along this information.

Conquer Kids' Cancer

Saturday, July 15, 2023 1- 4 PM

Southport Tap & Cellar | 827 N. Howe Street

Challenge your friends to join and shave their heads to help find a cure for pediatric cancer.

In the US 1 in 5 children diagnosed with cancer will not survive. Since St. Baldrick's began, the 5-year survival rate has risen from above 79% to 85%. But there are still cancers no child survives. And 5-year survival isn't the same as a cure. Many kids are still in treatment 5 years after diagnosis, or die after that milestone. Kids with cancer need your help more than ever.

Since 2005, St. Baldrick's events have helped raise over \$326 million for lifesaving kids' cancer research.

Three reasons you should become a shavee:

Be A Hero: As a shavee, you're not only raising funds researchers depend on to cure childhood cancer – you're also spreading awareness every time you show off your bald head.

Have Fun: Fun always takes center stage at these events. (Even when there are tears!) Expect hugs, high fives and some cool swag.

Make A Difference: Your commitment to shave for the cause raises more than funds and awareness – it shows kids who lost their hair during treatment that you support them, and it brings hope to their families.

Boiling Sping Lakes Parks & Recreation Announces After School Lite

This program is an expansion opportunity for our current after school care program and is designed to allow your child to participate in after-school activities on Mondays, Wednesdays, and Fridays only. we hope this new reduced cost option will allow more kids to join in the afterschool fun or maybe it is a way to gently introduce a younger child or new child in BSL into the mix of our outstanding youth programs...either way, we know it's going to be great fun for your child!

Participation in this program allows us to pick up your child, grades

K-5th grade, from Bolivia Elementary and provide care at the center until you pick them up (before 6pm).

Afterschool care includes a nutritious snack, homework help and fun and games.

Average cost: \$75/per month for residents; \$112.50/per month for non-residents. Cost will be based on actual program dates each month.

Program is limited to 12 participants.

Up Your Arts Installs Pole Banners in Downtown Southport

The work of fourteen local artists was put on display recently on vinyl banners hanging from utility poles in Southport's central business district. The "Raise Up Your Arts" project recognizes the winners of a juried competition conducted earlier this year that received submissions from over 60 Brunswick County artists.

Up Your Arts, the City of Southport, and Downtown Southport, Inc. (DSI), jointly sponsored the undertaking to highlight the city as an arts destination, elevate the visibili-

ty of local artists, and enhance the visual appeal of downtown streets. The banners will remain in place all summer and fall. Sponsors expect to repeat the competition with a new round of banners next spring.

Featured artists this year are Harry Burrell, Susan Chandler, Katie Dorsett-Dye, Sidney Godwin, Christie Jacks, Anne McElroy, Pam Manders, Gary J. Mlynek, Rich O'Donnell, Linda Platt, Gay Rosenberg, Barbara Sammons, Gail Simon, and Kate Magill Walters.

1. Our flour is never bleached or brominated.
2. We never use frozen products. We make our bagels, cream cheeses, salads, muffins and pastries fresh daily. We offer many gluten free options as well.
3. We use our own proprietary water filtration system, which takes out all of the chemicals and impurities in our water. We add our own minerals for an exact replication of NYC water to make our bagels taste delicious.
