## MEET OUR KEYNOTE SPEAKER MR. DAVE PRATT

**Dave Pratt** is one of the most sought-after speakers on sustainable agriculture and profitable ranching in the world today. He has taught the Ranching for Profit School in the United States, Canada, Mexico, Australia, and Africa. Dave grew up on a small ranch and worked for cattle and sheep ranchers in Northern California where he learned ranching from the bottom up. In addition to his practical roots, Dave holds BS and MS degrees from the University of California and Washington State University. A Range and Livestock Advisor with the University of California Cooperative Extension Service for 15 years, Dave researched cell grazing and strategic issues impacting the sustainability of ranches.

In 1991 Dave began working with Stan Parsons, the founder of Ranch Management Consultants. He started teaching the Ranching for Profit School in 1992. When Stan retired in 2001, Dave and his wife Kathy, bought RMC. In 2019 after many successful years, they sold the company to Dallas Mount.
