Garden District

FROM THE PRESIDENT'S PEN

"There is no I in TEAM and that's what makes this club so wonderful."

Hi everyone! What a fun and busy month this has been! Our 60th anniversary celebration was Monday, April 15 at the Gibson House and was a delightful evening. Members wore pink, silver, or white and we celebrated our club's storied history. We welcomed our special guests, Shirley Holly, NJFWC President, Marie DiMatties, District Vice President, and Mayor Jackie Veasy.

Who wants to play BINGO? As you know, our bingo events are our largest fundraisers of the year. We sold out again this spring. We were so happy to see you and your guests on Sunday, April 21 at Marco's at Indian Spring Country Club. We again had lots of fabulous baskets and sold tickets for the popular Dining Around raffle too (see page 4).

In between our 60th Anniversary Celebration and Bingo, we had the Garden District Spring Conference and Achievement Day on Thursday, April 18. There were 122 entries in the Arts & Culture Achievement Day. Many of us worked to help set up and assist the judges. We also enjoyed a delicious lunch and fellowship with women from other clubs. We will share details during our May General Meeting.

It's time to gather items for our annual Yard Sale which will be held on Saturday, May 18, at Jan's house from 8 am - 1 pm. Remember, one woman's junk could be another's treasure. So start your spring cleaning if you haven't already.

Thanks to all who have supported our various fundraisers. As a result, we will be purchasing a 6' Poly-wood bench for the Parks Department to install. More details will be coming once the township approves our purchase. Our newest fundraiser, Nothing Bundt Cakes, ended recently and many ordered cakes for Mother's Day. Thanks to Sherry for coordinating this new opportunity.

Scholarship applications have been rolling in and will be reviewed by the Education Committee on Thursday, April 25 at the library.

The weight loss challenge ended in March. Congratulations to all the "losers." (see page 6)

We had an abbreviated meeting at the 60th Anniversary, so our next Board Meeting is Monday, May 13 and the General Meeting is Monday, May 20. Both meetings will be at the Gibson House.

Corresponding Secretary

Our MWC Mailbox continues to contain generous donations and correspondence towards our upcoming spring Bingo and Basket Auction event. Please remember to notify Genni Fardella or Donna Gatti if you have received any donated items or gift cards from a business or non-member that will be included in a basket, so that our club can send a Thank You! Federation Secretary

The NJFWC State Convention will be Sunday, May 5-Wed., May 8, 2024 at the Hard Rock Hotel & Casino, Atlantic City, NJ. Registration was due April 5, but room reservation may still be made at the hotel until April 25. We look forward to hearing reports from those who are able to attend, receiving individual and club awards for 2023-2024, and hearing the results of state-wide voting for the 2024-2026 Special State Project.

Bylaws Update

Housekeeping edits to club bylaws were presented at the March meeting and will be voted on at the May meeting (there was no April meeting). The Executive Board reviewed the history and position of Federation Secretary. Since Federation Secretary is an optional position, it cannot be a voting member of the Executive Officers. It *can* still be a Board position like Fundraising, Communications, and Membership. Our Bylaws state that 2/3 of the Executive Officers are needed for a quorum. The recommendation is to change this to 3 since there will only be 5 Officers now.

Treasurer

Marlton Woman's Club members will vote at the May meeting for year-end club donations they wish the club to distribute, and will rank the recipients in order of preference. A brief description will be provided on each of the organizations in case you wish to research them further before the vote.

If you have any receipts or needed reimbursements from bingo, please make sure to get information to treasurer Barbara Greco in a timely fashion.

Fundraising

Spring Bingo

Spring Bingo was Sunday, **April 21, 2024** and was another great time! Many thanks to Fundraising Chair Sandy Meltz and her hard-working team! Wish List items were collected for Wiley Food Pantry and Cherokee High School Food Pantry.

Yard Sale

Please start putting aside housewares, seasonal items, kitchen goods, sporting goods, room décor, tools and more to collect for our spring Yard Sale. The Yard Sale will be **Saturday, May 18** and will again be at Jan Martin's house. More information to follow.

NEW: Panera Dine and Donate Wednesday, April 3: Sadly, as you know, our Fundraiser was stymied by horrible weather which kept a lot of people home. Thank you to all who braved the rain to come out! The store had very little walk in customers outside of us and there was a glitch with the register. Therefore, Panera gave us credit for all the walk ins for the 4-4:30 timeframe it took to determine the code at the kiosk worked but could not at the register. Our total donation from Panera is \$105.07.

NEW: Nothing Bundt Cakes Fundraiser

Just in time for Mother's Day!

Orders were due April 16; delivery/pick up will be to MWC members on May 10 to deliver cakes to their buyers by May 11 in time for Mother's Day. For questions contact Sherry Haines at sherry@marltonwomansclub.com.

For questions contact Sherry Haines at sherry@marltonwomansclub.com.

NEW: Montessini Dine and Donate

Thanks to everyone who stopped in to Montessini's Pizza and Pasta on March 13 for our Dine and Donate. Total sales were \$1,277. Montessini donated 20% back to the club = \$255.00.

NEW! Panhero's Dine and Donate

We are exploring dates for a Dine and Donate at Panhero's, where we will receive a portion of proceeds that day. Date TBD. Panhero's is located at 221 E. Greentree Road.

Health and Wellness Awareness

The MWC weight loss challenge was a resounding success! In our largest ever final total, the 15 participants lost a total of 147 pounds. Our individual winner, **Sherry Haines** (way to go, Sherry!!), has chosen the [Asher House Animal Sanctuary](#) to receive a \$147 donation from the club. The Asher House is a 501(c)(3) organization based in Oregon and dedicated to animal care. They will be thrilled to receive our gift. I'm also excited to report that 7 participants lost at least 10 pounds over the 90-day period, and everyone gained healthier habits, even if we didn't lose a lot of weight. Keep up the great work!

