CLUB NEWS

- Thanks to Allison and all the managers, coaches and players for working together to get the photos done.
- Two rounds of the regular season to go...a few teams in contention for finals. Good luck this weekend.
- The next QCSA meeting is next week. We will provide any relevant updates in our next newsletter.
- We are still looking for more volunteers to help with our end of season event. Please contact James or myself if you are available. president@mesc.org.au & secretary@mesc.org.au . Thanks.
- **AWARDS:** This year a form will be sent to all coaches, managers and parents to vote for the Player of the Year and Christian Character awards. Guidelines will be provided on the voting form along with eligibility criteria and cut off dates.

DEVELOPMENT vs SCORELINES

*This club is about development...not scorelines.
It has been great to see the improvement this season. Watching training sessions, listening to feedback from coaches and parents and talking with Joel, it is clear this year has been a success. We want to invest in our young players to help them be the best footballer they can be. Focussing on scorelines can be a barrier to player development. When we rotate players through positions and invest in developing their individual skills the scorelines will reflect this.*
