

SYNERGY SPORTZ ★ One Gym, One Family

4750 Winchester Blvd, Suite 2, Frederick, MD 21703 ★ (301) 874-6036

Dear Friends of Synergy Sportz,

Synergy Sportz continues the legacy of providing a Fun, Positive & Encouraging Environment for children to learn gymnastics, tumbling, and parkour in our 10,000 square foot facility. The Synergy Sportz Competitive Team Program, trained by head coach Tony Eusini, overseen by owner Shirley Scaggs and supported by the Synergy Sportz Parent Association Board, have gymnasts ranging in age from 6 to 16 years old participating in USAG programs, including the Womens Developmental program levels ranging from 1-10 and XCEL Bronze to Diamond. Synergy Sportz not only provides great physical skills but also life skills that will follow the athlete through the rest of their journey like the ability to overcome challenges, resiliency, discipline and how supporting others on the same journey can make their own journey better. Our Mission is to provide a fun, positive and safe atmosphere where our athletes can learn, have fun and grow together as part of a larger family.

The Synergy Sportz Parent Association Board works closely with Synergy Sportz Gymnastic team members to help provide an environment where gymnastics is affordable for all. It is through the financial support of our private and corporate sponsors that we are able to continue to offer the opportunity for success to our gymnasts.

Synergy Sportz & Synergy Sportz Parents Association will be hosting the 2023 Anti-Bullying Invitational in the Shipley Arena at Carroll County Agriculture Center. Our meet is growing each year, with over 400 gymnasts competing in 2020, and totaling over 1500 attendees from WV, VA, PA, DC in addition to MD for the two-day event. We are expecting over 500 gymnasts in 2022. The goal of this meet is to raise funds and awareness in support of anti-bullying initiatives and encourage everyone to take a stand against bullying. A portion of the all proceeds is donated to Bully Awareness and Education. In addition, \$1 for every score of 9.0 or above is also donated to support Anti-Bullying Education. **Becoming a sponsor of Synergy Sportz Anti-Bullying Invitational not only shows your support of this great sport and cause, it allows your business to focus your marketing efforts to a select crowd.**

In addition to competitive teams, our facility supports year-round, daily recreational gymnastic, tumbling & parkour classes, open gym events, and a Tumble & Learn program geared for two and three year old's. These activities bring in hundreds of families from a surrounding 25-mile radius (multi state including WV, MD, and VA). Students and families return to our facility on a daily and weekly basis, providing you the opportunity of repeat exposure that benefits your marketing outcome.

If you are interested in providing marketing geared toward one of our current programs, we can gear your advertising to meet your needs. Examples include Whole Gym Exposure, Pro Shop Sponsor, Birthday Room Sponsor, Gym Banner Advertising, Scoreboard Advertising, Brochure and Business Card Advertising, as well as the benefits of the attached Sponsor Levels. Please see the attached form for sponsoring opportunities.

The Synergy Sportz Parent Association Board is a registered non-Profit 501(c) 3 organization and any funds that we raise through fundraiser events and sponsorships directly support our gymnasts to defray the cost of meet fees, competitive apparel, gymnastic equipment and to support our coaches when traveling as they keep our gymnasts safe. We are grateful for what our organization has been able to achieve over the years with support of sponsors just like you!

Thank you for considering a sponsorship with
Synergy Sportz Parent Association
