

**WESTERN ORGANIC DAIRY PRODUCERS  
ALLIANCE**

### **Organic Dairy Marketing Assistance Program (ODMAP)**

When you go to the FSA offices to apply for the ODMAP grants they will ask for the following documentation:

1. The certification of 2022 milk production in hundredweight by the month.
2. Completed form FSA 630 (attached)
3. Certification of organic status confirming operation as an organic dairy in 2023 and 2022. If your operation has not received its 2023 certificate the 2022 is valid for 2023. The anniversary date is the date by which a certified operation must submit its annual updated paperwork.

We have been advised by USDA that producers will be asked to attest to the information they provide (production figures and organic certification). The more information that can be supplied to them will give them a better idea of the extent of the problem. You may want to include a statement that you need as much aid as possible as quickly as possible.

For questions, please feel free to contact your respective WODPA (in the West) or NODPA (in the East) Executive Director:

I attest that the information attached is accurate to the best of my knowledge.

The grant is needed to contribute to the payment of the increase in my costs of production. It does not cover all my increased expenses. I request another round of the ODMAP to provide further help to contribute towards cash flowing my business.
