ROTARY CAMP ENTERPRISE 2018

April 12-15, 2018

The Rotary Clubs of Oakville and Burlington proudly present our 22nd annual Camp Enterprise.

In previous years your school has sent students to this excellent learning experience and we are delighted to offer you this opportunity again. **Please recruit four students (2 males and 2 females from Grade 11 or 12 and approximately 17 years old)** who would benefit from this opportunity to explore professional, business management careers, and to develop their leadership, communication, negotiation and entrepreneurial skills.

Please ensure that every student you select is indeed **free, available and committed to attend the full programme of the Camp on the prescribed dates**. Last minute unfilled cancellations not only deny others a tremendous opportunity to experience this most worthwhile event but also cost the Rotary Clubs roughly **\$500 per cancellation**.

It is necessary that you **designate one of these four applicants as an alternate** who will be included only if there are cancellations at your or other schools. Historically, many of the alternates get to go anyway.

Enclosed are testimonials from previous students, applications forms and guidelines to be distributed to the students you select. The deadline for the submission of applications is **Thursday March 8th, 2018**. Applications will be accepted anytime before March 2nd and alternates will be chosen on a first come first serve basis.

Thank you for your continuing interest in the Camp and for your help in recruiting students. We look forward to working with you again.

Yours sincerely,