The MWC Walking Clubs continue – There is someone (or a group) walking almost every day of the week now! We are always looking for more club members to join us as we exercise our bodies and our mouths as we enjoy socializing while we walk.

April is National Stress Awareness Month. We are all aware that stress takes a toll on us. While not all stress is bad, long-term stress can have harmful impacts on physical and mental health. A few great stress-busters are:

- Physical Activity – exercise releases endorphins, the body's feel-good chemicals. It can refocus your mind and improve your mood. A brisk walk, working in the garden, or vigorous cleaning can do as much good as a trip to the gym
- Healthy diet – yep, another great result of eating well is reduced stress
- Avoid unhealthy habits – smoking, drinking alcohol or caffeine to excess, and overeating
- Meditation – focusing your attention can give you a sense of calm, peace and balance
- Laughter – it really does lighten the mental load and cause positive physical changes.
- Connection with others – a good chat with someone you care about, can make all the difference in the world.

So much more – try yoga, assert yourself and learn to say “no” when you have too much on your plate, get plenty of sleep. Keep a journal of your feelings,

listen to (or play) music that you love, and if none of that works, seek counseling from a pro – therapy can be a lifesaver!

Other awareness months celebrated in April include Earth Month, Alcohol Awareness Month, National Donate Life Month, and Autism Acceptance Month.

Environment

We all do our best to help the environment by reducing, recycling, and reusing to make the world a better place. But what about the environment within our own homes? What can be done to better the environment there, to make the healthiest place possible in which to live?

We recently had our home checked for mold and toxins and were not surprised when mold showed up in a couple of places where we knew there had been minor leaks, so we are going to have these areas remediated.

We also learned that not all HEPA filters in vacuum cleaners are effective and less so when you don't wash or change them! So my number one task was to buy a new vacuum. It took me three tries to find the one that A) was not so heavy that I was going to have to wear wrist braces to maneuver it and B) was not so light that it didn't have the suction of vacuum A that had impressed me. Vacuum C was in the middle and is just right! It's a Shark Rotator with PowerFins, HairPro, Odor Neutralizer Technology and a HEPA filter.

We have always kept up with cleaning and maintaining our heating and cooling systems but we had never had our Air Ducts cleaned. This was an-

other task that we had done to improve the overall quality of the air in our home.

Another thing we learned is that better sleep happens when you reduce the amount of digital radiofrequency fields (Wi-Fi) in the bedroom. Having had a keen interest in the amount and quality of our sleep for some time, my husband and I both used to sleep with Fitbits on. We also kept our cell phones in the room, mine as an alarm clock. We now leave all watches, phones and Ipads outside of our bedroom and I got a battery-operated alarm clock. We both feel that we are sleeping better and have less brain fog.

I would love to be able to recommend the wonderful lady who carried out our home inspection. Sadly, we learned that that she passed away suddenly a few weeks after she had sent us our report.

Programs

At our March 25 meeting, we welcomed Susan Fahey, Director of Prince of Peace food pantry, located at Prince of Peace Lutheran Church, 61 Route 70 East, Marlton. She shared with us interesting information about the pantry and the families it serves. Thanks to everyone who brought in Wish List items; we presented our speakers with the collection of paper towels, toilet paper, shampoo, and toothpaste as well as a small token of our appreciation for their time.

Joy Chose You

By Donna Ashworth

Joy does not arrive with a fanfare
on a red carpet strewn
with the flowers of a perfect life

joy sneaks in
as you pour a cup of coffee
watching the sunlight
hit your favorite tree, just right

and you usher joy away
because you are not ready for her
your house is not as it should be
for such a distinguished guest

but joy cares nothing for your messy home
or your bank-balance, or your waistline, you see

joy is supposed to slither through
the cracks of your imperfect life

that's how joy works

you cannot truly invite her
you can only be ready when she appears
and hug her with meaning

because in this very moment
joy chose you

A Special Note from Booksmiles

Dear Friends:

A generous supporter wishes to make an anonymous donation of \$25,000 to help us purchase a delivery van. **But there is a challenge. We need to raise \$25,000 to match it.**

What could we do with \$50,000? A delivery van could help us distribute up to 10,000 books each month to daycare centers and other nonprofit partners. We could easily serve a few thousand more children! We want to wrap up this campaign by the end of May, so won't you help by donating to: <https://www.booksmiles.org/donate.html>.

Domestic Violence Awareness

NJSFWC Second Chance Domestic Violence Survivors Scholarship – according to the application “NJSFWC awards scholarships to help survivors of intimate partner violence obtain a post-secondary education that will offer them the chance to re-shape their future in gaining personal independence. Candidates must be enrolled or planning to enroll at an accredited public or private post-secondary school, including community colleges, technical schools, and four-year universities. According to the CDC, the term intimate partner violence describes physical, sexual, and/or psychological harm by a current or former partner or spouse. This type of violence can occur among heterosexual or same-sex couples and does not require sexual intimacy.” This NJSFWC scholarship application and info has been shared with Barbara Katz, the Providence House Domestic Violence Safe- House and Service Community Coordinator.

Covenant House in Atlantic City was super appreciative of our club’s donation of 22 no-sew-tie blankets for their residents. Jen Williams and the staff expressed sincere thanks to the MWC for our long-time commitment and continued support for the homeless teens and youths at risk for human trafficking who seek refuge and services at this

wonderful facility. Many thanks to our club members who participated in this fun craft making get-together which also benefited those in need.
