

Membership Instruction Page

ALL High School and Jr High Members (New and Returning) please thoroughly read the instructions on this page. Checklist is attached to this form...please print this page along with your High School or Jr High Checklist.

*Renewing Members - Use the "Already a Member" login button when logging in to the NHSRA portal.

- Your National Membership Form and Minor Release Form will be generated on this page. There will be a blue tab generated on top of the page once your renewal has been completed. The tab is where you find your printable form.

*New Members - Use the "Becoming A New Member" login button when logging into the NHSRA portal

- Follow all instructions as you work your way through the site. You will fill out your National Membership Form and Minor Release Form online and then print these forms to be signed. There will be a blue tab generated on top of the page once your membership has been created. This is where you can download the forms that need to be printed.

*State to State Transfers - Your transfer will be generated once your membership has been completed. You do not need to print this! The NHSRA will electronically send it to the National Directors for approval and upload the completed form into your NHSRA portal for you.

****Everyone** - Upload each form INDIVIDUALLY into the correct category. (In the past, we have fixed this for you but it takes up too much time and then forms accidentally get deleted. If you upload as one document you will be asked to correct this.)

- Please upload your Grade Policy, Eligibility Form, Concussion Acknowledgement Form and Safety Form into the State Documents on the NHSRA portal. (Concussion and Safety Forms are required for 1st year members only).
- Home School Documents are loaded into Home School Documents on the NHSRA portal.
- Report cards are loaded into the Grades Documents on the NHSRA portal.
- MAKE SURE that all documents have 3 signatures on them! **If they are not completed correctly they will be sent back to you to do again!!!**
- In some cases, a notary will refuse to process the signature of a minor that does not possess a form of legal identification. Should this be the case, the parents should ask the notary to have this notated on the release form. **Regardless**, the minor is still required to sign the release form!

MEMBERS CANNOT COMPETE IN ANY RODEOS UNTIL ALL FORMS ARE COMPLETED AND UPLOADED AND PAYMENTS HAVE BEEN RECEIVED!
