

FATHER SON CAMP ETIQUETTE

Stated Purpose - to encourage personal responsibility and uphold an environment where father and son relationships can prosper and expand. God be glorified and celebrated.

Stewardship - we ask that every camper exercise good stewardship of the grounds and facilities. Always leaving them better than they found them. Keeping campsites, activity areas, barn venues, and grounds clean. If you see trash, pick it up and place it in a trash can. After each meal we will all pitch in on cleanup.

Parking - Please note, there is a designated parking area that needs to be observed.

Noise - Good neighbor rule applies, please be courteous to your neighbors and those around you. Quiet hours are from 11pm to 6am. This includes camp noise and generator noise etc.

Garbage - The camp will have centrally located, public garbage cans, campers are responsible to clear their garbage to these designated cans.

Camp Fires - No open camp fires during this weekend. The camp will have two community, designated campfire sites... near the main barn and out near Nikki's cabin

Important Coffee Note - Coffee will be provided as part of the breakfast meals only. We also ask that you bring your own drinking cups/ coffee mugs to limit waste. After breakfast, Breeze's Coffee and Snack Bar will be operating the rest of the day providing for purchase options. Cash is appreciated.

Restrooms - OK... a sensitive subject for some... there are 4 onsite toilets. This means, true to its name, the manly camp - woods and shrubs will be utilized for all um 'number one' purposes :)

Showers - Showers are extremely limited... which means, with the man/son theme... showers can wait until you get home :)

Note, there are 2 on-site showers. Yes, bringing your wet wipes and deodorant is welcome!

Drink Cups - Yes... as in YES YES, bring your drink cups - we are not big fans of disposable, plastic cups but thoroughly believe in hydration and pure water :)

Bracelets - Every registrant will be issued a colored bracelet upon sign in. These are super important for many reasons and need to be worn once issued, thank you!

Sessions - There are scheduled sessions for this weekend - please be timely to get the most out of these sessions. All activities and games will be closed during sessions.

Seat Saving - Please note, seat saving is a sensitive subject, 1 hour before each session, you are able to save a seat for yourself and only 1 adjoining seat. Group and row savings will not be allowed.
