

## Why Get a Softball/Baseball Fence Windscreen?

I am quite sure all of you have at least some familiarity with windscreens. But, have you considered their purpose and why you might benefit from them? Here are a few reasons:

1. Windscreens  
(aka  
fence  
screens,  
fence  
covers,  
privacy  
screens)  
protect  
your  
open  
dugout  
area  
or  
tennis  
court  
from  
wind.  
Depending  
on  
the  
fabric

type,  
your  
windscreen  
might  
provide  
a  
fair  
to  
substantial  
amount  
of  
wind  
blockage.

2. Keep  
your  
players  
focused  
instead  
of  
distracted!  
Order  
a  
windscreen  
for  
your  
fields  
and  
help  
your  
players  
succeed.

3. A  
solid  
background  
reduces  
visual  
distractions,  
increases  
visibility  
and  
eliminates  
unwanted  
onlookers.

4. Dress  
up  
your

baseball  
field,  
and  
make  
it  
safer  
and  
more  
playable.  
Fence  
screen  
(or  
windscreen,  
privacy  
screen)  
can  
provide  
help  
with  
wind  
blockage,  
but  
also  
gives  
you  
a  
visual  
separation  
and  
background  
for  
your  
field  
with  
team  
branding,  
sponsorship,  
or  
advertising  
potential.

5. Windscreens  
offer  
an  
attractive  
visual  
background

for  
outfields  
and  
tennis  
courts.  
They  
add  
a  
finishing  
touch  
that  
will  
impress  
visitors  
and  
provide  
an  
overall  
appealing  
playing  
environment.

6. Windscreens  
provide  
the  
fenced  
area  
with  
privacy  
and  
separation  
from  
adjacent  
properties  
and  
other  
distractions.

7. Windscreens  
provide  
an  
opportunity  
for  
branding.  
Add  
lettering  
or  
logos

to  
your  
windscreen  
to  
boost  
school/team  
spirit,  
or  
generate  
revenue  
from  
sponsors.

8. Another  
reason  
for  
having  
them  
is  
to  
muffle  
noises  
coming  
from  
outside  
the  
fence.  
This  
can  
be  
helpful  
if  
the  
park  
is  
near  
a  
busy  
road  
or  
highway  
where  
the  
traffic  
is  
high  
and

could  
distract  
the  
players  
while  
the  
game  
is  
going  
on.

9. Also,  
it  
helps  
provide  
a  
point  
of  
reference  
for  
your  
players  
to  
easily  
see  
in  
their  
peripheral  
vision  
when  
they  
are  
approaching  
the  
fence  
while  
going  
after  
a  
fly  
ball.

If you have windscreens or have considered them we would be happy to meet with you to discuss your options. We offer custom products made to fit the dimensions of the fencing you have. These panels come in many different colors and fabrics, allowing you to customize your selection while staying within your budget. With so many options to choose from, you can easily create a stunning

appearance that can even match your school colors. We also offer windscreen custom graphics so you can add your school mascot for added effect.

Call us today at 856-381-8888 or e-mail [emily@howelltosports.com](mailto:emily@howelltosports.com) and we will respond quickly. If you are looking for something for the spring it's not too early to order. We look forward to working with you to upgrade your facility.

### [Simple Upgrades Can Help Outdated Facilities Stay In the Game](#)

Against the backdrop of downtown, the updated Dodger Stadium will represent a more natural destination point.

Later this year, Dodger Stadium in Los Angeles will undergo a series of upgrades to give Major League Baseball's third-oldest park a fresh look in time for its 50th

anniversary season in 2012. Plans include a new tree-lined "front door" outside center field and a "green necklace" of landscaping surrounding the entire stadium, with the hope of keeping the facility viable for another half-century.....
