

Billy C. Moore

Ministering Evangelist

The church of Christ is a dynamic and Christ-centered congregation. We are dedicated to preaching and teaching God's Word. It would be our greatest joy to have you become a member of our church family. Examine for yourself the Church that Jesus built. It is my fervent prayer that you will investigate the truth and accept it; for the truth shall make you free. You will find a friendly welcome and a warm, spiritual atmosphere at the church of Christ at Delmar Avenue. I will be looking for you in service.

WHAT ABOUT THE CHURCH OF CHRIST

The church of Christ is a body of Christians seeking to restore first century Christianity in this the 21st century. In the first century, the followers of Christ were members of one church (Matthew 16:18; Ephesians 4:4-5). They were united in purpose and plan because they all accepted Christ and His authority. It is reasonable to believe that Christ's followers can once again be united in His one church. Churches of Christ are dedicated to a restoration of the unity which existed in the Lord's church at its beginning.

On what basis can all people unite in Christ? Obviously unity can only come through the acceptance of a common standard of authority. Christ said, "All authority is given unto me..." (Matthew 28:18). Churches of Christ plead for a complete return to the authority of Christ.

Churches of Christ wear no human name Romans 16:16) nor uphold any creed apart from the Bible. Penitent believers are baptized into Christ upon confession of faith in Jesus as the Son of God (Galatians 3:27; Acts 8:37; Romans 10:10). They follow the simple, yet impressive pattern of worship practiced by the New Testament church. Upon the first day of the week, more than 2 million Christians in 20,000 congregations around the world assemble as churches of Christ. These Christians partake of the Lord's Supper, pray, sing hymns, study the Bible and contribute their finances as each purposes in his own heart.

The Church of Christ Is An Udenominational Institution
