Stanhope-Netcong American Legion Ambulance Corps (SNALAC)
Dec 21, 2023 · 🌐

The holidays came a little bit early for SNALAC this year! SNALAC has purchased BRAND NEW Prestan CPR training equipment! This equipment meets the current AHA training standards and, combined with our current equipment, allows us to train members, the community and hold larger classes. This equipment was purchased from an extremely generous donation from the [GUNNAR J. BIGLEY FOUNDATION](#)

Most of you may not know, but in 2020 we had a young and interested member, Gunnar Bigley. Gunnar aspired to be a Law Enforcement Officer and thoroughly enjoyed his time as a member of SNALAC. Unfortunately, Gunnar tragically passed away on September 23, 2021 at the age of 19.

The Gunnar J. Bigley Foundation was created to carry on his memory, provide awareness, and help those that are aspiring to be everything Gunnar was and always wanted to be.

SNALAC would like to express our extreme thanks to the Gunnar J. Bigley Foundation for their very gracious donation. This donation allowed us to purchase much needed equipment and allowed us to upgrade our current equipment which was from the early 2000s. Obtaining this equipment will allow us to continue to train and assist in saving lives on and off the ambulance.
