Howell To Sports has been in business for over 20 years. During that time we have sold **LOTS** of different products and **USED** most of these in my coaching endeavors. So, as you can imagine, we have accumulated quite a supply of new (never sold for one reason or another) and used training aids and equipment. We will, very soon, be putting a new section on our website that will allow you to make us an offer of these various products. We will add to this list periodically, so if you are interested in getting some really exceptional deals, you will have to come back often to see what we have added. You will have to e-mail us at [sales@howelltosports.com](mailto:sales@howelltosports.com) and make us an offer. We will reply very quickly (usually within the hour) with a yes or no. Hopefully, you can collect some new equipment for yourself or your team. We hope you take advantage of this and

PLEASE tell all your friends about it!

Finally, we hope you read the articles we included in this newsletter and maybe check out our [blog](#) and [website](#). Thanks again for your support and readership.
