

Becoming a VALUE PRODUCER Using Total Integrated Honesty

ANTI-CIVILIZATION

EXTERNAL AUTHORITY from parasitical leaders filled with Mysticism, feeding off society by leading them and thinking for them: Enslavement

- Endless regulations and laws
- Licenses required for **everything**
- No ownership of **anything** (they can take **anything** away from you whether paid in full or not)
- Taxes, taxes, more taxes
- Unlawful censorship
- Working dead end positions
- Survival mode—just getting by barely
- Scarcity
- Violence and corruption
- Division and separation by race, ethnicity, religion
- Dishonesty
- FEAR

Realizing the lies and instead choosing to be a Wealth Builder, Self Leader and Value Producer

CIVILIZATION of the UNIVERSE • SUPER SOCIETY

Integrated thinking and integrated total honesty; together equals Freedom to experience Life as You see fit

- Essence of conscious life is to control the ability to control one's present and future
- **Conscious life** is the only entity in the universe that can control present and future events; this is possible to the extreme that mysticism is absent and **Total Integrated Honesty** is present
- Conscious beings (Godman) always evolve into Value Producers/Creators
- Self Leaders become an open-ended wealth builder by investing in themselves instead of lazy leaders—**YOU WILL START CHANGING IMMEDIATELY**
- All effort is directed towards objective reality and value production coming from Joy and purpose
- We can move energy when we understand that **WE ARE PART OF IT**—you cannot not
- Total Integrated Honesty puts a person in control without any use for External Authority

Human In control: Happy and will Prosper!
Human Out of control: Unhappy and will Fail

Total Integrated Honesty cannot be denied and gives
STRENGTH to Everyone

Fully Integrated Honesty means the Dark Ones are done
