From the Office of the President

October 2023

It's hard to believe that it's October already. Fall is in the air for sure! I hope everyone is out enjoying their cars! Colder weather will be here soon enough, so get out there and drive!

Nominations for our 2024 club officers will be held at our next membership meeting. If you are interested in running for an office, all officer positions are up for election except the Treasurer's position. If you would like to run for an office, just have someone nominate you at our October 10th membership meeting.

We had some fun events this September. Of course we had a couple of auto-x events. Saturday, Sept. 23rd 19 of us participated in the drive out to Edwards to Edwards Apple Orchard. Then to lunch in Roscoe, IL, a local brewery up the road, and then to DC Estate Winery. Thank you Santo, Kim and Dan for planning a great day for the club! The best burger is on September 28th at DC Cobbs, hosted by Mark B. Check out the calendar in this month's reporter for more details and other upcoming events.

I hope you can join us for our next membership meeting on October 10th, 2023 at Real Time Sports in Elk Grove Village, IL. Pizza at 7, meeting starts at 7:30. Until then.....

Happy Motoring and remember to Save the Wave.

NCCC President's Message

October 2023

Thankfully the weather has finally cooled off!!! We can get back outside.

The ballots are ready for each club to vote. If you need help getting to the ballot, please contact one of your Region officers for help. This is the first-time clubs have been able to vote on competition changes – and there are a lot of them! You will be given a brief description of each change and then for more detail you can click on the link to go to the actual red-line write-up. The bylaws are displayed the same way. Voting closes just prior to the next meeting in November so you have time to talk to your club members and look at the ballot.

The link to the ballot items is at the end of this message.

Be sure to check out the candidates running for office. We have some great candidates that are certainly qualified. There are resumes attached to the candidates so you can take a look.

As of now, we do not have a convention for 2025. If you have an idea for one and can do some research prior to the November meeting- hotels, parking, banquet/meeting room availability and facilities for events- contact Allen Morris with your idea. It's a lot of work, but there are lots of people with experience that will step up to help.

We are also looking for an FCOA Director. We will be reviewing applications through the end of the year. We want to update the duties of the position as well as offer more suggestions for what the expectations are the program. We would like to keep the kids that turn 16 interested in NCCC so they stay as members. Applications are available on the website under Officers.

That's all for now. Safe travels and have fun!

Deb

Voting information: For Candidate, By-Law and Competition information, please see the NCCC Website first page (<http://www.corvettesnccc.org>) under the "Ballot Item Descriptions and Candidates" cell.

C6 Corvette Tip

The 4 modes of the Traction Control button on the Console

The system has four modes.

Mode 1 is the default when you turn the car on. Full traction control and full active handling.

Mode 2 is one press of the button which is traction control off Active Handling on.

Mode 3 is two presses in five seconds. This is traction control off and active handling in *competitive driving mode* which will give you greater tolerances for sliding sideways (what you want on a road course)

Mode 4 is to press and hold for greater than five seconds. This will be traction control and active handling off. No intervention from either system.

Advertising in the *REPORTER*

Advertising in the *Reporter* is very simple. First you choose the size and space which best suits your needs and pocketbook and then how long a period you want your ad to run.

Once those decisions have been made, you will need to choose the design of your ad.

If you already have an ad in another publication, we can simply reproduce it for inclusion in the *Reporter*. Or, you may want to use your business card, which works just as well.

If you wish to create a new ad, we can assist you with your design at no additional charge.
